CHICAGO FOGBOUND.

Loss of Life and Damage to Property Result.

ELEVATED RAILROADS ARE CRIPPLET

ditor. The report shows the total liabilities of the company at the present In One Collision Seventeen Carrime to be \$3,320,111.00 pet assuming Were Wrecked, One Man Killed that the assets of \$146,454.15 are coland Scores Severely Injured. lectable at face. Many Other Accidents.

CHICAGO, Nov. 20,-The worst for in years descended on Chleago yester day, causing much damage to proper ty and some loss of life. Owing to the fact that the fog was the worst just at the time the crowds were journeying from the suburbs to the downtown centers for work the transportation systems were severely handicapped and much delay and many accidents resulted.

The most serious results of the for were felt by the elevated railroads In a crash between an express trait and a local on the Metropolitan ele vated one person was killed and scores seriously injured. A Canal street express ran into a local Metropolitar train near the Marshfield avenue station shortly after 7 o'clock. Seven teen cars were piled up in the wreck from which injured men and womet were carried.

One man was killed. Thomas Men ney. He was standing on the rent platform of the first train and was crushed to death. The most seriously injured were Fred Jones, whose beau was cut and flesh lacerated; William Upton, who was internally injured, and Harry Twohey, who was badly brube ed. Several patrol wagons were hur ried to the scene, and the injured were conveyed to neighboring hospitals.

At the Homan avenue station of the Lake Street elevated two trains crash ed together. The cars were telescoped. No one was killed, but many were badly burt.

At the Madison avenue station of the South Side elevated two trains collided. One car was all but thrown to the ground. A wild panic followed One of the motormen was seriously injured. William Gallagher was taken to the County hospital with a fractured leg.

Another wreck occurred on the Northwestern road at Chicago avenue. Officers of the road say no one was killed in this wreck. Traffic was blocked for over an hour, and a number of cars were badly wrecked.

Starving In Texas. DALLAS, Tex., Nov. 16.-Governor Sayres has received a letter from Hon. F. W. Seabury, a member of the legislature, in whose district Zapata county is situated, saying the people in that county are starving and that unless immediate relief reaches them nearly the entire population will die. There is no chance to raise any kind of crops there earlier than next April or May, Mr. Seabury says there is scarcely a bit of food on hand and appeals for outside aid at once. Governor Sayres immediately sent \$500 to Mr. Scabury. and relief supplies will be got into Zapata county at the earliest possible moment.

Nienragua Canal Route Chosen.

WASHINGTON, Nov. 18 .- The isthmian canal commission signed its report yesterday. The report is now be ing collated and will probably be handed to President Roosevelt this week. It will follow the same lines as the preliminary report of last winter, but with important changes in the estimates. The final report emphatically indorses the Nicaragua route as preferable to the one at Panama. commission finds a difference of \$64,-000,000 against the French waterway. The expense of building the canal is placed at \$189,000,000.

Buffalo's Treasurer Ousted.

BUFFALO, Nov. 20.-Mayor Diehl has suspended City Treasurer Philip Gerst, a shortage of more than \$50, 000 having been discovered in that officer's accounts. The suspension created a sensation and will be a blow to the friends Gerst made throughout the state when he was a member of as sembly. Gerst's record in the assembly won him his place as city treasurer.

Wilhelmina's Condition Serious. LONDON, Nov. 15 .- The condition of Queen Wilhelmiaa, who was prematurely confined, is, according to a dispatch to The Standard from Brussels, worse than has been officially represented. Three physicians are in attend ance upon her majesty, and the queen mother has been summoned. The roya! patient will be obliged to keep her couch for six weeks.

Ten Killed In Railway Wreck. GREAT FALLS, Mon., Nov. 19 .- Ter men were killed in a wreck last evening on the Great Northern railroad near Blair. Twenty-eight others were seri ously injured. An extra freight train ran into a work train, and it was among the Japanese workmen on the latter train that the terrific havoc was wrought.

A Wisconsin Bank Robbed. MONDOVI, Wis., Nov. 20.—Robbers blew open the safe in the vault of the First National bank and secured between \$5,000 and \$6,000. It was the work of professionals.

Steyn's Family Deported. BRUSSELS, Nov. 19. - The Peth Bleu asserts that the wife and family of former President Steyn of the Orange Free State have been deported from South Africa.

Severe Earthquake In New Zealand. WELLINGTON, New Zealand, Nov 18.-An earthquake in Canterbury dis trict has devastated the township or Cheviot. Many people have been in-

Among other things he gold medal authorized by congress for herole conduct during the war with

"Let me advert but for a moment to one aspect of our recent bereavement which is especially interesting to those engaged, as you are, in relations whose scope is as wide as the world. Never since history began has there been an event which so immediately and so ter Hudson and rescued the officers and deeply touched the sensibilities of so crew of the torpedo boat Winslew from vast a portion of the human race. The a very perlious position off Cardenas, sun which set over Lake Erie while the surgeons were still battling for the president's life had not risen on the Atlantic before every capital of the civilized world was in mourning. And it was not from the centers of civilization alone that the voices of sorrow and sympathy reached us. They came as well from the utmost limits of the world, from the most remote islands of MADISONVILLE, Ky., Nov. 18 .the sea; not only from the courts of Mining troubles in this district have Christendom, but from the temples of brought more bloodshed. James H. strange gods and the homes of exotic religions. Never before has the heart Smith, a negro striker, is dead; George Crouch another striker, is fatally of the world throbbed with a sorrow so universal. Never before have the kingwounded, while John West, Hut Dawson and Nathan Bush, all guards, are doms of the earth paid such homage wounded, but none of them dangerat the grave of a citizen.

"One shaple reason why the millions of this country mourned him as if they rious condition in the mining field of had buried a brother and why all the Webster and Hopkins counties the nations of the earth felt that his death was a loss to humanity at large was that he loved his fellow men. There were literally no bounds to his lavish PATERSON, N. J., Nov. 20.-Under good will. In political genius, in wisthe new and exceedingly strict pure dom for government, in power of confood law of New Jersey, which went trolling men, he was one of the elect of into effect Nov. 1, a large force of state the earth-there were few like him. inspectors swooped down on the milk But in sentiment and feeling he was dealers of this city yesterday, with dis- the most perfect democrat I ever met. astrons consequences to the dealers. In each case samples were taken from the cans to be tested with a view meanest unit in that crowd of many

to prosecutions. The police force of thousands. "Others will rise and labor and do good service to the republic. We shall never lack good men when the emergency calls for them. Thank God, we do not lack them now! But it may well be doubted if in any century of the glorious future before us there will ever appear two such sincere, high minded, self respecting lovers of the people as the last fifty years have shown us in Abraham Lincoln and

William McKinley. "I am asked to say something about our diplomacy. You want from me nothing but the truth, and yet if I confine myself to the truth I cannot help fearing I shall do my profession a wrong in the minds of those who have been in the habit of considering diplomacy an occult science, as mysterious as alchemy and as dangerous to the morals as municipal politics. It must be admitted that this conception of the diplomatic function is not without

ness and pleasure. Beside seeking the a certain historical foundation. "As to the measure of success which our recent diplomacy has met with it ative to the crown lands in Hawait. is difficult if not impossible for me to These were sequestered by the revolu-speak. There are two important lines tionary government at the time the of human endeavor in which men are monarchy was overthrown, and no at- forbidden even to allude to their suctempt has since been made to reim- cess-affairs of the heart and diploburse her for the loss of the crown rev- matic affairs. In doing so one not only ennes, amounting to about \$100,000 a commits a vulgarity which transcends all question of taste, but makes all future success impossible. For this reason the diplomatic representatives of the government must frequently suffer in silence the most outrageous imputations upon their patriotism, their intelligence and their common honesty. To justify themselves before the public they would sometimes have to place in jeopardy the interests of the nation. They must constantly adopt for themselves the motto of the French revolutionist. 'Let my name wither rather than my country be injured."

"But if we are not permitted to boast of what we have done we can at least | Steer do say a word about what we have tried to do and the principles which have guided our action. The briefest expression of our rule of conduct is perhaps the Monroe doctrine and the gold-
