NO. 7

TOWN COUNCIL CONVENES.

Bloomsg's body of law makers assembled in regular monthly session Thursday night. Member F. B. Hartman was the only absentee when Mayor Ikeler called the meeting to order.

Bills were passed on and orders issued in payment of the same.

The compensation of Messrs Robins, Fabringer and Kunkle, viewers appointed to assess damages in the Walp case, and the bill of G. Snyder was withheld to await opinion of the Town Solicitor and Town engineer respectively.

F. P. Baum reported six electric street lights out during month of January, for which he was allowed sixty cents.

Solicitor Ikeler reported that in regard to the 1901 tax duplicate that in his opinion the tax collector was elected by the Town and that he was given the County, School and Poor duplicates because the law provided that they must be given to the borough officer for collection; and further that the tax collector could not accept the three duplicates mentioned above and refuse the town duplicate. On motion duly seconded the matter was referred to the Solicitor, he to confer with tax collector in regard to same, carried.

On motion duly seconded the secretary was instructed to draw order for the amount of view on River street.

C. C. Peacock, representing the Board of Health, appeared and stated that a number of children are deprived of school privileges because of the action of the School Board in compelling vaccination. He stated that there are 100 children who were reported as being too poor to pay the expenses of such medical treatment and asks that Council take some action in the matter.

On motion duly seconded the following resolution in relation to the above was adopted:

Be it resolved: That the Board of School Directors of the Town of Bloomsburg be requested to forthwith furnish the Town Council with a complete list of all pupils, with the names of their parents, who are now prevented from attending school by reason of not having been vaccinated; and that upon receipt of said list the President of the Town Council shall immediately call a special meeting of Council to take appropriate action looking toward a free vaccination of such pupils.

A request to be exonerated from the taxes of 1900 and 1901 was made by Neil Dougherty. Referred to Finance Committee.

On account of the annoyance and confusion occasioned by the similarity of names of two of the fire companies, the Second Ward Company through Mr. Webb, expressed the wish to have the title changed from Good Will to Liberty Fire Company. On motion the desire was gratified, and the organization henceforth is to be recognized by that name.

A. M. Wintersteen appeared in behalf of the Fireman's Relief Association and made the following proposition: If council will award the association the two years appropriation they now have in hand and pass an ordinance to the effect that they can receive the amount in the future nothing will be done regarding that received during former years. On motion duly seconded the matter was referred to the Solicitor and if under the Act the Town is bound to pay same, the President and secretary to draw order for amount due for the two years.

It was moved and seconded that the Solicitor be instructed to prepare an ordinance granting the Relief Association the appropriations for the last two years and hereafter.

Mr. Dawson, of the Rescue Hose Co., reported that they have a ladder truck in bad condition and asks that same be repaired, that they have the use of horse to draw same whenever it may be needed. On motion duly seconded ladder is to be repaired and truck is to be placed in proper shape.

C. W. Miller, Esq., appeared and presented ordinance asking for right of way over certain streets for the use of the Bloomsburg & Millville Electric Railway Company. On motion duly seconded matter was referred to the Solicitor to draw an ordinance in compliance with wishes of Council and in conjunction with the representatives of the proposed road and present same at a special meeting.

In the matter of repairing the Rescue Fire Co's hook and ladder truck the same was referred to the Committee on Fire and Water.

to the Bittenbender tax duplicate and presented a list of exonerations which he asked to be granted. On motion duly seconded the exonerations asked for were granted.

Mr. Chrisman also stated that the amount due on the duplicate had been reduced to about \$500, and asked for an extension of sixty days to settle same which was granted.

MRS. McHENRY'S CASE.

As stated last week, Mrs. Alice McHenry, widow of Thomas W. McHenry, who was murdered at his home near Rohrsburg on February 3, 1901, was sentenced on Wednesday to a year and a half in the penitentiary. She was under indictment for perjury because she had caused the arrest of Jacob Evans by swearing to facts that implicated him in the murder. Subsequently she swore that her first statement was false. She pleaded guilty when called up for trial, and when she came before the court for sentence she carried an infant in her arms. C. C. Yetter, Esq., on her behalf, stated that she was addicted to morphine, and that she was under its influence when she first testified against Jacob Evans; that she had six children the oldest only eleven years of age, who were dependent upon her. He asked the court for leniency.

Judge Little asked her if she understood the gravity of her offense, and if she wished to withdraw her plea of guilty and be tried by a jury, and whether she had anything to say why sentence should not be pronounced, to all of which she responded negatively. The Court then sentenced her, allowing the Sheriff a female assistant to convey her to the State prison in Philadelphia.

Mrs. McHenry appeared to be completely subdued, and tears rolled down her cheeks as she stood before the Court. What is to become of her six children we have not learned.

The Brotherhood of St. Paul.

At the request of the Brotherhood the Rev. David N. Kirkby will preach a special sermon on Sunday evening. The object of this Brotherhood, in general, is to interest men in the work of the church. Their meetings are held in the Parish House on the second and fourth Tuesdays of each month at 8.00 P. M.

It is planned to have addresses or papers at these meetings on subjects of interest. At the next meeting on Tuesday March 25, Col. Freeze will continue his lecture on Church History. All men are cordially invited both to the service in St. Paul's church next Sunday evening at 7.30, and to the next meeting, March 25.

To the Voters of Bloomsburg.

As a candidate for School Director I take this method of announcing to the public that I favor the plan accepted by the Poor Directors of the Bloom Poor District—have some bank to serve as treasurer without pay—and save the money thus appropriated for the benefit of the taxpayers and for the good of the public schools, and if elected I pledge to use my influence in that direction.
