### Indictments Set Aside.

Hunters Charged With Shipping From the State Discharged.

Judge Archbald, of the Federal court of the middle Pennsylvania district, has filed an opinion setting aside the indictment in the Blooming Grove case, in which seven New York and New Jersey residents were charged with violating the Lacey bill, an act of congress, prohibiting the surreptitious removal of game from the state in which it is killed.

The defendants on October 21, 1901, were coming from Blooming Grove park, in Pike county, Pa., with satchels containing a hundred or more pheasants, and a box enclosing the carcass of a deer, when Dr. Kalbfus, chief of the Pennsylvania game commission, intercepted them at the railroad station and placed them under arrest on the charge of violating the Lacey act, in having prepared for shipment packages containing dead animals and birds, killed in violation of local game laws. Judge Archbald decided that the defendants were not amenable, because the game was not shipped out of the state, and therefore, the offense charged was not completed.

### The New Superintendent.

The Convention of School Directors on Tuesday made no mistake in their selection of a Superintendent of public schools. William W. Evans is a graduate of the Normal School and subsequently took a post graduate course. He has had a number of years experience in teaching, and has been very successful in that line. He is a young man of fine ability, high moral character, and attractive manners, and is possessed of a laudable ambition to make a mark in the world. That he will bring to his office his best energies no one doubts who knows him. We congratulate Mr. Evans upon the handsome vote by which he was chosen, and we congratulate the schools of the county on having secured his service.

### BASE BALL GALORE.

Bloomsburg had plenty of the national game Saturday. Susquehanna University opposed the Normal on Athletic Field, while Berwick and the new club recently organized at the Magee Carpet Works battled for supremacy at Athletic Park. Victory came Bloomsburg's way at both places. At the Normal, the game was a slow listless exhibition, devoid almost entirely, of interest. Only in one inning did the visitors display any life. This was in the sixth, but they were so far behind that the six runs score, only served to make the game appear a little more even. Lewis for Normal, played his position in faultless fashion, making three very pretty catches. The score by inning's follows:

Normal. . . . . 8-6-0-0-1-0-0-0-X-15  
 Susquehanna-2-0-0-1-6-0-0-0-9

Battery for Normal, Shaffer, Stephenson and Kilmer; for Susquehanna Allison, Mot and Franck.

Two-base hits—Hayes, Newton, Lewis. Struck out—By Shaffer 3, Stevenson 3, Allison 2, Moist 2. Base on balls—Off Shaffer 5, off Stevenson 1, off Allison 4, off Moist 5. Hit by pitcher—Lewis, Franck. Umpire—Splain. Time—2:45.

The game at Athletic Park was marked by clean hitting, good base running and clever fielding, and the result is most propitious for the Athletic Association of the Carpet Works. The boys showed that they are capable of playing good ball, the work in every particular being most satisfactory.

Gilbert was in the box for the visitors, and although he bears the reputation of being a good one, he was outpitched Saturday by Savitts. A good friendly feeling prevailed all through the game and every brilliant play was lustily received. Pat Hagemeyer officiated as umpire and his work was very satisfactory. The score: Berwick. . . . . 0 4 0 0 2 3 1 0 0-10  
 Carpet Mill. . . . . 1 0 3 1 4 0 0 2 0-11  
 Battery for Berwick Gilbert and Stout; for Carpet Mill Savitts and Hummel.

### LARGE SHAD.

Catches Big and Fish of Remarkable Size are Being Taken at Points Down the River.

The Harrisburg Patriot says:

Shad of remarkable size are being caught at nearby points in the Susquehanna river and the hauls are large. Two shad taken by local dip net fishermen Thursday were sold to a down town hotel man. They together tipped the scales at fifteen pounds and it is said others of the same size have been frequently caught. In fact the shad catches are larger and better this year west of Columbia than ever before. Good hauls are being made every evening in the vicinity of Duncannon, where a few years ago shad were almost unknown. Large seines have been bought by the fishermen there and shad batteries have been erected. The drag of the seine is a picturesque sight and is daily watched by scores of persons.

At Marietta Thursday eighty-four fish were taken in one haul and forty-four big fellows were taken at Columbia. The local nets have brought to shore as many as thirty. The largest catch is reported from Bainbridge, where 215 shad were taken in one day.

From points along the Juniata river come reports of good catches. Few seines are used by fishermen there. Dip nets in deep eddies and below the breasts of dams are the favorite means of fishing. This method is successfully practiced at Clark's Ferry as well.

### Officers Elected.

The stock holders of the North Branch Furniture Company, met on Monday and elected the following: President, Dr. W. M. Reber; treasurer, G. W. Correll; secretary, Dr. F. W. Redeker; directors, G. W. Correll, Dr. J. R. McHenry, W. J. Correll, Samuel McKamey, F. W. Redeker, L. N. Moyer, and W. M. Reber.

## Tired Out

"I was very poorly and could hardly get about the house. I was tired out all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well."—Mrs. N. S. Swinney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured. \$1.50 a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied. J. C. AYER CO., Lowell, Mass.

### EAST BENTON.

Last Monday boring was commenced at the new oil well at Fairmount Springs. If this test proves a failure we think that the oil question will be settled once for all so far as our valley is concerned.

Judge Krickbaum expects to plant corn this week. He is one of the early planters.

The roads in our end have nearly all been repaired. Philip Gibbons gave the roads good attention.

Rev. Houtz preached an excellent sermon at St. James' last Sunday afternoon.

A great deal of the winter grain is not promising even fair returns; while some wintered in good condition.

So many farmers have not yet commenced plowing for corn.

Hired help and day laborers are in great demand and very scarce.

Our mechanics, carpenters and masons complain of an over abundance of jobs and work in their lines of business.

So many of our young people are entertaining the mumps. It makes them look quite odd carrying big necks, but this is mumps style.

It is said that Berwick is booming almost to "busting." But Berwick can never amount to much, as it is too far away from Benton.

The next news that we get will inform us who the new County Superintendent is.

Marriage is not a failure, but a "Miss Take."

A girl should never say "no." when she means "yes." Often times she repents when she sees another who was not so indiscreet, happily domiciled where she might have been.

The political honeymoon is always before the primaries and general elections. Political divorces usually follow after, as it is said that "politics makes strange bedfellows."

Bruce Hartman, carrier on route 1, is incapacitated to follow his vocation by reason of illness. Harry Sands, a substitute carrier took the mails on last Saturday and Monday. We don't know what is the matter with Hartman. Probably mumps.

We think that the quails hereabouts wintered all right, as lots of them can be seen around one place another.

A good rain would not come a miss at this present time.
