The Farmers National Bank Bloomsburg, Pa.

Quickly Wears Away.

People sometimes dread to enter a bank, simply because they are not familiar with the customs of business.

This feeling quickly wears away with those who deal at this bank, at least we try to have it so; we want every customer to feel easy and at home.

Ordinances Granted.

At a meeting of the Town Council held last evening, ordinances were granted to the Bloomsburg & Benton and Bloomsburg & Danville Electric Railway Companies.

A petition was presented by Grant Herring in behalf of the Goodwill Fire Company, seeking recognition from council as the fourth company of the town. W. W. Barrett, Jr. was present and he stated that the company was chartered as the Goodwill Fire Co. No. 4.

The acceptance of the ordinance recently granted to the Bloomsburg & Millville Electric Railway Co. was read and accepted by council.

The tax rate for 1902 was laid for nine mills in the built up portion; six in the suburban, and four and one half in the farm portion.

The council decided to borrow \$2500 for 90 days at 5 per cent in order that outstanding bills might be paid.

Authority was given President Townsend to have the council chamber remodeled.

Town Solicitor Chrisman was directed to inform the Columbia & Montour Electric Railroad Co. to fill in their tracks and level them up throughout the town or it would be done by Street Commissioner Neyhard at the expense of the Company.

Councilman Hughes recommended that the grade be given property owners on Penn street, which the Council decided to have done.

There was an animated conversation on the street corner Saturday night between a few of our representative young men. The subject was politics and concerned men who have attained fame and fortune in state and national politics.

One of the group remarked that he would like to be at the head of the great political machine of the state. He believed that he could gather enough of the world's goods in a year's term in such a position to retire and live in peace and contentment for the balance of his life.

In his opinion, success in politics by fair means, these days is an utter impossibility. While there are evidences in the present condition of affairs to support his contention, his ideas are bad.

Be and continue poor young man, while others around you grow rich by fraud and disloyalty, be without place or power, bear the pain of disappointed hopes while others gain the accomplishment of theirs by flattery and deception, forego the gracious pressure of the hand for which others cringe and crawl.

Wrap yourself in your own virtue and seek a friend and your daily bread. If you in such a course grow gray with unblemished honor, give thanks and die.

The employees of the Keystone Driller Company, excepting the machinists, struck on Monday for nine hours. They have been working 9 1/2 hours a day.

The machinists of Beaver Falls, New Brighton and Fallston, demanded of their employers a nine hour day on Monday, and gave them until June 12 to decide, after which time they will strike if they do not get it.

The Civic Club of Bloomsburg will conduct a Historic Loan Exhibit during the centennial celebration and the week following for the benefit of the Centennial Fund.

It is the wish of the committee to have on exhibition relics of any character, such as old china, pewter, brass, silver, quaint gowns, antique furniture, coins, samples, embroideries, counterpanes or any articles, irrespective of value that will interest people, because of their history or age.

The ladies in charge will be very grateful if persons who have such articles will loan them for this period. A watchman will guard the building day and night.

Each booth will have a personal attendant during the day and insurance will protect the owners in case of fire.

If persons having relics which they are willing to loan, will send a list as soon as possible and not later than June 25th to Mrs. Hervey Grotz, Mrs. S. B. Arment or Mrs. Helena Ikeler, Bloomsburg, it will be of great assistance to the committee in charge.

MRS. HERVEY H. GROTZ, Chairman of Com.

The Normal School was twice defeated at base ball last week. On Thursday Tamaqua took them into camp to the tune of 13 to 11, and on Saturday Pittston came down and won a tiresome exhibition by the score of 18 to 13.

The loss of both games was due, principally to ineffectual work in the box. Turnbach was sent in to do the pitching against Tamaqua, but it was an off day for Jack and his curves were pounded hard and often.

He retired in the fourth inning in favor of Steventon, but he could not check the onslaught, and his delivery was hit harder than that of his predecessor.

On Saturday, Shaffer, the only available man, excepting Hays who is suffering from a sore arm, was sent to the slab by Captain Newton.

He only lasted five innings, during that time the visitors piled up sixteen runs. Steventon finished the game. Only eight innings were played, in order to allow Pittston to make the 6.14 train for home.

A new line of Ruskin Vellum invitations and wedding stationery just received at this office. Best quality and latest styles.
