

ADJOURNED SINE DIE

Congress Closes a Seven Months' Session.

PRESIDENT SIGNS PHILIPPINE BILL.

Senators Indulge in a Rancorous Debate—The House Winds Up With Song and Good Fellowship.

WASHINGTON, July 2.—After a session marked by some of the stormiest debates ever heard in the American congress the senate adjourned sine die at 5:30 yesterday afternoon.

The conference report on the Philippine government bill was adopted without very serious opposition.

Just before adjournment the usual resolutions were adopted, including one offered by Mr. Cockrell, the venerable Democrat of Missouri, cordially thanking the president pro tempore, Mr. Frye, for "the dignified, impartial and courteous manner in which he had presided over the deliberations of the senate."

After the adoption of the resolution Mr. Frye delivered a feeling response and then declared the senate adjourned without day.

Amid a scene of enthusiasm that has not been paralleled since the exciting and stirring days of the Spanish war Speaker Henderson at 5:30 yesterday afternoon declared the house of representatives adjourned without day.

In doing so he said that no house of representatives since the adoption of the constitution had done as much work as this one. The audience to which he made his brief address was a brilliant one. The galleries were banked to the doors, and almost two-thirds of the members were in their seats on the floor.

The adjournment came at the end of a seven and a half hours' session, during which much minor business was transacted.

In all seventy bills and resolutions were passed. The general good feeling in the house had been heightened by the victory won over the senate on the item in the naval appropriation bill for the building of a battleship in a government yard.

Just before the senate adjourned finally Senator Allison, chairman of the committee on appropriations, presented a statement showing the total appropriations for the session by bills as follows:

Agriculture, \$5,208,960; army, \$91,530,136; diplomatic and consular, \$1,957,925; district of Columbia, \$8,647,526; fortifications, \$7,298,955; Indians, \$9,143,902; legislative, etc., \$25,398,381; military academy, \$2,627,324; navy, \$78,678,963; pensions, \$139,842,230; post-office, \$138,426,508; rivers and harbors, \$25,723,442 exclusive of contracts authorized; sundry civil, \$60,125,359; deficiencies, \$28,039,911; miscellaneous, \$2,000,000; isthmian canal, \$5,130,000; permanent annual appropriations, \$123,921,220; grand total, \$890,193,837.

The total last year was \$730,338,575.

President Roosevelt, accompanied by Secretaries Hay, Shaw, Moody, Hitchcock and Wilson and Postmaster General Payne, went to the capitol in the afternoon in order to facilitate the work of congress, and in his room in the senate wing of the capitol the president signed the Philippine civil government bill, the naval appropriation bill and other measures that went through in the closing hours of congress.

Senator Bailey Assaults Beveridge.

WASHINGTON, July 1.—Senator Bailey of Texas assaulted Senator Beveridge of Indiana last night just after the senate had adjourned from executive session. The Texas senator was dragged away and separated from his opponent by some of those about the senate. He was very angry and threatened severe harm to the Indiana senator.

The episode was the result of a heated controversy which the two senators had during the afternoon.

Minnesota Republicans.

ST. PAUL, Minn., July 2.—The Minnesota Republicans in convention here nominated the following ticket: For governor, Samuel R. Van Sant; lieutenant governor, Ray W. Jones; secretary of state, Peter E. Hanson; state auditor, Samuel G. Iverson; state treasurer, J. H. Block; attorney general, W. B. Douglas; clerk of the supreme court, C. A. Pidgeon. The most of the nominating was by acclamation. President Roosevelt was endorsed for re-election.

NO BRIBERY.

Christmas Statement Regarding the Danish Island Sale Disproved.

WASHINGTON, July 2.—Chairman Drazell of the special committee of the house of representatives which investigated the charges in connection with the purchase of the Danish West India islands has submitted the report of that committee. After detailing the charges of bribery and showing that Captain Christmas had repudiated the alleged report on which the charges were based the committee sums up the results of its investigation as follows: "There is not the slightest semblance of evidence that any member of congress, either directly or indirectly, was offered or has received any bribe or was paid any valuable consideration of any kind or character to vote for or assist in procuring the proposal, adoption or ratification of a treaty of sale of the Danish West India islands to the United States. There is not the remotest ground from which to draw an inference or on which to base a conclusion that there was any corruption or wrongdoing on the part of the public officials of the United States in connection with the negotiations for the purchase and sale of the Danish West India islands.

"It is plain beyond peradventure that the bribery alleged in the report could have existed nowhere save in the imagination of Christmas, since the whole burden of his story is that he had no money. It is in evidence that he had to borrow in order to pay his passage home from this country."

The depositors will lose practically everything. Whether the deficiency in the bank covers Sherman's entire pecuniations has not yet been determined, for the reason that no statement as to his personal accounts is available.

PROGRESS IS STEADY

King Edward's Condition Indicates Ultimate Recovery.

GRAND REVIEW OF COLONIAL TROOPS.

Queen Alexandra Attends the Parade—Cheering of the Troops on Parade Audible in the Sick Chamber.

LONDON, July 2.—The steady progress of King Edward is fully maintained, and his majesty takes light nourishment with keen enjoyment. He is allowed a light cigar a day. He evinced the greatest interest in the arrangements for yesterday's review of the colonial troops, and he was eager that "his people" should be in some way compensated for their disappointment because of the postponement of the coronation.

The king received Queen Alexandra's report of the review with much pleasure, and he was immensely pleased later in the day when the sounds of the cheers from the Indian troops, given for the queen as they marched past the palace, penetrated the sickroom.

The king's grandchildren are allowed a brief visit daily to his bedside, while a scarcely less welcome and even more enthusiastic visitor to his majesty is his pet Irish terrier, Jack, which is allowed in the king's room a short time every afternoon.

Yesterday's review of the colonial and Indian troops at the Horse guards' parade was the first recompense London had for the deferred pageantry of the coronation. The military spectacle was brilliant in the extreme, and popular enthusiasm found proper vent when the queen appeared in person riding in the first carriage in the royal procession at the parade grounds.

The reappearance of Queen Alexandra as a participant in this public ceremony practically marks the end of the period of anxiety caused by King Edward's illness.

The queen was seated in an open carriage. Beside her was the Princess of Wales, and opposite her majesty were the Princess Victoria and Princess Charles of Denmark.

Among the interesting onlookers was Prince Eddy and the other children of the Prince and Princess of Wales. All the colonial premiers, Indian princes and other guests of the nation were present.

The troops quickly marched past the queen's carriage, the Prince of Wales receiving the salute. The queen then drove slowly in and out of the lines, and the Prince of Wales closely inspected the troops and dismounted and conferred medals and honors on those who had merited the honor, shaking hands with the recipients of the Victoria cross.

Millions For New York Poor.

NEW YORK, July 2.—Being far advanced in years and having no immediate relatives to whom to bequeath his vast fortune, Mr. John M. Burde, a wealthy retired merchant and railroad director of this city, has conveyed to a corporation real and personal property to the amount of \$4,000,000 for the purpose of founding a convalescent home in or near the borough of Manhattan. It has been his ambition to dedicate in his lifetime a substantial part of his estate to the relief of worthy men and women who, notwithstanding their willingness to support themselves, have become wholly or partly unable to do so.

WASHINGTON, July 2.—"We here lay the cornerstone of a house to be erected under the name of the Grace Memorial Reformed church and to be devoted to the worship of Almighty God. NEW YORK, July 1.—A decision which compels all the banks, trust companies and other financial institutions in the country to pay millions of dollars in war revenue tax into Uncle Sam's strong box has been rendered by Judge Lacombe of the United States court in Brooklyn.

The war tax has been fought by the banks ever since it was authorized by congress.

A quorum of the members of that committee are here in attendance upon the international convention, and they have already practically agreed to hold the next world convention at Jerusalem.
