

URIBE-URIBE TAKEN

Colombian Insurgent Leader and His Army Surrender.

GREAT VICTORY FOR THE GOVERNMENT

Pacification of the Country Complete with the Exception of the Isthmus-Much Rejoicing at Panama and Colon.

PANAMA, Oct. 29.—The revolutionary general Uribe-Urbe, with ten cannons, 2,500 rifles and 800,000 rounds of ammunition, has surrendered to General Marjarres at Rio Frio, near Santa Marta.

The revolutionary forces under General Uribe-Urbe, which were defeated Oct. 14 at La Ciénega, retreated to Rio Frio and took up positions there. General Marjarres, with 2,000 men, proceeded against the rebels from La Ciénega and engaged the enemy two days ago. The government general succeeded in surrounding the rebels and forcing them to surrender. General Castillo was with General Uribe-Urbe.

The news of this victory was received here by General Perdomo and Governor Salazar in a telegram from General Marjarres. Details of the engagement are lacking, but heavy casualties on both sides are reported.

The surrender of Uribe-Urbe is said to complete the pacification of the departments of Magdalena and Bolivar. The revolutionists now occupy the Isthmus only.

In the flight of Oct. 14 at La Ciénega the revolutionary force consisted of 1,300 men.

A Colon dispatch says that the government garrison General Pinzon has arrived there from Savannah. She was especially sent from that port by the governor of the department of Bolivar to bring to the revolutionists news of the defeat of the revolutionists under Uribe-Urbe and Castillo at Rio Frio. Both these generals were made prisoners. There is much rejoicing over the success of General Marjarres and especially over the capture of Uribe-Urbe.

Moose's Head For Roosevelt.

WASHINGTON, Oct. 29.—A moose's head with antlers, from Alaska, said to be the largest ever brought to the United States, was presented to President Roosevelt by a delegation of Alaskan citizens, accompanied by Representative Wooten of Texas. The antlers measured six and a half feet across. A piece of native placer copper attached to the mounting bears the inscription: "To Theodore Roosevelt from the citizens of Alaska in token of their esteem and in recognition of his friendship." The delegation also exhibited specimens of Alaska gold, copper, ambar and other metals that called forth expressions of surprise and delight from the president.

Grave Robbers Indicted.

INDIANAPOLIS, Ind., Oct. 27.—The medical profession of this city is wrought up over the return of twenty-five indictments by the county grand jury in what is known as the grave robbery cases. The jury has only partly completed its labors. It is announced at the courthouse that the indictments will cause astonishment among the residents of this county both in respect to some of the persons who have been indicted and also regarding the evidence of grave robbers upon which the charges are based.

Lincoln Boys Vermont Lands.

MANCHESTER, Vt., Oct. 27.—Robert T. Lincoln of Chicago, son of President Lincoln, has purchased 2,500 acres of land here, which he proposes to transform into a country seat. The property overlooks the golf links of the Ekwanok Country club and adjoins the summer places of A. M. Gilbert and Edward S. Isham of Chicago. Mr. Lincoln, who for several years has made Manchester his summer home, is to erect a handsome residence during the winter.

A Find of Pure Copper.

NEW HAVEN, Conn., Oct. 27.—A piece of almost pure copper weighing several pounds has been found in a glacial deposit within the city limits near East Rock and Lake Whitney. Mr. Eli Whitney, a member of the Yale corporation, has given the specimen to the Sheffield Scientific school. The lump is in the shape of a rough triangle eight inches along its longest side and six along the next and an inch thick.

Severe Floods in Sicily.

CATANIA, Sicily, Oct. 27.—There have been heavy rains and floods between Catania and Syracuse. The railroad was partly destroyed near Meocca, and great damage has been done to property. In many places the water has attained a depth of fifteen feet. The peasants have taken refuge on the roofs of their houses and are firing pistols as signals of distress.

Dr. Lorenz in Denver.

DENVER, Oct. 29.—Dr. A. D. Lorenz of Vienna has arrived here from Chicago. He operated on three children for congenital dislocation of the hip at St. Luke's hospital in the morning and on several others at the County hospital in the afternoon. The operations were performed before the Denver and Gross Medical schools.

College Students Strike.

LANSING, Mich., Oct. 28.—The students at the Michigan Agricultural college, numbering about 1,000, have gone on strike owing to the suspension of seventeen of their number for participation in a freshman-sophomore rush ten days ago.

Wheat Poor Crop in Siberia.

WU TING FANG RECALLED.

Chinese Minister Ordered Home to Fill New Post. WASHINGTON, Oct. 28.—Wu Ting Fang, who has been the minister of the Chinese empire to the United States since May 1, 1907, has been recalled to China by an edict of the emperor cabled to Minister Wu by the Chinese foreign office. The edict is peremptory, Mr. Wu being directed to return to China as early as a date as possible, even the route by which he is to make his voyage from this country being indicated.

The edict informs Mr. Wu that he has been appointed minister of commerce in association with Chang Chi Tung.

WU TING FANG.

He takes the position just vacated by Sheng, whose father died recently. Under a peculiar provision of Chinese law when an officeholder loses by death his father or mother he vacates his office, and he is not eligible to hold office again for three years, although by custom the period of his official mourning is reduced to twenty-seven months. Mr. Wu said that he might be able to leave this country in about three weeks, but the precise date of his departure has not been determined.
