an opera bouffe attempt to interfere destroyed, and several times the with foreign commerce and shipping, United States has had to interfere a lesson which will prove of great to protect the interest of Rs own benefit to other would-be heroes of citizens and those of European countries. Under a treaty made many Both Hayti and San Domingo have years ago the United States asbeen a source of annoyance for many sumed the responsibility of keeping years, and it is doubtful if they can the Panama railway open, and that be made to behave themselves, unless is why we have had to keep war vesannexed to the United States or, at sels at the Atlantic and Pacific least, placed under the protectorate termini of the road for several of this country. American merchants years. Should the commission, and capitalists are deeply interested which is now trying to secure a in the two negro republics, and clear title to the property of the should they be allowed to continue French Isthmian Canal company, be their present disastrous revolution- successful in its efforts the Washary policy for another decade the is- ington government would have to land which they occupy would be a end the revolution, either by force desert waste and the people mobs of or the outright purchase of the terbarbarians. Humanity, commerce ritory adjacent to the railway and ship canal. Certainly, Uncle Sam's patience has been tried to the verge of exhaustion,

Another pestiferous country which has been giving the United States much trouble is Venezuela, where Gen. Matos is directing a revolutionary campaign against President Castro, one of the most obnoxious of Latin-American tyrants. The socalled rebel forces have recently captured a number of important towns on and near the seacoast, and the outrages which the victorious soldiers committed compelled the United States and Germany to land marines at Barcelona and other points. Venezuela is the deadbeat par excellence among nations. Its disposition to repudiate honest debts has several times led to serious friction with European powers, and nothing but the Monroe doctrine has saved the tottering republic from ansihilation and absorption by foreign creditors. Hitherto the government at Washington has succeeded in avoiding a clash, but unless our as soon as congress convenes a bill diplomats manage to bring Castro will be introduced having for its ob- and his gang of boodlers to time the ject the acquisition of Hayti, and miserable little country may force us to go to war with one or the Another squabble which must be other of the great powers; because settled by the United States before no self-respecting nation one afford long is the revolution in Colombia, to be bulldozed by such a povernwhich has made property and ship-ping rights unsafe since October 17, United States cannot permit the 1899. This struggle has been one of conquest of any part or sortion of

Central America, and has cost over Truly, the Monroe doctrine has 50,000 lives. The so-called regular its ugly side, and to carry it out in Truly, the Monroe doctrine has government has at various times spirit as well as letter Unda Sam placed 75,000 men under arms, and the must act as the world's peliceman revolutionists are believed to have in Central and South America. And mustered 35,000. How a country with this duty calls for the exercise of a total population of less than 4,000, wise statesmanship and a liberal con-000 could have raised such a huge struction of the rights of foreign army might seem inexplicable if it countries whose interests in the rewere not known that the government gion named are, necessarily, were or has from time to time forced boys less at the mercy of our state de"And how is the world treating
