REPORT OF THE GRAND JURY. We have examined the public buildings and find that they are in

good condition generally. However, we find at the Court House some We make the following recommendations for the Court House:

1. That a United telephone be session. Recognizauce forfetted to placed in the Treasurer's office.

2. That screens be placed over the vault windows in the Prothonotary's and the Register and Recorder's offices.

3. That glass be placed in the upper portions of all doors leading from the main corridor of the Court House and the name of the office lettered thereon, to afford more light in the hall.

4. That the Janitor hereafter keep the rooms of the Court House in good condition at all times and especially during sessions of conrt.

At the jail we recommend:

1. That electric lights be placed in front of the jail as has been recommended by former Grand Juries. 2. That all doors in the jail and the larger gates be placed in such condition that they can be opened and shut without the use of a crowbar and sledge.

3. That the tiling in the corridor at the front of the jail be repaired as has been recommended by former Grand Juries.
