

REBELLION FALLS FLAT.

Sultan of Morocco Has Taken the Wind Out of Pretender's Sails. TANGHER, Morocco, Jan. 5.—According to official news received here from Fez, the admiral move of the sultan in bringing his brother, Mulai-Mohammed, to the capital has attained the desired object of depriving the pretender of the throne of his prestige, and the latter has retired, discredited, to Taza. He has been deserted by a number of the local tribes, who dispersed to make sure of their booty.

Buhama, the pretender, having claimed the intention of enthroning Mulai-Mohammed, his rebellion has no longer any reason to continue, as the sultan has publicly reconciled himself with his brother and Mulai-Mohammed has made a solemn entry into Fez, acclaimed by the populace. The sultan has announced the appointment of Mulai-Mohammed as governor of the province of Fez, thus disproving the rumors that Mulai-Mohammed aspired to the throne.

All immediate danger has disappeared. The routes from Fez to the coast are open. It is said the sultan is now preparing a large expedition with the intention of crushing the rebellion.

CASTRO AGAIN WINS.

Rebels Defeated With a Loss of Fifty-seven Men.

CARACAS, Jan. 6.—Fourteen hundred revolutionists under Generals Ramos and Penolosa attacked 800 government troops under the command of General Acosta Sunday morning at a point near Guantia.

After four hours' fighting the revolutionists abandoned the field and the town of Guantia. They had fifty-seven men killed and many wounded. One of their guns was captured.

A prisoner captured by the government forces is authority for the statement that the revolutionists still lack ammunition.

About 1,500 rebels are reported to be marching on Caracas. The activity and energy displayed by President Castro continue to surprise the foreign residents of this city. It is reported here that the leaders of the Matos movement are treating with the government.

FLOODS DO MUCH DAMAGE.

People Driven From Their Homes by Night in Washington Town.

SEATTLE, Wash., Jan. 6.—Floods due to the melting of the heavy snow in the Cascade mountains, by rains and the Chinook wind still continue and are doing tremendous damage.

The White river overflowed its banks near O'Brien Station, fourteen miles below Seattle, and the people of the town in many instances were awakened by the water creeping into their beds. A relief train was sent from Seattle, and the rescuing party found several families huddled on chairs and tables to keep from the water that was more than two feet deep on the floors. All persons were taken to places of safety. No lives are reported lost, but much property has been ruined or lost.

DIPLOMATIC CHANGES.

Secretary Hill Slated For Switzerland-Loomis to Succeed Hill.

WASHINGTON, Jan. 6.—A general shakeup in the diplomatic service was disclosed in the big batch of appointments the president sent to the senate yesterday.

Dr. David J. Hill, the present first assistant secretary of state, is nominated minister to Switzerland.

He will be succeeded in the state department by Frank B. Loomis, at present minister to Portugal, on leave.

Charles Page Bryan, former minister to Venezuela, succeeds Loomis in Portugal.

Dr. Hill has held the office of assistant secretary of state for a longer time than any of his twenty-four predecessors in that office, excepting Mr. Seward.

Big January Dividends.

NEW YORK, Jan. 8.—Wall street banks and financial institutions paid out yesterday a total of \$109,605,619 for interest and dividends without disturbance to the financial situation. There remains to be paid later in the month over \$30,000,000 in interest and dividends, which will make the total for the month in excess of \$140,000,000, which breaks all previous January records.
