Methodists in Yearly Meeting.

Exercises of an eminently interesting nature were held in the Methodist church last evening. It was the congregational meeting held for the purpose of distributing among the members the offering envelopes to be used during the coming year. Dr. Frisinger made an address and other departments of the church work were represented by the following gentlemen: F. B. Hartman, the Sunday school; Frank P. Eyer, the Epworth League; L. T. Sharpless, class meetings; James C. Brown, the Board of Trustees, and W. R. Kocher, the Stewards.

Among those known abroad who spent Sunday in town, was William Hart, of Bellefonte. Mr. Hart formerly resided in Bloomsburg, but this was his first visit in thirteen years. He thinks the town has improved wonderfully since he was last here.

The improvements in F. P. Purcell's store are completed and add very greatly to the appearance and convenience. The grocery department is much enlarged which enables the proprietor to accommodate his trade in a much better way than heretofore. The oak stairway at the rear is a fine piece of work and was done by Sharpless and Lowery.

Louis Bagger & Co., Patent Attorneys, Washington, D. C., report that on last Tuesday Mr. Wm. H. Crossley a resident of this place, obtained a valuable patent for improvements in Track Attachments. A printed copy of this patent will be furnished free to any reader of this paper on application to the above-named attorneys. Mention this paper in writing.

A final attempt has been made by the friends of Admiral Schley to secure for him the recognition of congress. A resolution was offered in the committee on naval affairs providing that he be given the pay and allowances of a rear admiral on the active list. The resolution was laid on the table by a vote of all the Republicans except Mr. Mudd. It is well known that if the resolution could be brought before the house it would have been adopted but the will of a majority of the house is defeated by the naval committee.

FOR RENT OR SALE—My West End Farm. E. W. M. Low, Lime Ridge, Pa.

The Pittston Eagles will be here for a game of basket ball with the Normal Saturday night. The strength of the Eagles, is well known, they having defeated the Normals on their former visit, a few weeks ago. This time, however the Normal boys are determined to get back at them, and a battle royal may be expected. That the seating capacity of the "gym" will be taxed to its utmost, is a foregone conclusion, so you had better be on hand when the board opens at Bidleman's or else you'll have to go way back and stand up.

A very fine line of albums, and some beauties too, at Mercer's Drug and Book Store. 75c. to \$4.50.

The Rector of the Episcopal Church at Sayre, Pa. has resigned, because of lack of support. He says the membership is sufficient but the contributions are not liberal enough, says the Towanda Republican.

He also attributed the recent falling off in attendance at the weekday meeting to the "card party craze," in the throes of which Sayre is at the present time hopelessly struggling. He said that invitations were issued for evenings when there were services at the church, when the persons giving the whist party were fully aware that it would take many people from the church. Mr. Cady has no objection to the members of his parish playing whist if they desire, but he thinks it should not be allowed to interfere with the regular work of the church, and in this he is entirely right.

Lent is on now, and for 40 days there will be no whist parties that will trouble the faithful, but in Mr. Cady's remarks there is much food for thought that can be taken home to many church-goers outside of Sayre.

Schaeffer, The Teachers' Friend.

State Superintendent of Public instruction N. C. Schaeffer is interesting himself actively in behalf of the minimum teachers' salary bill, now pending before the Legislature. Circular letters bearing his signature have been received by educators in this town as follows: HARRISBURG, Feb. 27, 1903.—Dear Friend: The Minimum Teachers' Salary bill passed the House at \$35 per month. Some predict its defeat in the Senate. Can you? without delay, wield any influence in its favor, either by personal interview or by letters from prominent teachers and others, to the Senate from your district? I urge immediate action, because no more important school work can be done at this time in our State. I learn that West Virginia has just raised the minimum salary of teachers in that State from \$30 to \$35. If our bill were defeated in the Senate it would be a disgrace to Pennsylvania. Yours truly, N. C. SCHAEFFER.

Our representative in the State Senate has declared himself in favor of the bill.
