STREET FAIR AND CARNIVAL.

Great Preparations Being Made for the Approaching Event Under the Auspices of Berwick's Fire Department.

The joint committee of the Rangers and Reliance Fire Companies of Berwick are leaving nothing undone to make their Street Fair and Carnival, to be held July 6 to 11 a grand success.

The Hatch-Adams Carnival Company is one of the largest and best aggregations in the business and presents five free attractions besides twelve tented exhibitions for which a small admission is charged.

FREE ATTRACTIONS. Prof. Bobby Marshall—Champion High Diver of the World diving from a lofty perch 91 feet high into 3 feet of water.

The Great Barton—King of the High Wire. Rip—High Diving Dog, 57 feet into net.

The Great Adams—Originators of the Breakaway and sensational double trap act.

Prof. Rambey—World's greatest Balloonist and Parachute Jumper, using The Hatch-Adams Balloon, largest in the world.

The Hatch-Adams Military Band—14 pieces.

PAID ATTRACTIONS AND DESCRIPTIONS.

No. 1. Mt. Pelee—Tent 30x70, elegant front, lighted by electricity. Everything in this feature show is reproduced by electricity, viz: The volcanic eruption of Mt. Pelee. To witness is to imagine you are in the ill-fated City of St. Pierre.

No. 2. Dct—Tent 25x60 feet, elegant front, lighted by electricity. This marvelous exhibition is mythology, where you witness a Marble Statue turn to a Beautiful, Living Lady, and vice versa, then to a beautiful cluster of Flowers.

No. 3. Hall Of Fame—Tent 22x50 feet and a perfect silver garden inside. Front elegantly lighted by electricity. In this theatre the great Bunker reigns supreme.

No. 4. Dog and Monkey Circus—Tent 30x60, front elegantly lighted by electricity. In this you will see funny dogs and monkeys that do everything but talk.

No. 5. Snake Oid—A platform exhibition with beautiful lettered sides and front all aglow with electric lights. Inside exists the strangest creature ever born to live; actually living and existing on live snakes.

No. 6. Lunette, the Flying Lady—Tent 30x65, beautiful front, electric-lighted. In here can be witnessed the lady that defies the laws of gravitation and flies through this theatre like a bird.

No. 7. Old Plantation—Tent 25x70, beautiful front, electric-lighted. In this theatre the negroes entertain in songs, dances and medleys—in short, a reproduction of the negro part of an old plantation in the South before the war.

No. 8. Streets of Cairo—Tent 30x80, front elegantly electric lighted. In this feature of all exhibitions can be witnessed Turks, Arabs, etc., in all the sports and pastimes of that far off eastern country, the Orient.

No. 9. Palace of Illusions—Tent 35x75, most beautiful front, lighted by electricity. Mr. C. G. Roberts owns and is in personal charge of this feature of all Midway shows.

There are presented impossible things for you to gaze upon, and it can be truthfully stated that this exhibition exhibits to the same people over and over again.

No. 10. Girl from up There—Tent 20x50, elegant front lighted by electricity. This exhibition has been the feature midway show of the Omaha and Buffalo expositions, and was favorably called the Artist's Model.

No. 11. Ferris Wheel—Electric lighted. No midway is complete without it and everybody will ride. It is a joy in itself.

No. 12. Merry Go Round—All the people, young and old alike, will enjoy themselves with this old but favorite pastime. As it is impossible to make a Carnival or Fair a success without the vendors, the Hatch-Adams Co. have contracted with legitimate concessions such as Knife Racks, Ball Racks, Nigger Heads, Tintype Gallery, Fortune Tellers, Confeit Stands, Return Balls, Squackers, Name Plates, etc., and they will be in attendance to lend fun in their funny sayings to the visitors.

AN OVERWORKED JOKE.

The Hazleton Sentinel in speaking of the indignities to which a newly married couple of that city were recently subjected says the joke is being overworked. And so it is. All fair minded people will concur with the Sentinel when it says:

"From throwing rice to designate the wedding pair and tying grotesque things to the wedding baggage, the joker has developed new ideas, some of which must be decidedly objectionable to a sensitive woman, to say nothing of the man most interested. It may be funny to witness the annoyance of a married pair who are pointed out to disinterested persons as a deserving object of merriment, but the truth is that the wedding joke has been overworked and the average spectator has grown tired of it. He wonders what kind of companions the wedding pair have when at home. What is meant in a spirit of harmless amusement has also a serious side. The conspicuous position a young woman occupies in a marriage ceremony is enough without adding anything that makes her the subject for ridicule. At the supreme moment in a woman's life she is entitled to the kindly consideration of her friends and the friends of her husband. She deserves any thoughtful assistance that will divert her attention from the publicity she must attract. Of course to some persons it is humorous to annoy a sensitive young woman and make her the target for the eyes of the thoughtlessly curious, but in this day of common sense every man should have about him enough genuine chivalry to shield rather than to mortify the young wife. It is time for the offensive wedding joke to be stopped. If it ever had an excuse it has long ago ceased under the boisterous and embarrassing liberties taken in its name."

We have a nice line of wall paper and as cheap as the cheapest, at Mercer's Drug and Book Store.

The Prohibition Ticket.

The Prohibitionists of the State held their convention at Gettysburg last week, and named this ticket:

For Judges of the Superior Court, M. H. Stevenson of Allegheny county, and Herbert T. Amos of Lycoming; Auditor General, Elisha Kent Kane, of McKean county; State Treasurer, H. D. Patton, Lancaster county.

The resolutions are exceedingly voluminous and denunciatory. They declare for suffrage without distinction of sex and denounce the new libel law in unmeasured terms. Nearly all the crimes in the category are charged to the old parties and the only salvation for State and Nation, it is declared, is to be found in the principles of the Prohibition party and their enactment into law.

Mortgage Paid.

The last indebtedness of the Presbyterian church was paid off this morning, and the mortgage lifted. The Presbyterian is one of the three beautiful stone churches of which Bloomsburg has just cause to be proud, and the energy and loyalty of the congregation in clearing their fine property from debt is most commendable.

Dr. G. H. Hemingway performed the ceremony which united Miss Mary Amelia McBride and G. Clayton Welliver for life. The event occurred at the home of the bride's parents on Ninth street last evening and was witnessed by a large number of guests.

The history and prophecy were full of timely hits, and every number on the program was thoroughly enjoyed.

The culmination of the week, the year, and of the entire course came on Wednesday morning, when sheepskins were handed around, and the class reached the point where with many of them their school days are over, and they are ready to go out in the world to get their bumps, and to find out how much there is that they don't know. NORMAL NOTES.

The classes of 1893 and 1901 held reunions on Tuesday. John M. Garman Esq, '71; Hon. W. T. Creasy, '75; Miss Mae Black, '91; and Francis O'Neill, '99 were among the visitors at Commencement.

The decorations in the chapel were very pretty, blue and white, the class colors, being predominant. Blue festoons on white back-ground covered the balcony, and at the front of the stage were festoons of smilax and roses, with palms and potted plants.

The graduates have all spoken their little pieces and bidden goodbye to teachers and classmates, and now the old world will resume its ordinary motion in its journey around the sun.

Ira D. Sankey Blind For Life.

All hope that the eyesight of Ira D. Sankey, evangelist, will ever be restored has been abandoned by his family. Mr. I. Allen Sankey, the son, says that his father is permanently blind, and is reconciled to his fate.

The evangelist was recently removed from New York for the summer. "It is our wish," the boy says, "to keep father as quiet as possible in the hope that his strength will in some measure be restored. He improves slowly and the gain is scarcely perceptible, but his courage is good and he is as hopeful as we are."

SUNDAY SCHOOL CONVENTION.

The thirty-fourth annual convention of the Columbia County Sabbath School Association was held in the Baptist church of Berwick last week. Myron I. Low, Pres. presided. Among the many matters of interest presented was the report of the Statistical Secretary's report, which shows that there are twenty-nine districts in the county, with 116 evergreen and eighteen summer schools. Of the evergreen schools one is Baptist, 3 Evangelical, 2 Lutheran (one general council and one general synod), 3 Methodist Episcopal, and 9 Union. There are 1,720 teachers and officers, 11,905 scholars and 965 members of the home department, making a total membership of 14,630. The cradle roll membership is 272; 313 have united with the church, or been confirmed, and 53 schools have a primary room.
