Mr. Ware news of the reception accorded him SEPT. 24TH. Joseph H. Wise will estimates that the unpensioned sursell personal property consisting of vivors of the Civil War, exclusive of deserters, are, in round numbers, 200,000, and says that this unknown chine, carpet, furniture, dishes &c., army is meeting with disease and on the Heller farm in Madison town-misfortune to such an extent that it is applying for pensions at the rate of over 14,000 a year. In ten years, he predicts, the unknown army will have ceased to be a factor.

No School Facilities.

An unusual and inconvenient situation is present in the school district of Conyngham township. Owing to the establishment of parochial schools the township board abandoned its school houses in the suburbs of Centralia and made arrangements for the comparatively red blood that flows through few schools. The school houses the veins has to come from ners in our town who have outlived were eventually torn down. This somewhere. year the borough school board refused to admit the township scholars, claiming the township board had not paid the required bones called the marrow and tuition fees for last year. As a re- some say red blood also comes sult the children are unable to re- from the spleen. Healthy bone ceive instruction anywhere and the marrow and healthy spleen
