A wedding at Rupert yesterday,  
of which the many friends of the  
bride and groom will be pleased to  
hear was that of Miss Edna May  
Gruver, daughter of Mr. and Mrs.  
E. L. Gruver, and Mr. John C.  
Ivey, a popular young man of Hem-  
lock township. The ceremony was  
performed at the bride's home by  
Rev. J. D. Thomas, of the Re-  
formed church of this town, and

a wedding tour to Buffalo and Ni-  
agara Falls.

William Bogert of Espy, an-  
nounces this week as a candidate  
for county commissioner. The past  
three years has probably been the  
most important term, and the har-  
dest to fill satisfactorily, of any in  
the history of the county. It has  
been necessary to meet questions of  
great weight, and to raise large  
sums of money. Mr. Bogert has  
performed his duties with good  
judgment. He is possessed of a  
cool head, a great thing in public  
office, and of business sagacity and  
experience that has enabled him to  
meet the many unusual situations  
in an intelligent manner. He is  
asking the usual favor of a second  
term, and as he has made a good  
official for the past three years, he  
feels that the nomination will be ac-  
corded him at the primary election  
in June.

Another fire of supposed incendi-  
ary origin occurred at Newlin, Tues-  
day morning, and as the result of  
which the Newlin band building,  
in which was also held the Locust  
township high school, was entirely  
destroyed. The fire was first dis-  
covered by John Lindermuth, at 2  
o'clock in the morning. He quickly  
sounded the alarm and aroused the  
neighborhood, and a bucket  
brigade was hurriedly formed.  
Efforts to save the building were  
fruitful, but much of the school equip-  
ment, and supplies were saved.

Evidence of incendiarism is fur-  
nished in the fact that the door  
which had been securely locked the  
night before, was found to have  
been pried open. This is simply  
another of the appalling list of fires  
which have filled the hearts of the  
people in that section with dismay.  
The school was in charge of Kim-  
ber Knorr, son of Sheriff Daniel  
Knorr.

## PURELY PERSONAL

Dr. and Mrs. A. K. Aldinger will enjoy a  
three weeks recreation at Jamaica. They  
departed yesterday morning.

John Fox, of Berwick, was in town on  
Tuesday. He will move here, having ac-  
cepted the position of baker at the Normal.

George B. Clemmens, of Berwick, gave  
our office a call on Tuesday. He is a candi-  
date for Register and Recorder. His an-  
nouncement appears elsewhere in this issue.

### NEW MANAGER HERE.

Elwood Mateer, who will suc-  
ceed John P. Conway as local  
manager for the Bell Telephone  
Company, arrived in town from  
Lebanon on Monday. He will  
familiarize himself with the work-  
ings of the office, and take up his  
duties on the 20th of this month.  
Mr. Conway will leave for Scrant-  
on, his new field of labor on Mon-  
day, and will carry with him the  
well wishes of a legion of friends,  
who have learned to know and ad-  
mire him during his few years' resi-  
dence here. Mr. Conway has every  
reason to feel proud of the success  
with which he has met in Blooms-  
burg. He took hold of the busi-  
ness, just at a time when the Col-  
umbia & Montour, now the United  
Telephone Co., invaded this terri-  
tory, and in spite of the aggressive  
competition, succeeded by a con-  
scientious devotion to duty, in more  
than tripling the list of subscribers.  
Notwithstanding this tremendous  
increase of business, and the in-  
cident installation of hundreds of  
phones, and changing of wires, the  
service at all times has been first  
class.

Mr. Conway has been an active  
worker in St. Columba's Church,  
and has for some time past directed  
the choir.

Will Conway, a brother, who  
has been here for a year or more  
filling the position of inspector, will  
also go to Scranton. He will not  
leave however, until about the first  
of June.

### An Unfortunate Man.

Phineas Thomas, of Bear Gap,  
was in town on Saturday. We  
have known him for many years,  
as he has been a reader of THE CO-  
LUMBIAN since Col. Tate's time. It  
was a painful surprise to find that  
he was compelled to walk on his  
knees, because of the loss of his  
right leg below the knee. This  
was the result of an injury from  
which gangrene set in, and his limb  
was amputated to save his life. Mr.  
Thomas is a large man, weighing  
nearly 250 pounds, and he is not a-  
ble to sustain his weight on crutch-  
es, owing to an injury to his back,  
and is therefore obliged to get a-  
round as best he can, on his knees.  
He has many friends here who are  
pained to learn of his unfortunate  
condition.

### Road Case Settled.

The long standing Friends' Meet-  
ing House road case, which accord-  
ing to the petition is to start from a  
point near the home of A. P. Young  
in Greenwood township and ter-  
minate at Millville near the Friends'  
Meeting House, is at last settled.  
This case, which has occasioned the  
appointment of viewers and re-  
viewers, had its beginning when  
Judge Elwell was on the bench,  
and has occupied the attention of  
various courts through all the thirty  
years that have intervened. After  
a re-re-view had been granted the  
Court confirmed absolute the re-  
port of the viewers. An appeal  
was taken to the Superior Court,  
which on Tuesday affirmed the de-  
cision of the lower court, and all  
that now remains to be done is to  
build the road.
