He has been admitted to the York county bar, and will practice in Hanover. That Tired Feeling

Is a Common Spring Trouble.

It's a sign that the blood is deficient in vitality, just as pimples and other eruptions are signs that the blood is impure.

It's a warning, too, which only the hazardous fail to heed.

Hood's Sarsaparilla and Pills

Remove it, give new life, new courage, strength and animation.

They cleanse the blood and clear the complexion.

Accept no substitute.

"I felt tired all the time and could not sleep. After taking Hood's Sarsaparilla a while I could sleep well and the tired feeling had gone. This great medicine has also cured me of scrofula." Mrs. C. M. Root, Gilead, Conn.

Hood's Sarsaparilla promises to cure and keeps the promise.

GREAT GROWTH OF P. E. CHURCH.

Ten Times Nearest Rival, Says Presbyterian Pastor—Praises Bishop Potter.

The Rev. Dr. Thomas Reed Bridges, of the Second Presbyterian Church, of Newark, read a paper Monday at the Presbyterian Ministers' Association in New York, on "The Causes of the Growth and Present Prosperity of the Episcopal Church in New York City."

Official statistics quoted show that even as compared with the Presbyterian Church, the growth of the Protestant Episcopal Church is about 10 to 1, and the Presbyterian Church makes a better showing than any other Protestant denomination. In round numbers Dr. Bridges said the number of communicants in the Presbyterian Church had increased in that city in the last fourteen years only about twenty-five hundred, while in the Episcopal Church the increase had been about twenty-five thousand. The speaker said the personality of Bishop Potter had not a little to do with this. The second cause stated was the concentration of power in a few great central churches. Dr. Bridges gave as the third cause the form of service and worship.

William Reece Dead.

Worn out with the infirmities of age and burdened with the innumerable discomforts of advanced years William Reece, aged past seventy one years, closed his eyes in the dreamless night of long repose at his home in Millville early Monday morning. In this, as in every case where a man, who holds the respect, good-will and confidence of his fellow-men is summoned to meet death's fatal arm, deep and sincere regret is felt, and the whole neighborhood mourns the loss of a good citizen.

Mr. Reece was an active member of Valley Grange No. 5, and did much to advance the cause of the association.

He is survived by a wife and three children, namely: Sarah and Ellen living at home and Alfred Reece of Greenwood township.

The funeral took place from the Friends Meeting House in Millville yesterday morning. Interment was made in the Millville cemetery.

Children's Day at Stillwater

In keeping with the time honored custom, Children's Day services of a beautiful and highly pleasing nature, were held at the Christian Church at Stillwater on Sunday. The Church was lavishly trimmed and decorated with Spring's choicest offering and from all parts of the interior the blushing flowers displayed their glory, while the altar and pulpit were banked with the season's wealth. The exercises were largely given over to the children, and the music rendered and recitations delivered were of a bright and joyous nature. The audience was large and the efforts of the little ones were thoroughly enjoyed.

A Valuable Publication.

The Pennsylvania Railroad 1905 Summer Excursion Route Book.

The Passenger Department of the Pennsylvania Railroad Company has published the 1905 edition of the Summer Excursion Route Book. This work is designed to provide the public with descriptive notes of the principal Summer resorts of the United States, with the best routes for reaching them, and the rates of fare. It contains all the principal seashore and mountain resorts in New England, the Middle, Southern, and Western States, and in Canada, and over seventeen hundred different routes or combinations of routes. The book has been compiled with the greatest care, and altogether is the most complete and comprehensive handbook of Summer travel ever offered to the public.

The cover is handsome and striking, printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold. The book is profusely illustrated with half-tone cuts of scenery at the various resorts and along the lines of the Pennsylvania Railroad.

This very interesting book may be procured at any Pennsylvania Railroad ticket office at the nominal price of ten cents, or upon application to Geo. W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia, Pa., by mail for twenty cents.

Gave Poor Exhibition

The Friendship ball team, patched up for the occasion, gave a wretched exhibition at Hazleton Saturday. Here's what the Hazleton papers say of the game:

"Hazleton defeated a team from Bloomsburg in an uninteresting game, score 9 to 2. The visitors showed lack of team work and allowed the home club to score five runs in the first inning. Manager Dryjos can in no way be blamed for Saturday's game. He had arranged with Bloomsburg's representative team to appear here, but at the last minute the very best players went to Danville. This is to be regretted, because had the real aggregation come a fine game might have been expected. The fans are in hope that the real Bloomsburg team will play here later."

Havoc by Frosts.

From Harrisburg it is imparted that damaging frosts occurred in nearly all sections of the state on May 21st, 22nd, 23rd and 24th, and that gardentruck and tender vegetation and orchard and vine fruits were seriously damaged. In sections not affected by the cold, drought is retarding growth and germination. Many complaints are being made about the corn, wheat and rye, it is said are heading short, though word from up the creek and from other sections of the county, in respect to these crops are encouraging. The drought must be broken soon or the hay crop will be shortened.

If most of us were to think twice before speaking, we'd never open our lips.
