

NOTHING TO CONCEAL

DR. PIERCE TAKES THE PUBLIC INTO HIS FULL CONFIDENCE.

He Gives the ingredients of the Family Medicines which have Made His Name a Household Word in Countless Homes.

With all the recent talk about patent medicines and the determined effort in certain quarters to cast discredit upon all household remedies which come under that head, the fact remains that some of these medicines are so firmly established in popular favor and confidence, have so proved their worth and value, that all the denunciations of bigots cannot destroy the people's faith in them. One of the best known of these remedies is DR. PIERCE'S FAVORITE PRESCRIPTION, a medicine which for years has been accepted by the people as a standard preparation for the cure of those ailments to which women alone are subject and which has proved to be a certain cure in nine cases out of ten and a sure relief in the other one. Forty years of use by countless numbers of intelligent women is sufficient to indicate that the FAVORITE PRESCRIPTION has done and is doing for those women who suffer from the dragging pains—from that peculiar lassitude—from any of the uterine derangements which sap the life and strength of women, making them old and worn when they should and could be young and fresh and vigorous and lovely, when life should have and could have all the charms that Nature intended it should have.

DR. PIERCE'S FAVORITE PRESCRIPTION has wrought this mighty change for thousands upon thousands of women in the last forty years and is working its miracles of cures to-day. Before Dr. Pierce conceived the idea of placing this medicine within the easy reach of every suffering woman he had demonstrated its value in his large private practice as a specialist in women's diseases. He knew what it would do for women by actual test. He is a physician of renown, a man of honor, a former member of Congress who is highly esteemed in his community. The thought of depriving any of the sufferers of his fellows or of deluding them into using a worthless nostrum is as repugnant to him as can possibly be to any self-constituted guardian of the physical well-being of the nation. There is nothing to conceal about the FAVORITE PRESCRIPTION. It is an absolutely pure medicine—made of roots and herbs, Nature's own restoratives, compounded after a formula restoring which there can be no question, by skilled chemists and by thoroughly scientific processes. Dr. Pierce is perfectly willing to let every one know that his FAVORITE PRESCRIPTION contains Blue Cohosh (*Cyclopium Thalictrifolium*), Black Cohosh (*Cimicifuga racemosa*), Lady's Slipper (*Hyphopodium Pseudocentropium*), and Golden Seal (*Hydrastis Canadensis*). Every doctor knows that such a prescription is beneficial in the hands of women and when properly compounded is certain to effect a cure in practically all cases when given a trial. Hereafter every bottle of the FAVORITE PRESCRIPTION which leaves Dr. Pierce's immense laboratories in Buffalo, N. Y., will plainly tell of what the medicine is composed. Thus Dr. Pierce will once more prove to the world his own confidence in the remedy which for forty years has borne his name and which is known all through the United States and Canada, England, Australia, and in parts of South America, as a sovereign cure for those diseases which, unchecked, irk our women old before their time.

It will be noticed that there is no alcohol in the FAVORITE PRESCRIPTION. A great deal of cry has been raised because some patent medicines contain alcohol. Dr. Pierce never believed in using alcohol in the preparation of his famous household remedies. For it, he substituted chemically pure glycerine, which has wonderful properties for extracting the medicinal principles of roots and herbs and barks and preserving them at their full strength, without any deleterious effect whatever. Your druggist sells the FAVORITE PRESCRIPTION and also that famous alternative and blood purifier, the GOLDEN MEDICAL DISCOVERY. Write to Dr. Pierce about your case. He is a well-qualified physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is Chief Consulting Surgeon.

Must Have a Label.

The last Legislature so amended the law regulating the sale of concentrated commercial feeding stuffs as to add to the feeds that shall not be sold without having affixed thereto in a conspicuous place a legible and plainly printed statement certifying the number of net pounds of the feeding stuff the package contains, the name, brand or trademark under which the article is sold, the name and address of the manufacturer or importer, and a statement of the percentage it contains of crude fat and crude protein of the following: Corn bran, wheat, rye and buckwheat bran and middlings. Also hay, straw and corn stover, when the same are mixed with other materials. In other words, the feeds above named have been added to the list of feeds that cannot be sold without the above cited certificate being attached. This, however, does not, under the provisions of the act, interfere with persons engaged within the State of Pennsylvania in manufacturing flour so as to prevent them from selling at the place where made their own manufacture of brans and middlings, without having the above named certificate attached.

Getting Closer to Nature

Many people can be seen returning home from the woods at this particular time heavily laden with huge bouquets of the pretty, fragrant wild honeysuckle, which appears this season to be lovelier than ever. It is happily noticeable that the people in general are beginning to realize the great virtues to be derived without price from a stroll through the woods in search of the peerless wild flowers.
