Sunday Sellers to Pay \$22,500

Schuykill County Enriched by Law and Order Crusade

The three hundred saloonkeepers arrested in Pottsville and vicinity by the Law and Order Society for Sunday selling will be called upon to pay \$75 each...

Owing to the crusade Sunday was the "driest" known in the county for twenty years. Of the 1,150 saloons in the county, it is said that at not one could a drink be procured for love or money.

Cortelyou and the Lobby.

The Congressional lobby of the express companies in its fight against the establishment of a fair parcels post, has a powerful ally in postmaster General Cortelyou...

This was to be expected. The great corporations which contributed enormous sums to Mr. Cortelyou's corruption fund when he was chairman of the National Republican committee did not give away money for nothing.

Up to this time the express companies with their lobby headed by a Senator from the Empire State, have been able to defeat every attempt to establish a reasonable parcels post...

Selinsgrove Man in Pickling Vat.

The body of Henry E. McCarthy who was killed recently by falling from a World's Fair building that he had helped to build was found in a medical college pickling vat in St. Louis last week.

McCarthy was supposed to be a pauper. Recently investigation into personal effects left by him led to the discovery of a bank book showing he had \$11,000 on deposit in the Selinsgrove, Pa. bank.

Dr. Atherton Resigns.

Dr. George W. Atherton has asked to be relieved of the Presidency of the Pennsylvania State College and a committee of the board of trustees has been appointed to look up a successor.

In the meantime Dr. Atherton has been granted a leave of absence until the opening of the spring term, when, if a suitable man has been found to succeed him, his resignation will be formally tendered and promptly accepted.

All health is given as the reason. Dr. Atherton is past 68 years of age and has been president of the college since 1882.

Scrofula

Is very often acquired, though generally inherited. Bad hygiene, foul air, impure water, are among its causes. It is called "the soil for tubercles," and where it is allowed to remain tuberculous or consumption is pretty sure to take root.

Hood's Sarsaparilla Removes every trace of scrofula. Get Hood's.

Fatal Storm in Wyoming Valley

A heavy rain and wind storm, with practically the dimensions of a hurricane, swept the Wyoming valley last Thursday morning. One man was killed and property worth thousands of dollars was destroyed in Wilkes-Barre city and surrounding towns.

Telegraph and telephone wires were broken down in all directions and for several hours communication was cut off. The traction company's wires also suffered and the system was seriously crippled.

In Wilkes-Barre large plate glass windows were blown in at several of the big stores and streets were littered with branches of trees, signs and shutters which had been torn from their fastenings.

At Laffin, north of Wilkes Barre, a large trestling leading to the Delaware and Hudson Laffin colliery was overturned by the wind and a Hungarian laborer was crushed to death by the falling timbers.

Sans Souci Park, a summer resort owned by Atlantic City capitalists, was in the path of the storm and several of the park buildings were badly damaged.

Too True.

A post-mortem examination at Reading the other day disclosed the fact that a woman's heart was on the right side. In these days so many women's hearts are on the wrong side that it is comforting to know that occasionally there is one on the right side. However, women's hearts are more likely to be found on the right side than men's are, and there are a great many men and women who haven't any heart on either side—not even at Christmas time.—Milton Standard.

'Uncle Josh Spruceby'

As a large audience was leaving a prominent New York theatre recently, a very refined looking lady was heard to remark to her escort, "That play is sweeter and prettier than the clover blossoms down in Clover Lane." The play she had just witnessed was the more than pastoral play, "Uncle Josh Spruceby".

Can Not Dismiss Cadets

Secretary Bonaparte has found that he has no power to dismiss Midshipmen Coffin and Vandever, charged with hazing and complicity in hazing Midshipman Kimbrough. This information was conveyed to him by Attorney General Moody.

It is now the duty of Admiral Sands, superintendent of the Academy, to order Coffin and Vandever to stand trial by court martial.

"Dora Thorne"

"Dora Thorne," the idol of those impressionable and romantic young girls, who think Bertha M. Clay "too sweet for anything," is on the stage with lords and ladies, and sires, and commoners who stalked through the novel. The play bids fair to outrival the popularity of the book, as it is being presented to large audiences throughout the country, and everywhere are manifestations of general approval.

BRIGHT'S DISEASE--GRAVEL.

"I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the use of Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my kidneys and I never expected to recover."

I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. My physician said I had Bright's Disease, which was, indeed, alarming information. To add to my affliction, after I had been ill about two years, I had a bad attack of gravel. I saw Dr. David Kennedy's Favorite Remedy advertised in our paper. After using one bottle I threw away my cane and went to New York on a visit, and three bottles cured me. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age

I Am Now Vigorous and Strong as I was in my prime. I do all my own work and rarely know what it is to be tired. What physicians and all of the many remedies I had taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a strong, vigorous man."

Mrs. Emeline P. Mizner, Burg Hill, Ohio. Dr. D. Kennedy's Favorite Remedy. Prepared at Rondout, N. Y. Sold by all druggists. \$1 a bottle; 6 for \$5.
