

HOMEMADE BOOKCASE

Convenient and Easily Made Receptacle Which is an Ornament. The accompanying illustration shows some very easily-made and convenient shelves for books, papers or other articles.

Between the casing of a door and the corner of a room, there will be no need of fastening them to the wall, if they are made to fit snugly. The upper shelf, being made fast by screws to the upright pieces, will hold them firmly in place.

HEALTH AND BEAUTY.

Rhubarb is an excellent blood purifier. It is said that apples will relieve seasickness. Lemon juice will remove tartar from the teeth.

A Diet of Sugar.

One of the numerous physical-culture teachers departs from the faith of trainers in advising his pupils to eat all the sugar they can get. Either in taking off flesh or in putting on flesh his advice is to make sugar, in some form or other, a liberal part of the daily diet.

Carling for the Hair.

If hair brushes be cleansed daily and the scalp massaged the hair and head will keep clean much longer.

Low Necks and Cameros.

Modistes predict that the high collar will soon be a thing of the past. If so, the summer girl can finish off the neck of her gown with the small cameo buttons or intaglios which she may have in her possession.

An almost invisible oment for mending glass is made of isinglass walled in spirits of wine.

Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distaste in stomach, periodical pains, disagreeable, catarrhal, pelvic drain, dragging down distress in lower abdomen or pelvic, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy.

Masked Robbers Cause Terror in Mining Towns.

Take Part in Two Furiously Waged Fights, in Which Bullets Flew, and Get Off Safely, but With Little Plunder.

Four daring masked robbers heavily armed produced terror in Duryea and Old Forge early last Saturday morning. At Duryea they took part in two furiously waged running fights with the Toole brothers and Chief of Police Peter Cosgrove.

At the hotel of Peter Toole in Duryea the robbers were detected in the act of breaking into the saloon. A duel with pistols was fought between the Toole brothers and the thieves, the latter making their escape.

Later while they were attempting to enter the post office they were detected by Chief Cosgrove, who opened fire on them. He was assisted by the Toole brothers. Again the men escaped after many revolver shots had been fired.

Predicts a Great Panic.

Railroad President Declares People Are Laying the Foundation. A. B. Stickney, of St. Paul, president of the Chicago & Northwestern railway, in Washington, D. C. last week, in an interview discussing the railroad situation, said: "The people are now laying the foundation, firm and strong, for a tremendous panic."
