STANDARD HEAVILY FINED

Waters-Pierce Concern Is Also Expelled from State by Texas Jury.

RECALLS BAILEY CASE

Rig Penalty for Violating Anti-Trust Law Astounds the Defence, Which Will Appeal-Trust Agents Have Left Little Property That Can Be Attached.

Austin, Texas, June 4 .- In the suit of the State against the Waters. Pierce Oil Company the jury brought in a verdict which found that branch of the Standard Oil monopoly guilty on 2,521 counts of violating the Anti-Trust law of 1903 and fixed the penalty at a fine of \$1,623,000 and revocation of the license to do business in the State.

It was a jury of farmers which returned this verdict, a sweeping victory for the State after a trial last- of this city entered an order ing three weeks. The defence, it is said, will appeol.

This company was once before ousted from the State because of its connection with the Standard, but was readmitted on the affidavit of H. Clay Pierce that it was not connected in any way with the combine. For this affidavit Pierce was subsequently indicted on the charge of perjury.

Senator Balley was the lawyer who engineered the Waters-Pierce Company's fight for readmission to the State at that time and this caused the great fight on Bailey at the last Voliva responsible. session of the Legislature.

Texas later filed suit against the Waters-Pierce Company to force it to pay license fees, as provided by law. The company refused to pay

Judge Landis in the Federal Court granting authority to John C. Hately, receiver of Zion City, to sell the property immediately. As soon as the contests of John Alexander Dowle's widow and son are overcome the trust estate of Dowle will be disposed of to the creditors.

This order is expected to result in the complete reorganization of Zion City and the restoration of peace among the warring factions of the Dowie followers, for the disruption of which Deacon John A. Lewis, named by Dowie as his successor, holds overseer Wilbur Glenn

HIRERS OF ASSASSINS.

Prosecutor Accuses Miners of Wholesale Murders,

Roise, Idaho, June 6 .- Through James H. Hawley, senior of the group of prosecutors, the State of Idaho made the opening statement against William D. Haywood, whom it charges with the murder of Governor Frank Steunenberg. Testimony by which it hopes to prove the indictment laid against him was began. The opening statement was a sweeping arraignment of the leaders of the Federation of Miners, who were charged with plotting wholesale murder and hiring assassins, all in a giant conspiracy of vengeance upon those who obstructed their sway, to destroy opposition by terrorism, to control the political destinies of the communities covered by their organization and to perpetuate their own powers within the organization.

Incubator Bred Trouble and Mrs. (From our Special Correspondent.) Cornish Husband Beat Her.

After starting out with the tope Teaneck N. J., June 5 .- Trouble easy the wheat market immediacily turned strong, accompanied by heavy covering of shorts. Toward the close prices again reacted in profit-taking Teaneck, N. J., heard by Chancellor sales, the session ending barsly steady in tone. The early depression was due to selling by pit traders. on reports of general rains in the winter wheat territory, and the bear, ish weekly crop report of the Carciunati Price Current.

A cable from Bulgaria stated that the prospects of this year's harvest Li the Balkan Peninsular are discouraging, as the dry, cold weather has proved disastrous to the automa sown crops, and has also delayed planting of the spring wheat.

The tone on really fine eggs is about steady, but for avorage beat qualities, weakness is noted. The quality of western and south-western eggs is much poorer than it was last week, but shipments from the northerly sections is very good, and losses are small.

A steady tone is noted on eastern brotlers. Western broilers are arriving in very small lots, with drypicked selling more freely than scalid. ed. Squabs are steady and large sizes move freely. The best grades of frozen stock are firmly held in about the former range of values.
