The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

60 Years Old

and generally played out, when I commenced to use Dr. David Kennedy's Favorite Remedy," writes S. I. Young, of Hiram, Ohio. "For years I have suffered with inflammation and constant pain in the bladder and kidneys, and have gradually grown worse and expected at any time that passing urine by nature's effort would cease. Besides I have had rheumatic pain in every muscle and joint, and have suffered intensely, but I must say I have not in five years felt as well as I do now. Have improved daily since I began the use of

Dr. David Kennedy's FAVORITE REMEDY

Are You Collecting Souvenir Postals?

The newest and most novel series of Souvenir Postal Cards we have seen is a set of ten we have just received from The Philadelphia Record, illustrating "The Making of a Modern Newspaper." Every subject has been carefully selected from the larger moving picture series of the same title, and the whole set makes a most unique addition to post card pictures of the better type. The subjects in their natural order are: (1) The beautiful "Record" Building, with an excellent portrait of the late Colonel William M. Singerly; (2) Printing a Newspaper in Franklin's Time; (3) a 12,000 crowd watching "The Record's" Electric Baseball Score-Board; (4) Getting News by Telegraph; (5) De Mar drawing the daily cartoon for "The Record"; (6) receiving "want ads." by telephone; (7) a section of "The Record's" Linotyping Room; (8) Stereotyping "The Record"; (9) A corner of "The Record's" Pressroom, and

(10) the favorite newspaper in the home. These cards are not only interesting, but highly educational, and with commendable patriotism they have not been made abroad, but right here at home. They are considered to be as fine examples of colored postals as have been produced in this country. To give them the widest possible circulation, "The Record" offers to mail them to any address at the nominal price of 12 cents for the complete series, and as the edition is limited, we recommend our postcard collecting readers not to miss this opportunity to add something worth while to their albums for a trifling outlay.

True Heart Disease is a Rare Thing.

The cause of your palpitation is, probably, pressure arising from gas in the stomach—that is, gastric indigestion. Y., for free sample bottle. Large bottles \$1.00, all druggists.
