Because the husks on the corn are very thin it is said that we are to have an open winter. Because the weeds are so high it is said the snows will be many and deep. Thus do the signs of the times conflict and leave the unweatherwise to abide what comes with the consciousness that whatever it may be will be best for us.

The Market street bridge across the Susquehanna at Wilkes-Barre was opened to free travel Saturday. This is the successful culmination of the efforts of the Wilkes-Barre Automobile Club to free the bridges of Luzerne county, and eliminate all toll roads. About 1,500 vehicles and some 8,000 people cross the bridge each day. Efforts are now under way to have other bridges freed.

Judge Staples thinks it is straining at gnats to send farmers to jail for snaring suckers, when great offenders go free and he refused to send a man to jail for the offense. He is opposed to the game laws and thinks they should be repealed, except the law against dynamiting streams, or forbid every one fishing for a time. We agree with Judge Staples that our game laws are unnecessary harsh, and, in some respects, foolish. Why should a man be jailed for selling fish or other game that he has taken, providing he did not take any more fish or game than the law allowed? According to our game laws no man but a sporting man can have any fish or venison. Still it is the business of a judge to enforce the law.

THE FISHERMAN'S PARADISE.

No Such Angling Sport can be Found Elsewhere in the World.

The fisherman's paradise in the United States is found at Miami, Fla. There are other tarpon grounds than Biscayne bay, but anglers who have found their way to the southernmost point of Florida year after year with flattering regularity, and some of whom have landed from five to ten huge 150 or 200 pounders in one day, contend that no such angling sport can be found elsewhere in the world, nor so many fish, as in the waters which lap the shores of the various keys which dot the bay and the Gulf Stream. There are over six hundred kinds of fish between Miami and Key West, and 150 of these are known as game fish. One of the fascinations of the gamey tarpon is that he is mysterious. He comes in schools, whence no one seems to know. He is sighted sometimes as early as January, but although he jumps and mockingly lashes his six feet or so of shining, silvery body in the eyes of the eager sportsman, he refuses to notice the most tempting bait. In February he begins to take the hook, and in this month anglers begin to arrive on the scene and to engage their boats and guides for the season.—Leslie's Weekly.

"The blood is the life." Science has never gone beyond that simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. No one can be well balanced in mind and body whose blood is impure. No one can have a wholesome and pure life unless the blood is pure. Foul blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. When the blood is pure, body and brain are alike healthy and life becomes a daily happiness.

Standing out in bold relief, all alone and a conspicuous example of open, frank and honest dealing with the sick and afflicted, Dr. Pierce prints on the bottle wrapper in plain English a full list of the ingredients. Therefore not a "patent medicine," but a medicine of known composition.

A fool and his money may be soon parted, but the supply never seems to give out.

ELY'S CREAM BALM has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine closet among the reliable household remedies, where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffling. It gives immediate relief and a day or two's treatment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of catarrh.

CURIOUS MISSOURI FARM.

No Fences Required—Wheeled Vehicle Never Upon It.

Within sight of the town of Jasper, Mo., in the Ozarks, a settler has a farm which probably is unlike any other in the world. This farm occupies the table land on the summit of a ridge and is enclosed with a fence which no animal has ever broken through. It does not rise above the surface of the farm, but falls sheer from the edge a distance of many feet. The man who homesteaded the tableland had a hard climb up the perpendicular cliff to reach the comparatively level summit.

At one point a ledge extends out a few inches and along the face of the cliff at an upward grade. By following this ledge and making use of occasional points of rocks and of shrubs growing in the fissures the discoverer pulled himself to the summit and found a surface well covered with soil and a luxuriant vegetation. Gradually he improved the ledge until he could carry up tools and seed. By blasting and drilling he cleared a narrow trail up which he was able to take first some pigs and then a cow. Later on he took up a horse.

And that to-day is the condition of the curiously protected farm. No vehicle has turned a wheel within its limits of paddocks. The live stock has multiplied and consumes the grain raised. Some stones thrown across the trail completely fence in the hogs and cattle. When the farmer has stock to sell he drives the animals down the private trail and strikes the road to Jasper.—Kansas City Star.

"LET THE PEOPLE RULE"

APPEAL TO DEMOCRATS

for Bryan and Kern Campaign Fund, from the Democratic National Committee.

To Geo. E. Elwell, Editor of the COLUMBIAN.

There are no secrets in this Campaign. Strictly practicing what he preaches, Mr. Bryan will not win victory with tainted money paying the election expenses.

Not a dollar is to be accepted which requires any promise, either express or implied, other than for HONEST, IMPARTIAL, GOVERNMENT.

Mr. Bryan will enter the White House absolutely free from entangling alliances, free to serve all classes of honest citizens alike, or he will not enter at all.

Hence the course is plain. The campaign of Bryan and Kern must be conducted by the people.

The people must pay the necessary campaign expenses if they want public servants who will serve their interests.

Special interests and favored classes, having secured "SWOLLEN FORTUNES" by purchasing favors in the past with MILLIONS CONTRIBUTED TO CONTROL ELECTIONS, stand ready to give MILLIONS MORE FOR CONTINUED FAVORS. But that class never gives a dollar unless it buys a pledge.

Mr. Bryan says from March 4th, 1909, "LET THE PEOPLE RULE."

This can come only if the people pay their own bills, and control their own elections.

"BEWARE OF THE TRUSTS BEARING GIFTS."

That policy of the favored few buying a mortgage on the Government meant that the Candidate for President knew a few people only in an entire State

Bryan says, "We will take the cause of PEOPLE'S RULE home to the people and will know people in every county."

You can serve the grand cause of popular government.

Your paper reaches the fireside of the patriot who loves his country for his country's GOOD; as distinguished from the greedy possessor of swollen fortunes who loves his country only for his country's GOODS.

Asking every one who favors Government by the people to pay you, at once, as many dollars as he can spare to aid the Campaign for BRYAN, KERN AND PEOPLE'S RULE. You forward these gifts of honest hearts and home every two weeks to the Treasurer of the Democratic National Committee, with the name of each contributor and amounts given. The Treasurer will forward you a certificate for each one, asking you to deliver these certificates.

Once more, you should be a part of the Great Organization bearing the Lamp of Light to every nook and corner of Free America.

Our Country is for the People; its Government must be by the People.

Sincerely, NORMAN E. MACK, Chairman Democratic National Com. M. C. WETMORE, Chairman Finance Committee. C. N. HASKELL, Treasurer.

SEND IN YOUR CONTRIBUTIONS.

In accordance with the above the COLUMBIAN will receive subscriptions to the Democratic National Campaign Fund and urges all loyal Democrats to send in their contributions. The COLUMBIAN will transmit them weekly to Gov. C. N. Haskell, treasurer of the Democratic National Committee, who will issue to each contributor a beautifully executed acknowledgment printed in three colors as a souvenir of their devotion to the cause of Democracy and the principles of Government by the People.

When sending in your contribution money use the accompanying remittance blank, and, unless otherwise requested, your name will be printed in THE COLUMBIAN together with the amount given.

Nothing Equals Pe-ru-na For Serious Kidney Trouble.

MR. W. F. CLOW

Kidney Affection, Asthma.

Mr. W. F. Clow, 428 E. St. Vrain St., Colorado Springs, Col., a retired real estate man, writes:

"I am a man of over seventy years and feel that I owe my present good health entirely to Peruna I began using it about a year ago for asthma and kidney trouble, and took several bottles. I have not felt better for years.

"Different members of my family have used it also, and have only words of praise to speak for Peruna."

Attributes Health to Pe-ru-na.

William Bailey, 581 E. St., N. E., Washington, D. C., Past Col. Encampment No. 69, Union Veteran Legion, and prominently identified with many of the great labor protective associations in Chicago and New York, and Secretary of one of the largest associations in the former city, had for nearly thirty years been afflicted with kidney troubles. Within a short period he has been persuaded to try Peruna, and his present healthy condition is attributed to his judicious use of that great remedy. He considers himself now quite cured and in excellent physical condition.

People Who Object to Liquid Medicines Should Buy Peruna Tablets

So Writes John N. Watkins, St. Louis, Mo.

MR. JOHN N. WATKINS.

Internal Catarrh. Mr. John N. Watkins, 3133 Shenandoah Ave., St. Louis, Mo., writes:

"Among all the gratingly advertised medicines for kidney and bladder trouble there is nothing which equals Peruna. I suffered for several years with this trouble, spent hundreds of dollars on doctors and medicine and all to no purpose, until I took Peruna.

"One bottle did me more good than all the others put together, as they only poisoned my system. Peruna cured me. I used it for four months before a complete cure was accomplished, but am truly grateful to you. The least I can do in return is to acknowledge the merits of Peruna."

"The Philadelphia Record" Actively Supports Bryan

Democracy turns naturally to "The Philadelphia Record" for such information. It is the only Democratic newspaper in Philadelphia recognized the country over as one of the leading exponents of Democratic opinion on this edge of the Continent. It is fair, though partisan; it chronicles the telling blow, no matter who is hit. Suppression and misrepresentation are weapons that have no place in its armory. "Square deal" Democrats and Republicans will find the daily budget of "The Record" essential to an intelligent understanding of the progress of a lively Presidential canvass. No newspaper ever achieved popularity on the strength of its political attitude alone. "The Philadelphia Record" is no exception to the rule. It is lifted above the common level by many distinctive features that appeal to the varied interests of every member of the household. The news—all the news—in a concise, brisk form that has come to be known, even among its contemporaries, as "Record style."

"The Philadelphia Record" will be mailed to your address at the following rates: Daily (including Sunday), per year, \$4.00; Every week day, per year, \$3.50; Sunday Record, per year, \$3.00.
