To Take the Census.

This county will have about forty-five of the 6,000 enumerators to be employed to take the census of 1910, in the State of Pennsylvania.

The work of performing the difficult task of securing the names of every man, woman and child, together with incidental data will be in charge of a supervisor who will also have jurisdiction over the census manufacturers.

Although the taking of the census will not begin until April 15, 1910, the selection of the army of enumerators is to be completed before the end of the present year. They will be made by recommendation of members of Congress, where the districts are represented by Republicans and by United States Senators in other districts. The enumerators are paid so much per capita except in districts where the enumerating is hard on account of the country being sparsely settled and travel difficult. In such cases a per diem salary is paid.

"Saona's" Subject.

Youth Who Went to Sleep Here Was Arrested By Mother—Tan Away from Home.

Harry Lewis, of Plymouth, aged 18 years, the youth who appeared in the Columbia Theatre several weeks ago, as the "subject" of Saona, the hypnotist, was arraigned before alderman Donohue at Wilkes-Barre last week for being incorrigible, the charge being preferred by his mother. The latter said her son ran away from home and became associated with "Saona," a hypnotist.

The alderman, after giving the young man a lecture, asked him if he was a true hypnotist and in order to display his agility Lewis prepared his face in such a manner as to permit his running a needle through his left cheek without drawing blood. Lewis promised to remain home and was discharged.

He is the same youth who was hypnotized and placed in the window of Townsend's clothing store

Caught Some Suckers.

The glibble people who can be defrauded out of their money by a glib scoundrel who offers to sell goods at one-half the market price do not all live in the country. The Hazleton police are on the hunt for one H. E. Happney, who went about from house to house in that city selling sugar at three cents per pound and collecting for the same in advance. He represented himself as being in the employ of W. H. Walker & Co., wholesale grocers of Pittsburg.

PERUNA HELPED US WONDERFULLY.

If the testimony of these splendid Canadian women does not convince it is difficult to imagine what would.

Such testimonials coming from all parts of the world indicate clearly upon what the popularity of Peruna depends.

Mlle. ALBINA CHAUVIN.

Heart Trouble, Headaches, Weakness.
Mlle. Albina Chauvin, No. 50 Rue Agnes, St. Henri, Montreal, Can., writes:
"I consider Peruna better than any other remedy, as it cured me when nothing else could. I suffered for years and years with heart trouble, headache and weakness. I never expected to find anything to cure me. I saw one day, in 'La Presse,' that Peruna was excellent and I tried it. One bottle produced a change in me, and if the price had been \$100 a bottle I would have paid it gladly. I have taken six bottles and am entirely cured. Please accept my thanks and best wishes for your Peruna."

A Mother's Experience.
Mrs. Samuelle Vigneau, Amherst, Isle de La Magdaline, Canada, writes:
"I write to tell you that I am perfectly well. I took only three bottles of your Peruna according to your advice and the directions in your book, and it restored my health."

"It also cured my daughter, who is seventeen years old. She took one bottle according to directions. I assure you that no doctor is equal to your book and your advice. I have recommended your remedy to a number of persons."

Serious Internal Weakness.
Mrs. William Henderson, Craik, N. W. T., Canada, writes:
"I was troubled with very serious internal weakness, which exhausted me so that I feared I would lose my mind. Peruna cured me of this trouble—no wonder I recommend it so highly."

Mrs. Fred Webber

Had Given Up All Hope.

Mrs. Fred Webber, 19 Wellington St., Brantford, Ont., Second Vice-President Woman's Industrial League, writes:
"Last fall I caught a severe cold which caused inflammation of the internal organs. I suffered excruciating pains and kept getting worse and worse until I gave up all hope."

"I made up my mind to try Peruna for two months and see what it would do for me."

"Within one month I felt much better, and at the close of the second I was like a new woman. I kept improving and finally was fully restored."

Mrs. Boyle Known.

Willie White's Abductor no Longer a Mystery.

Mrs. Boyle, the alleged wife of James H. Boyle, abductor of Willie White, is a mystery no longer. Absolute information has been found that the woman is Helen McDermott, of Chicago. Previous stories to the effect that she was a member of a prominent and wealthy family are without foundation whatever.

Attorney T. C. Cochran, of Mercer, representing the prosecution admitted without qualification that Mrs. Boyle was Helen McDermott. Her family reside in Chicago and have been prominently mentioned in connection with the case since the woman's arrest at Cleveland.

It is said that it has been the intention of the prosecution to make public Mrs. Boyle's real identity before the beginning of the trial. By doing this thereby taking away the fascinating mystery which has surrounded her, the prosecution hoped to score heavily. It is realized that the prosecution has been successful. Mrs. Boyle is not a member of a wealthy and prominent family as the public has been informed. Attorney Stranahan said that Mrs. Boyle's brother had visited her once. This was some time ago, at which time he had a lengthy talk with his sister and returned to Chicago to prepare means for her defense. Since that time funds have come from Chicago regularly to Mrs. Boyle. During the latter part of the week a deposit of \$1,000 was made in Mrs. Boyle's favor at Mercer and through statements made by attorneys the public was led to believe she was a member of a prominent family.

CALEB POWERS' LECTURE.

About one hundred people went to the Columbia Theater on Saturday night to hear Caleb Powers lecture. He was recently pardoned by the Governor of Kentucky for alleged complicity in the murder of Senator Goebel in that state in 1900. He was in prison over eight years, was tried three times, twice sentenced to imprisonment for life, and once to death, and was saved by the Court of Appeals which reversed the trial. The fourth trial resulted in the disagreement of the jury. Gov. Wilson pardoned him, saying that after an examination of the evidence he was satisfied he was innocent.

The hall was cold, and the lecture was not sufficiently exciting to warm up the audience.
