

# PE-RU-NA AS A TONIC AND BLOOD PURIFIER.

Mrs. Paul Casavant Writes From 219 Monroe Street, Topeka, Kansas, Concerning Peruna. Read Her Letter Below:

Mrs. Emily Kellogg, 5649 S. Lawrence St., South Tacoma, Wash. Gives Her Experience With Peruna. Read Her Letter Below:

## In Spring and Early Summer a Tonic is Needed.

The source of good blood is fresh air and well-digested food. If anything interferes with digestion the blood becomes impure. A catarrhal condition of the stomach prevents perfect digestion. Such a condition allows the food to ferment and decompose in various ways, instead of digesting. The blood is thus contaminated with various materials that do not belong in the blood. This gives rise to spring fever, eruptions on the skin, general lassitude and constipation. Peruna corrects all these difficulties by striking at the source of them. By eradicating the catarrhal condition of the stomach Peruna at once restores digestion, the blood is thereby purified, and the whole machinery of the body is put in working order. Peruna has probably made a more remarkable record in cases of catarrh of the stomach than any other medicine. These cases are very frequent, and we have a host of testimonials in which Peruna has received lavish praise for prompt and permanent relief in cases of catarrh of the stomach.

MRS. PAUL CASAVANT.

Mrs. Paul Casavant, 219 Monroe street, Topeka, Kansas, writes: "I have found Peruna very effective in restoring my health and strength after I had been worn out and run down for a long time. I began to use it about six months ago when I was unable to leave my bed. My nervous system was shattered and I was daily losing flesh and strength. This condition was completely altered after a few bottles of Peruna had been used and I kept on using it until I was finally restored to perfect health and had gained about fifteen pounds. "I feel so grateful for what your medicine has done for me that I am pleased to give it my hearty endorsement and shall always be glad to speak a good word for it."

### Tones up the System.

Mrs. William McRoberts, Waverly, Minn., writes: "I am perfectly well of the catarrh. I took Peruna and Manalin. I recommend your medicine to every one and cannot praise it enough. It is a fine medicine to take any season of the year. Taken in the spring it tones up the system and acts as a gentle stimulant."

### A Good Tonic.

Mr. Joe Leonard, Flat 3, 232 Allen St., Buffalo, N. Y., writes: "I have good reason to endorse Peruna as I have found it a good tonic, stimulating the system and sustaining it under great pressure, imparting unusual endurance and enabling me to work much longer and harder than the system could possibly do were it not for the great powers with which it endowed me. It gives me nerves of iron."

MR. CALEB H. BORTELL.

Mr. Caleb H. Bortell, Police Officer, 212 North Paca street, Baltimore, Md., writes: "For several years I was troubled with catarrh of the head, throat and stomach. Many times I would vomit before and after eating. "I took seven bottles of your Peruna, and I am glad to say that it has cured me. "I feel more like living and working, and am not bothered at all with my old troubles. "I take great pleasure in recommending Peruna to all sufferers with catarrh, and I thank you for what you have done for me, for none but those who have suffered as I have can appreciate a great cure as I have found Peruna to be."

### Splendid for La Grippe.

Mr. Frank H. Fielder, 218 Cassant Ave., Montgomery, Ala., formerly principal of Haynesville High School, writes: "I can truthfully say that Peruna is a splendid remedy for la grippe, and a good tonic for building up the system."

### Pain in Chest.

Mr. A. W. Gustin, 5299 Lake Ave., St. Joseph, Mo., writes: "When I began taking Peruna I had quite a severe pain and ache in the left of my chest. I suffered a great deal with it. "I wrote to Dr. Hartman and asked him what I should do. He advised my

MR. WILLIAM HOGE.

Mr. William Hoge, President Commercial Travelers Association, 280 Broadway, New York, N. Y., writes: "I endorse Peruna as the most effectual remedy for catarrh I have been able to find in my travels in this country or Europe. I can truly say that I have spent thousands of dollars in this country alone trying to find a cure, and it was not until I was induced to give Peruna a trial that I obtained anything like permanent relief. As a tonic it is simply great. It ought to be in the grip of every commercial traveler on the road. It cured my wife as well as myself. We have not had the slightest symptom of catarrh for a long time." In a later letter Mr. Hoge says: "I have used Peruna for many years, never without a bottle in my grip. I am the youngest feeling and youngest looking man of my age in New York, which I think is entirely due to Peruna."

taking Peruna, which I did. I took three bottles, and I can say I am cured. "Thanks for kind advice and Peruna."

### Hay Fever and Catarrh.

Miss Mayme E. Smith, 444 East Mound St., Columbus, Ohio, writes: "I have used Peruna for catarrh and hay fever. The results being remark-

MRS. EMILY KELLOGG

Mrs. Emily Kellogg, 5649 S. Lawrence St., S. Tacoma, Wash., member of Ladies of the Masons, writes: "Three months ago I had an attack of biliousness which threatened to undermine my health and strength. Luckily for me, I tried Peruna at the suggestion of my friends before it was too late. I found in a few days' time that I did not have the usual sick headache, neither did food nauseate me any longer. In two weeks' time Peruna had completely rid my system of the poison and bile, and I was in a much better condition. My skin assumed its normal color, I had a splendid appetite and I was in every way improved in health. I used Peruna for a month longer and it wrought a wonderful change in my entire system."

with my eyes being red and watery, and my general health was very poor. "Finally a friend advised me to try Peruna. I had tried almost everything else, so I purchased a bottle of Peruna and commenced to take it at once, and before I had finished the first bottle I found I was improving. "I wrote you for special advice concerning my eyes, which I received. I continued to take the Peruna until I had used six bottles. "Now my eyes are absolutely well, and I feel like a new man in every way. "I honestly advise any one similarly afflicted to try Peruna."

able, I can highly recommend it to all who are suffering with the above diseases. I am happy to be able to say it has helped me wonderfully."

### Eyes Red and Watery.

Mr. William S. Hearn, 1063 Segal St., Camden, N. J., writes: "For about two years I was troubled

### THE CEMETERY.

In order that all citizens may be informed that the action of the Board is only to preserve order and protect property, we beg to say: There seems to be a good deal of difficulty in getting the public to understand the law and the rights of the Rosemont Cemetery Company and of the lot owners therein. The real estate, the ground, belongs to the Cemetery Company, which holds a deed or deeds for the same, and the Cemetery Company sells it out in lots to persons who buy, for the purpose of owning and having a place to bury their dead, and delivers a deed to the purchaser. The purchaser has a right to bury his dead on his lot, and to erect a tombstone, or other proper marker for the said lot and grave. The public has no right whatever to go in and wander over the grounds and graves; the unsold ground is not its property any more than the lots sold and for which the purchasers have paid and upon which their fathers and mothers and children have been buried. The writer has seen boys ten or twelve or fifteen years old, go up to a head stone, put his hands upon the top and leap and straddle over it, alighting upon the grave with both feet, and going from that to another and repeating. To the general public, the entry and visiting the cemetery is a mere privilege and not a right, and both the lot owners and the public are bound to observe the rules and reg-

ulations of the Cemetery Company which represents the owners, and with which the public has no concern. Now observe, the managers of the Cemetery Company are always pleased to have visitors enter the grounds at proper hours and times and wander about and take note of the work and care put upon them. But neither they nor others would be allowed to break off a flower from a stalk of roses or other flowers, or a branch off of a tree upon or ornamenting a lot. That is a sort of vandalism that neither the management or the lot owners would tolerate. It is such misbehavior that makes rules and regulations necessary, and they are for protection of the grounds and the graves and monuments.

### Will Teach Penmanship.

A. B. Black, former County Commissioners' Clerk and a graduate of Michael's Art School and of the Zahnerian Penmanship college at Columbus, Ohio, has been secured as instructor in penmanship for the ensuing term of the Benton Summer School which opens Monday the 10th. Mr. Black is an expert penman and will no doubt make an excellent instructor in that department of the work.

### COURT NOTES.

Thos. Ravage got a year in the county jail for stealing a watch. This is the man who was captured by "Condy" Langdon in Connecticut. The defendant plead guilty. Judge Evans filed opinions in the following cases on Monday: Charles A. McBride vs. Frank McBride, in equity; Commonwealth vs. P. T. Groh; Overseers of the Poor of Mifflin township vs. Schuylkill County Poor District House of Employment. The Grand Jury made the following report on Monday: We, the Grand Jury of the Quarter Sessions, have examined all public buildings and find them in very good condition except the railing to the entrance of said jail, also the entrance to the cellar kitchen to the jail, which we recommend a cement bottom and railing around same; also recommend a drain to carry water from the same; also recommend the ice house on said grounds to be moved to the rear of said ground. We the Grand Jury are greatly pleased to find the jail in such grand sanitary condition on the interior. Signed: J. B. MCHENRY, Foreman. The court complimented the Jury upon the prompt manner in which their duties had been discharged. John McCarthy got three years in the penitentiary for burglary at Berwick. He was also convicted of jail breaking, but sentence was suspended on that charge. Webster Eves was appointed a director of Bloom Poor District to fill the vacancy caused by the death of Chandlee Eves. Mrs. James Boyd of Harrisburg, died in Weymouth, North Carolina, last Tuesday, from a stroke of apoplexy. Her husband is a brother of the late Mrs. William Neal. W. S. Rishton and Reber Mears served as jurors in the United States Court at Harrisburg this week, returning home on Wednesday. The jewelry store of Mrs. Martin has been moved from the Ent building to the room formerly occupied by it, below Market Square.

### Tourist Dies at Sea.

Sister of Trenton Minister Succumbs to Heart Disease. While the Rev. Dr. Isaac M. Patterson, pastor emeritus of the Walnut Avenue Presbyterian Church at Trenton, N. J. was awaiting last Saturday a reunion with his only sister, Miss Mary Patterson, of Birkenhead, England, he received a message telling him that she had died aboard ship Thursday. Miss Patterson sailed for the United States Tuesday on the steamship Caronia. She was to have spent the summer with her brother here, but was seized with heart trouble Thursday, and died a few hours later. Because of the death of Miss Patterson the wedding of Miss Eleanor Patterson, daughter of Doctor Patterson, which is to take place in the near future, will be a very quiet one. Dr. Patterson was the pastor of the Presbyterian Church of Bloomsburg for a number of years, being the predecessor of Dr. Hemingway.

### Engagement Announced.

Dr. and Mrs. A. B. Jameson of Washington, D. C., announce the engagement of their daughter, May, to Prof. William Evans Bryant, of England, now the head of the English department in the College of Languages, at Tientsin, China. Miss Jameson has just returned from Peking, where she has been residing for the last year with her brother, Mr. J. Paul Jameson, at the American legation. The marriage will take place in the early autumn, and the future home of the couple will be in Tientsin, North China. Miss Jameson is a cousin of Mrs. Harry Keller, and is well-known here. Her parents are natives of this country. Dr. Jameson is first auditor in the government Treasury Department. Mrs. Jameson is a daughter of the late Joseph W. Hendershott, deceased. ### Body Found At Selingsgrove.

Entangled in the bushes along the shore of the Susquehanna river the body of a foreigner was discovered at Selingsgrove Tuesday morning. The discovery was made by Peter Muselman, of Selingsgrove, as he was poling a flat over the river. He saw in the bush a floating object which he thought was a log. The river is high and the bushes ordinarily on shore were well under water, so that only their branches protruded. Mr. Muselman procured assistance and took the body to shore. A coroner's jury was empaneled to determine the cause of death. The man was a middle aged and heavy set foreigner. He was without a coat, but in his pockets was a gold watch and a ten cent piece. A button on his clothes showed that the suit was made in Lewisburg. He had a gold ring on his finger. There is little doubt but that the man is John Bulock, a Pole who leaped into the swollen waters of the West Branch at Milton, April 16. He acted with deliberation, taking off his coat and hat before

making the fatal plunge. The river was dragged for his body but it had evidently floated down stream as it could not be found. The man originally came from Danville where his brother lives. He had saved up a large sum of money from his earnings, which was stolen from his shack at Milton. He became melancholy and while partially under the influence of liquor leaped into the river. Eighteen Foot Flood on River. The fall of snow last week and the heavy rains following caused high water. The river Sunday was over 18 feet high. It began to rise Friday night and during Saturday and Saturday night it continued to rise at the rate of six inches an hour. During Sunday the river was higher than at any time during two years past. The river, sweeping along nearly bank full, presented a majestic sight. Very little drift wood or other objects came down with the current.
