A GREAT GAME.

Greatest Athletic Event in Central Penna, on Saturday.

The State-Bucknell game at Lewisburg, Saturday, Nov. 6, promises to be the greatest game played in Central Penna. in recent years. Bucknell has been preparing especially for this game and from ters nearly every one of their men is fit physically for this big game. State will be favorite in the betting on account of their excellent record thus far this season. It is one of the best teams State has ever had, and is much heavier than Bucknell. Bucknell has improved wonder fully in the past two weeks, and if their men play as Hoskins and Cockill have them play in daily scrimmages, this gridiron struggle will be a great contest.

TRIED REMEDY His Companion.

> Authorities believe that a solution may be reached in the mysterious shooting to death of nineteenyear-old Ira Benner, of Richfield, by the arrest of sixteen-year-old William Fisher, of West Perry township, Snyder county, and his imprisonment in the Juniata county jail in Mifflintown. Young Benner was found August 30th lying under a tree in the woods near his home, and his head was so seriously mutilated with shot that the youth died that evening without regaining consciousness. After keeping silence for several days during the coroner's investigation, Fisher is alleged to have confessed that he killed Benner and he will be tried upon a charge of manslaughter at the December court.
