HIGH SCHOOL DEBATES.

WEARING OF THE GREEN.

Second Series to be Conducted This Tag Day Netted Three Hundred and Winter, Same as Last Season.

Superintendent W. W. Evans has arranged for the second series of the inter-High School debates, which have already begun.

by large numbers. They cannot fail to prove peneficial. They are conducted under the following rules:

and collected the sum total of over three hundred and fifty dollars.

None escaped the enticing smiles of the fair maidens; none wanted rules:

widely known huckster, of Ottawa, Montour county, and Hunter Station, near Herndon, has revealed a remarkable state of affairs, says the

Only members of the High Schools in these leagues are eligible to these debates and three per-sons selected by their schoolmates shall constitute a team.

The visiting team will debate the affirmative side of the question. Each speaker will be allowed

eight minutes for the speech and eight minutes for rebuttal. If it is desired, an intermission of four lowing.

manuscript.

Debaters shall not communicate with anyone except their colleagues during the debate or intermission.

Debaters are recommended to questions.

The judges of these debates shall by the County Teachers' Associateams debating. They shall be se-lected from a list of eligible persons prepared by the Superintendent through to the cellar, which made with the assistance of the County Teachers' Association.

Judges shall inspect the notes and everything to be used by each debater and shall decide what is allowable before the debate begins.

They shall base their decision solely upon the strength of the arguments presented which are not disproved.

They shall not allow their per-sonal opinion of the question or their feeling for or against the debaters or anything whatever to in-fluence them in rendering a deci-

shall write his decision on a card, sign his name and hand it to the chairman who will announce the result of the debate.

The principal of the home team shall preside over the debate and shall see that everything possible is done to insure a perfectly fair and impartial contest. He is responsible for this and must see that all ill, which culminated in an operation of the First National Bank, are glad to see him ber twenty-ninth to December third.

A NEW INDUSTRY.

The Chamber of Commerce is striving to bring to town a new industry. If sufficient funds can be raised, a steel tool factory will be opened in the building formerly occupied by the Dillon Greenhouse Manufacturing Co., which will make a specialty of hand and circular saws.

Solicitors will canvass the town in an effort to raise twenty-five thousand dollars. Nearly five thousand dollars have already been rais-
