A BLIND MAN

Has some excuse for not reading his home paper.

Then there are others—those who are so blind that they won't see.

STATE TREASURER ELECT DEAD.

Death causes a situation for which there are no precedents in the State.

State Treasurer-elect, J. A. Stober, died suddenly at his home in Lancaster county on Monday.

He was elected at the November election, and would have entered upon his duties on May 2nd.

His death has caused a peculiar situation. Not since the adoption of the constitution in 1873 has any similar case occurred.

The question that has arisen is, how shall the vacancy be filled? Shall the Governor appoint, or does the schedule for the constitutional amendments, adopted last November, prevent an election of a State Treasurer until 1912?

The matter will be referred to the Attorney General by the Governor for decision.

Concert at Normal School.

The date of the concert of the Redpath Grand Quartette, in the Normal Auditorium, has been changed from January 21 to Tuesday evening, January 18.

The quartette is composed of Mr. Cecil James, Dr. Ion Jackson, Dr. Carl Duft, and Mr. Frederick Martin. Their supreme musical ability makes possible the rendition of a wealth of the great literature written by the master composers.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

THE COUNTY'S EXPENSES FOR 1909.

The statement of expenditures of the county, just completed by Commissioners' Clerk Smith shows a total expenditure for 1909 of \$58,014.60.

Of this amount, \$4,575.21 was the total of the prison, penitentiary and asylum bills, exclusive of the county jail bills, with the greater part of the amount going to the Danville Hospital for the Insane and the Eastern penitentiary.

Elections held in the county during the last year cost \$5,494.21, the largest amount in the county history, while assessors were paid \$4,005.92.

The court house expenses, including the salaries of the Commissioners, their clerk and janitor, as well as all repairs, gas and electric light and telephone bills, was \$7,192.78; the total expense at the jail for the year was \$3,139.57 and printing and stationery cost, \$1,224.18.

For fighting forest fires there was paid the sum of \$145.88 and \$510 was paid for the burial of soldiers and their headstones. Taxes refunded amounted to \$68.35.

The money expended was for the maintenance of the court, amounted to \$6,811.17 while Commonwealth costs approximated the figure of \$,020.47.

Second Class Mail's Cost.

Particular attention is devoted to second class mail matter in the annual report of the Third Assistant Postmaster General, made public on Tuesday.

The cost of handling second class matter per pound having been estimated, by your special committee, which has recently rendered its report, to be slightly over 9 cents per pound, based upon the special weighing of the mails in 1907, the cost of handling the above items of second class matter is approximately \$64,000,000 in excess of the revenue at 1 cent a pound (\$7,232,331.82) derived therefrom.

A detailed report is made of the issuance of postage stamps, stamped envelopes, newspaper wrappers, and postal cards. In every instance the statements show a large increase, due to the country's prosperity.

Memory by Smell. The sense of smell, though almost a lost sense with modern man, as is well known, sometimes brings back to memory the strongest visions, thoughts and impressions of the past.

The Egyptian Locust. Great success has attended the efforts of the troops and coast guards in Egypt to combat the locust plague by destroying the young insects without wings.

Nervous Prostration For Three Years

"Dr. Miles' Restorative Nerve cured me of a period of nervous prostration of over three years duration, and the Anti-Pain Pills are as necessary to us as the roof of our house. They have been household remedies with us for many years."

Much sickness is due to nervous troubles. Headache, dizziness, epilepsy and insanity are nervous troubles. Then there is a large class of disorders which arise from a weakness of the nerves of an organ or part, as weak lungs, heart, stomach, kidney, bladder, eyes, etc. Dyspepsia and indigestion are usually the result of nervous disorders.

Restorative Nerve soothes the irritated nerves, and assists the nerve cells to generate nerve force. Dr. Miles' Nerve is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.
