Rochester, N. Y. June 5, 1845. Rochester, N. Y. June 5, 1845. Sin.—Sometime last January. I was taken with a violent cold, attended with a diatressing cough, which in the course of a few days brought on a bleeding of the lungs, with much soreness of the chest, pain th the side and much soreness of the breast. After being confined to my hed for some days and getting to better, Mr. Pardke, formerly Deputy Sheriff of this county, recommended me to get a bottle of Dr. Buchan's Hungarian Balsarn of Life, lobserving that he had been similarly afflicted, and by the use of that medi-cine had been speedily and entirely cured. Limmediately got a bottle, and after using it a short time the result was as ho predicted—I got entirely after using it a short time the result was as he predicted -1 got a course and after using it a short time the result was as he predicted -1 got entirely well. From the benefit I received from the Balsam and from the universal good name it bears among my friends who have used it for diseases of the lungs and chist, I am induced to believe it to be one of the best medicines now in use for those diseases, and as such recommend it to the public.
