TWO VETERANS.—A Cincinnati paper states that a German company is forming in Dayton, Ohio, under the requisition, the captain and lieutenant of which were both veteran soldiers and were with Napoleon in his campaigns for sixteen years. They both fought in the bloody battle of Bordino near Moscow, and saw the terrible conflagration of that city. They were among the few of that mighty host which Napoleon led into Russia, who escaped death and endured the horors and hardships and dangers of that disastrous and ever memorable retreat. They are both somewhat advanced in years, but the martial fire still burns in their bosoms, and the recent proclamation of the Governor has caused them to tender their services to their adopted country in its hour of need.

LIEUT. COL. MAY.—This officer visited the French opera last evening, and was seated with Major General Lewis, in the pit, where he was soon recognized by the audience. The gallant colonel essayed to escape, but could not succeed, and made his acknowledgements amid a shower of bouquets, which were literally rained upon him from the boxes and dress circle, whilst the waving of white hankerchiefs by the ladies, and the full band playing Hail Columbia, gave great animation to the scene. We have no doubt he felt more trepidation than when he bounded over the breastwork at Resaca in face of the Mexican artillery.—*N. O. Bulletin.*

On the western praries grows a singular medicinal herb the properties of which are most mysterious. The article itself is not yet discovered to the world, and the only proof we have that such a medicinal agent does exist, is the fact that the lung disease among horses is never known in the prairie countries, and thousands of horses from the eastern states which have been driven there with diseased lungs have always been cured. It is said that all action of the lungs exist in all animals, both man and brute—and the remedy effects us in both. Dr. G. C. Vaughn claims to have discovered this singular plant, and to have combined its curative properties with his other valuable ingredients. We know in consumption his medicine is what he states it to be. See advertisement—call on agent and get pamphlet.

☞ *The Extract of Pareira, Uva Ursi, &c.*—What probably gives this medicine such a superiority over all others of its class, (for it is a powerful diuretic) is, that while it acts so minutely on the urinary passages, its real effect is imparting the action of the Stomach, as most diuretics do, it imparts tone to that organ, relieves heart burn, corrects laceration, depositions, and restores the liver to its healthy function.

See advertisement in this paper. A pamphlet of the description may be had *gratis*, of the agent.

DIED—On the 19th inst. at the residence of his son, in this borough, William Beatty, Senr. aged about 80 years.

On the 13th inst. in Mikesville, Mrs. Mary Cooper, aged 91 years.

MASS MEETING!

Hear ye! hear ye! The people of Erie, Warren and Crawford counties, are informed there will be held a Liberty Convention in a GROVE, (or should the weather prove unfavorable,) in the Concregational Meeting House at Baker Dam, Erie co. Pa. on the 4th of July next, commencing at 10 o'clock A. M. The object of the meeting is a free discussion of the subject of slavery, and the duties of the North in reference to it. The hundreds who will attend said meeting of all parties, the able speeches expected from gentlemen abroad, the tales of the abuses and wrongs of Slavery related by such as have experienced them, and the good singing expected on said occasion, will serve to render the meeting more exciting than any similar one ever held in Western Penna.

Let there be a general turn out of hearts sworn God on the altar for the warfare. Turn away to the cause of mercy and righteousness, to wide awake, and contending every inch of the ground, as brave men are falling upon the field of battle, and recruits are demanded. Then

Come one and come all,
With fairness well guided, and rebel the call."

By order of the Liberty Association of Wayne.

Wayne, May 24, 1847.

COLEMAN'S HEAVE POWDERS,

A CERTAIN CURE FOR HEAVES, AND COUGH IN HORSES.—A long familiarity with horses and personal treatment of the diseases to which they are subject have at length resulted in the discovery of this exceedingly valuable remedy for the *Heaves* and *Cough*—a disease which produces more misery and death among these noble animals than any other to which they are exposed. I have no hesitancy in saying that my Powder will effectually and thoroughly *eradicate every symptom* and *vestige* of this painful and dangerous disease if given in any reasonable length of time after it has been contracted. When you discover symptoms of *Cough* or *Heaves* in your horse, resort to this Powder without delay, use it perseveringly, and attend to the hints accompanying the directions for the treatment of the animals, and in nine cases out of ten you will find that it cures.

If any desirous of seeing certificates of cures, of them call on the agent. Price 50 cents per box. Manufactured by A. D. Coleman, New York CARTER & BROTHER, agents, Erie, Pa.

To all whom it may Concern.

DR. M'LANE'S LIVER PILLS!

MESSRS. J. KIDD, & Co.

This is to certify that my wife has been afflicted for several years, With the following pains at periods more or less:—Pain in the right side, about the edge of the ribs, extending to the right shoulder; pain in the back part of the head, and above the right eye, accompanied by weakness, loss of appetite, and almost constantly confined to her bed. Since August she has used three boxes of *"M'Lane's Liver Pills,"* and I have now to state, that by the use of these Pills, she has been benefited in no ordinary degree. Under the Providence of God she now enjoys good health, and is able to attend to the domestic concerns of my family. JAMES STEWART.

Richmond, Jefferson Co. Ohio.

STILL MORE.

MR. J. KIDD.

Dear Sir:—I call to inform you of the virtues of *"Dr. M'Lane's Liver Pills,"* in the cure of my wife, who was induced to try one box, by the use of which she felt so much relief that she procured a second: Since she has taken the second box, her health has improved so much that she is now better than she has been for several years. My neighbors have become acquainted with this fact, so that as soon as I get money I will buy them by the dozen, to supply those in my immediate neighborhood. R. COCHRAN.

DR. McLANE'S VERMIFUGE

MESSRS. J KIDD & Co. Pittsburgh, Pa.

In the month of June last, we received 6 doz. of "M'Lane's Amonia Worm Specific," all of which we have sold, and now wish a further supply as heretofore. We frequently receive packages from New York by express, and presume there would be no difficulty in forwarding by this mode to us at Rochester from Pittsburgh.

Yours truly, POST & WILLIS.

Still later from Kentucky.

DR. M'LANE'S VERMIFUGE.

PARIS, Ky., March 3, 1847.

MESSRS. J. KIDD & Co.

Gents.—In the month of July last, Mr. P. Merryweather, of Cincinnati, appointed me Agent for this place, for selling Dr. M'Lane's highly approved medicines, and the motive that prompts me, an entire stranger, to write this letter to your house, is to inform you, that the inhabitants of this town and county, generally, have given the *Vermifuge of Dr. M'Lane a fair trial in their families*, and pronounce it to be *without an exception*, the very *best Worm Medicine* ever offered to those afflicted with worms.

The high estimation in which the Vermifuge is held in this community has induced me to purchase it in future from you, or your Agent, and you will oblige me greatly by writing, per return mail, your cash price for the Vermifuge by the gross. Very respectfully yours,

J. C. SNYDER.

OPINION OF THE PEOPLE.

We give below a specimen of the many certificates handed us every day and which we presume is sufficient to convince any person of the superiority of *Dr. M'Lane's Vermifuge*, over all other so *called Vermifuges.*

This is to certify, that with Dr. M'Lane Specific, a child of mine, 2 years old, passed 86 large worms, besides a large quantity of small ones; to produce this discharge, it only required two teaspoonsful. The balance of the vial I gave to another child 8 years old, which caused a discharge of 26 large, besides a quantity of small worms.
