Something worth Knowing about.

A rarity under the head of a Patent Medicine advertisement. We ask our readers to pursue the following, knowing they will profit thereby.

Dr. McLANE'S VERMIFUGE.

A medicine which is perfectly safe, and may be given to children from tender infancy, to advanced age, lays under no restraint as to cold water, or any kind of food. Purges mildly, subduing fever; destroys and expels worms with invariable success, and is easily administered to children.

That it possesses these valuable properties is fearlessly asserted; still claiming the additional advantages of being given in small bulk, and requiring none of the drenching which Worm Tea and other supposed Vermifuges demand. During its brilliant career, it has been introduced into many families, where every other known and accessible Vermifuge had been tried without the least success, where it has promptly expelled worms to an almost incredible amount.

Hear what the Editor of the Bulletin of the Pacific, (published in Pittsburgh, Pa.) says in reference to the article.

"In looking up a few advertisements for my small sheet, the other day, I called in upon Messrs J. Kunn & Co., and remarking that I would be glad to advertise any medicine that really was essentially useful, they furnished me with their circular respecting Mr. M'Lane's Worm Specific, with the accompanying certificates. Feeling pursuaded that the certificates were genuine, I took some of the medicine home for the use of my own young family. I gave the first day a small teaspoonful to Sarah. She was wan looking and black under the eyes. She passed several worms some as large as a pipe stem. I also gave a small teaspoonful to Samuel, a little, rosy cheeked, fleshy boy, about 3 1-2 years old. But as his stomach was tympanous, i. e. he was pot-bellied, I thought he might have worms. He cried after more, which I did not see fit to give him, but upon the operation of this medicine, his mother and the neighbors were surprised at the result. He passed nearly a pint of worms, almost all as big as a common pipe stem. There was seventy in all.—I then gave some to a little boy only 2 years old, and he passed twenty five, some eight inches in length. I therefore feel clear to recommend M'Lane's Vermifuge as a specific for worms. It fairly seems death to them.

ISRAEL REES, Editor.

Dr. McLANE'S LIVER PILLS.

From the Pittsburgh Gazette.

The past summer (1846) has been a very remarkable one. Frequent and heavy rains, followed by intense and long continued heat, had the effect, in the first place, to promote a rapid growth of succulent vegetation, and in the second, to produce a rapid decomposition of vegetable matter, giving rise to much miasma and spreading sickness, disease and death, in places which had heretofore been remarkable for their salubrity.

We are credibly informed, that whole meadows on which the grass was unusually heavy, rotted to the ground and was not fit to be cut. In Indiana and Illinois, the sickness was so general, that there was not enough well persons to attend upon the sick, whose sufferings were protracted by a want of proper remedies, as well as of good nursing. Much of this suffering might have been prevented, had every family kept on hand a supply of medicines suited to counteract the effects of this miasma, with which the atmosphere at certain times is surcharged. In addition to Quinine, (which is in such general use as to need no comment,) we would strongly urge every family to keep on hand one or more boxes of "Dr. M'LANE'S LIVER PILLS."

These Pills are the prescription of an eminent Physician in Monongahia Co., Virginia, and were used by him in his private practice as a remedy in bilious complaints, for years before he thought of offering them to the public. Such, however, was the success of the Pills, and so great the number of persons benefited by them, the making of the quantity requisite to supply the increasing demand, began to interfere materially with the time required to attend to his practice. To prevent this he has made arrangements with the house of J. KIDD & Co., No. 60 Wood Street Pittsburgh, Pa., to prepare and vend them, where the genuine may be procured at all times and in any reasonable quantity.

These Pills are not recommended as a panacea for "all the ills that flesh is heir to," but in all affections of the Liver and in all bilious complaints they stand without a rival. All who have ever used them, give them the preference over all other Pills, and cannot be persuaded, to exchange these which they find by experience to be *mild, safe and effectual*, for any other, even though they may be *sugar coated*, or so drastic as to go "thro' by day light."

Prepared for the proprietor by J. KIDD & Co., Wholesale Druggist, No. 60 Wood Street, Pittsburgh, Pa., to whom all orders from a distance must be directed. Sold also by our Agents and the principal Druggists throughout the United States and Canada.

☞ N. B.—Purchasers will please be particular and enquire for *"Dr. M'Lane's Liver Pills,"* and take none else, as there are other pills now before the public, purporting to be "Liver Pills."
