DR. SMITH'S GREAT

NATIONAL PILLS.

DR G. BENJ. SMITH'S

IMPROVD INDIAN VEG·TABLE

[SUGAR COATED] PILLS

ARE the medicine for the Unit d States, and their superiority over all others for entire efficacy and pleasantness has won for them a pre eminence of fame which needs no foreign influence to perpetuate. Almost unheralded they have silently worked their way, and have gained a permanent hold on the approbation of the people which no other medicine or opposition can relax. For about four years they have triumphed over disease, and brought joy and gladness to many an anxious bosom.

THEIR PURITY,

As a medical compound, commends them to the most delicate, and even the most hardy, who have suffered from the effects of impure properties in the stomach, will at once be pleased with the delightful operation of these the a Pills. They have the rare merit of the most carefully selected ingredients, are always safe, and there can be no danger of taking them improperly at any time.

A SINGLE TRIAL

Will manifest their excellence in relieving the body of many precursors of alarming diseases, keeping the bowels gently open, thereby ensuring the continuance of health. The most eminent chemist in New York has given his certificate that these Pills are PURELY VEGETABLE, or

NATURE'S OWN REMEDY.

The great principle recognized by the inventor of this invaluable medicine is, that every part of the body, whether in health or disease, is brought under the influence of the digestive organs. This plain and rational doctrine forms the only ground on which a good family medicine can be recommended. Operating according to this principle, DR SMITH'S PILLS

STRENGTHEN THE STOMACH,

Promote the secretions of the LIVER, SKIN, and KIDNEYS, and REGULATE THE BOWELS, thereby adopting the ONLY NATURAL and consistent method of rendering the LIFE BLOOD PURE, by correcting the vitiated humors of the whole system.

It is impossible to give every particular in this brief notice; but these Pills are earnestly recommended as a means of preventing so much misery and disease, which grow out of constipation of the bowels, neglected colds slight attacks, &c, &c, and which it is in the power of ALL TO PREVENT.

These Pills do not PALLIATE, but

THEY CURE

Most all diseases of the Western Country, and in

ALL BILLIOUS DISORDERS,

They stand alone, unparalleled—THE SICK MAN'S FRIEND. Among the complaints for which these Pills are highly recommended, are the following, viz

FEVERS,	PAIN IN THE SIDE,
DYSPEPSIA,	SCROFULA.
INDIGESTION,	BAD BLOOD,
COSTIVENESS,	OBSTRUCTIONS,
HEADACHE,	FEMALE COMPLAINTS,
BAD APPETITE,	RHEUMATISM,
DIARRHŒA,	WHOOPING COUGHS,
DYSENTARY,	WEAK NERVES,
LIVER COMPLAINT,	HYSTERICS,
WORMS.	COUGHS,
HEARTBURN.	COLDS,
BILIOUS CHOLIC,	INFLUENZA,
FOUL STOMACH,	PIMPLES,
JAUNDICE,	LOW SPIRITS, &c.

By following the simple directions which accompany every box of genuine p lls, a permanent cure will be effected. Most of the HOSPITALS in New York have given these Pills the preference over more than 24 kinds that have been tested, and several HOSPITAL PHYSICIANS, in New York and elsewhere, use them in their practice.

BEWARE OF IMPOSITION,

The demand for Dr. Smith's Pills being every where great, several unprincipled persons have made Pills of the most miserable and dangerous stuff, and to palm them off for the genuine, have put on a "coating of sugar."—Therefore, beware, and always look for

THE WRITTEN SINGNATURE OF G. BENJ. SMITH.

On the bottom of every box, to counterfeit which is FORGERY. More than 1000 certificates have been received at the principal office—and the people are referred to "Smith's Herald & Gazette," where they can read of the most important cures.

We give, for want of room, but few

Dr. Smith—I am much pleased with your Ind. Vegt. Sugar Coated Pills, and use them in my family.

ED BROOKVILLE (IA) AMERICAN.

The above are only a few extracts—but we might go on and fill a whole newspaper with similar ones. These Pills are now the most popular in this country, and give the most general satisfaction.

These Pills will effectually cure COLDS in a much more pleasant way than any other remedy. For this they are warranted.

THE DANGER

Of being deceived is now apparent, as their Smith's Pills have become very popular throughout the country, imitators have sought to palm off worthless stuff with a "coating of sugar" to cover up a most dangerous compound.

Dr. C umbacker, of Wheeling, Va says that a person in that place came here losing his life from the effects of the counterfeit "Sugar Coated" Pills. Also, a gentleman in Louisville, Ky. was seized with violent vomiting after their use.

BY THE QUEEN'S PATENT.

CONSUMPTION CURED—TRIUMPHANT SUCCESS OF BUCHAN'S HUNGARIAN BALSAM OF LIFE.

THE GREAT ENGLISH REMEDY for COLDS, COUGHS, ASTHMA, and CONSUMPTION:

THE MOST CELEBRATED and INFALLIABLE remedy for Colds, Coughs, Asthma, or any form of PULMONARY CONSUMPTION, is the the HUNGARIAN BALSAM OF LIFE, discovered by Dr. Buchan of London, England, tested for upwards of seven years in Great Britain and on the Continent of Europe, and introduced into the United States under the immediate superintendence of the inventor.

The astonishing success of the Hungarian Balsam, in the cure of every form of CONSUMPTION, warrants the American Agent in soliciting for treatment the WORST POSSIBLE CASES, that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians as CONFIRMED AND INCURABLE. The Hungarian Balsam has cured, and will cure, the MOST DESPERATE OF CASES. It is no quack nostrum, but a standard English Medicine of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a *preventive medicine* in all cases of Colds, Coughs, Spitting of Blood, Pain in the Side and Chest, Irritation and soreness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emaciation and General Debility; Asthma, Influenza, Whooping Cough, and Croup.

In case of actual disease of the lungs, or seated Consumption, it is the ONLY SOURCE OF HOPE.

Sold by McDonald & Smith, sole Agent for the United Kingdom, at the Italian Ware-house, Regent st. London, in Bottles and Cases, for ships, hospitals, &c.

By Special Appointment—DAVID F. BRADLEE, 119 Court-st, Boston, Mass., sole Agent for the United States and British American Provinces.

American price $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates and other evidence, showing the unequalled merits of this Great English Remedy, may be obtained of the Agents, gratis.

None genuine, without the written signature of the American Agent, on a gold and bronze label, to counterfeit which is forgery.

AGENTS.—S. TOUSEY, Syracuse, N. Y. General Agent for New York and the western States.

READ.

From the Baptist Clergyman at Colosse, Oswego, County.

"I do hereby most cheerfully certify that I have used Dr. Buchan's Hungarian Balsam in my family with great success. My little girl, now in her seventh, year was, in the month of October, 1844, attacked with a pain in her right side, and notwithstanding we used all diligence to remove it, she continued to grow worse, and after obtaining the counsel of Dr. B—, who thought the Right Lobe of her Lungs so seriously afflicted that her recovery was exceedingly doub ful. I was induced to obtain one bottle of the Balsam and before one third of it was taken, the little suff rer resumed her plays and her cheerfulness returned, and before two bottles were used her health was considered completely restored. and to the effect of this medicine, without any hesitation, I attribute the cure.

DAVID McFARLAND.

January, 1845. Pastor of the Baptist Church in Colosse".

Testimony from Rochester.

ROCHESTER, N. Y. June 5, 1845.

SIR.—Sometime last January. I was taken with a violent cold, attended with a distressing cough, which in the course of a few days brought on a bleeding of the lungs, with much soreness of the chest, pain in the side and much soreness of the breast. After being confined to my bed for some days and getting no better, Mr. Pardke, formerly Deputy Sheriff of this county, recommended me to get a bottle of Dr. Buchan's Hungarian Balsam of Life, observing that he had been similarly afflicted and by the use of that medicine had been speedily and entirely cured. I immediately got a bottle, and after using it a short time the result was as he predicted—I got entirely well. From the benefit I received from the Balsam and from the universal good name it bears among my friends who have used it for diseases of the lungs and chest, I am induced to believe it to be one of the best medicines now in use for those diseases, and as such recommend it to the public.

W. W. SWIFT.

Remarkable cure of a Dangerous Cough.

To S. TOUSEY. CATO (Conroy, N. Y. Aug. 6, 1844.

SIR—We are entirely out of the Hungarian Balsam, having sold all you left with us, in our immediate vicinity, and in justice to the medicine must say with astonishing success. A few days since a young gentleman of this town called at our store who had been for months afflicted with a very distressing cough, and wanted a bottle of the Balsam. We told him it was of little use for him to take it or any thing else—HE MUST DIE. He took a bottle, however, and afterward had another. Yesterday he called again very much improved in appearance, and said he was rapidly gaining strength—but had it not been for the invaluable Hungarian Balsam he must have died. We want some more of the medicine directly.

Yours respectfully, INGHAM & HAVENS.

[From Esq. W. B. Fish, Canastola, N. Y., dated CANASTOTA Nov. 7, 1846]

To S. TOUSEY, Agent, &c.—Sir: Having used Dr. Buchan's Hungarian Balsam in my family with the very best success for lung complaints, and having seen it used by my friends with like success, I was induced last spring to become an Agent for the sale of the same, since which I have sold a great number of bottles, and have in almost every instance learned that it had succeeded beyond all expectation, in some cases where the patient had been by Physicians of respectability PRONOUNCED INCURABLE, and their cases hopeless, and I most cheerfully recommend it to all who are suffering with lung complaints, assuring them that in most cases they will find speedy relief. (Signed) WILLIAM E. FISK.

More Proof.

Establishing the efficacy of the Hungarian Balsam of life.

[From Deacon Lewis, of Utica, dated UTICA, February 4, 1845]

I cheerfully give my name in favor of Dr. Buchan's Hungarian Balsam of Life. Last April, my wife was attacked with a violent cough, attended with a severe and most distressing PAIN IN THE SIDE, so bad as to deprive her of rest. While in this situation, I called on Messrs. Warner & Co. for some medicine, and they recommended this Balsam. I purchased a bottle, and by the time we had used about one half of it, my wife began to get better, and after using the remainder her health was completely Restored. Since that time I have recommended the Balsam to my friends, many of whom have used it with like success. JOHN LEWIS.

(Signed) Deacon of the First Baptist Church in Utica.

Further Evidence.

[From the P. M. at Burlington Flats, Otsego Co. N. Y. dated Jan. 1845.]

I am again under the necessity of ordering a new supply of the Balsam. My wife still continues the medicine and is improving. It is doing wonders in this section. I heard of a friend 50 miles from here who was considered in a CONFIRMED CONSUMPTION. I sent him two bottles of the Balsam about two weeks since, and to-day I heard from him, and the Balsam is acting on him like a charm. A. E. ARNOLD.

(Signed)

The Messrs. Metcalf, of Geneseo, N. Y. (one of whom is a practising physician) in ordering a new supply of the Balsam, says that in some SEVERE Cases our customers complain of receiving great benefit from its use.

We think it would be an object for some of the Erie county people to forward us a few inscriptions as we have recently been informed by the Erie marble dealers in rather a bragging way, that they were sticking it to the Erie and Crawford county people good. They brag very lustily of selling to the "Dynamites" at from $2 50 to $4 per foot. FIRST APPEARANCE.

B. TOMLINSON, GEORGE KELLOGG.

THE subscribers, though some time in business, have not before found it convenient or agreeable to introduce into the papers a general advertisement. Being rather of a modest turn, they have thought summers somewhat like the manager in New York, who got upon a dry goods box in Broadway, to wait till the crowd should get by and like him, having attracted a little public notoriety, they are prepared to get down and move quietly along, and would respectfully invite the attention of the public to a choice selection of GROCERIES, interspersed with a few staple Dry Goods and other notions, just received from New York, Cincinnati, &c., which they design to sell pre ty cheap for ready pay. Please call and see at 109 French street, next door to R. O. Hulbert Esq's office, and at Smith's wet Canal Basin.

Something worth Knowing about.

A rarity under the head of a Patent Medicine advertisement. We ask our readers to pursue the following, knowing they will profit thereby.

DR. McLANE'S VERMIFUGE

Also, Liver Pills, strictly safe, and may be given to children from tender infancy, to advanced age, lays under no restrain as to cold water, or any kind of food. Purges mildly, subduing fever, destroys and expels worms with invariable success, and is easily administered to children.

That it possesses these valuable properties is fearlessly asserted; still claiming the additional advantages of being given in small bulk, and requiring none of the drenching which Worm Teas and other supposed Vermifuges demand. During its brilliant career, it has been introduced into many families, where every other known and accessible Vermifuge had been tried without the least success, where it has promptly expelled worms to an almost incredible amount.

Hear what the Editor of the Balance of the Pacific, (published in Pittsburgh, Pa.) says in reference to the article.

"In looking up a few advertisements for my small sheet, the other day, I called in upon Messrs J. KIDD & Co., and remarking that I would be glad to advertise any medicine that really was essentially useful, they furnished me with their circular respecting Mr. M'Lane's Worm Specific, with the accompanying certificates. Feeling pursuaded that the certificates were genuine, I took some of the medicine home for the use of my own young family. I gave the first day a small teaspoonful to Sarah. She was looking and black under the eyes. She passed several worms some as large as a pipe stem. I also gave a small teaspoonful to Samuel, a little more checked. Bessy boy, about 3 1 2 years old. But as his stomach was tympanous, i e he was pot bellied, I thought he might have worms. He cried after more, which I did not see fit to give him, but upon the operation of this medicine, his mother and the neighbors were surprised at the result. He passed nearly a pint of worms, almost all as big as a common pipe stem. There was seventy in all.—I then gave some to a little boy only 2 years old, and he passed twenty five, some eight inches in length. The core feel clear to recommend Mr. Lan's Vermifuge as a specific for worms. It fairly seems death to them

For sale in Pittsburgh by the proprietors.

The past summer (1846) has been a very remarkable one. Frequent and heavy rains, followed by intense and long continued heat, had the effect, in the first place, to promote a rapid growth of succulent vegetation, and in the second, to produce a rapid decomposition of vegetable matter, giving rise to much miasma and spreading sickness, disease and death, in places which had heretofore been remarkable for their salubrity.

We are credibly informed, that whole meadows on which the grass was already heavy, to cut on the ground and was not fit to be cut. In Indiana and Illinois, the sickness was so general, that there was not enough well persons to attend upon the sick, whose sufferings were protracted by a want of proper remedies, as well as of good nursing. Much of this suffering might have been prevented, had every family kept on hand a supply of medicines suited to counteract the effects of this miasma, with which the atmosphere at certain times is surcharged. In addition to Quinine, (which is in such general use as to need no comment,) we would strongly urge every family to keep on hand one or more boxes of "Dr. M'LANE'S LIVER PILLS."

These Pills are the prescription of an eminent Physician in Monongalia Co., Virginia, and we can say from personal knowledge, that they have been used by him in his private practice as a remedy in bilious complaints for years before he thought of offering them to the public. Such, however, was the success of the Pills, and so great the number of persons benefited by them, the making of the quantity requisite to supply the increasing demand began to interfere materially with the time required to attend to his practice. To prevent this he has made arrangements with the house of J. KIDD & Co., No. 69 Wood Street Pittsburgh, Pa., to prepare, and vend them, where the genuine may be procured at all times and in any reasonable quantity.

These Pills are not recommended as a panacea for "all the ills that flesh is heir to," but in all affections of the LIVER and in all bilious complaints they stand without a rival. All who have used them, give them the preference over all other Pills, and cannot be persuaded to exchange those which they find by experience to be *mild, safe and effectual*, for any others, even though they may be *sugar-coated*, or so *fashionable* as to go "out of fashion" by day light.

Prepared for the proprietor by J. KIDD & Co., Wholesale Druggist, No. 69 Wood street, Pittsburgh, Pa., to whom all orders from a distance must be directed. Sold also by on Agents and the principal Druggists throughout the United States and Canada.

N. B.—Purchasers will please be particular and enquire for "*Dr. M'Lane's Liver Pills*," and take none else, as the cheaper pills now before the public, purporting to be "Liver Pills."
