IMPROVD INDIAN VEG. TABLC.

SUGAR COATED PILLS

Are the medicine for the United States, and their of superiority over all others for centire efficacy and pleasantness has wen for them a pre eminence of fame which needs to foreign induce to perpetuate. Almost a theralded they have silently worked their way, and have gained a permanent hold on the approbation of the people which no other medicine or opposition can, rotax. For about four years they have triumphed over dicease, and brought joy and gladness to many an anxious bosom.

As a medical compound, commends them to the most delicate, and even the more hardy, who have suffered from the effects of impure proparties in the stomach, will at once be pleased with the delightful operation of these there Fills. They have the rare merit of the most carefully selected ingredients, are always safe, and there can be no danger of taking them improperly at any time.

A BINGLE TRIAL

Will manifest their excellence in relieving the body of many precursors of clarming diseases, keeping the bow els grouly open, thereby casuring the continuistics of health. The most eminent chemist in New York has given his certificate that these Pills are PURELY VEG ETABLE, or

NATURE'S OWN REMIEDY.

The great principle recognized by the inventor of this invaluable medicine is, that every part of the body, whether in health or disease, is brought under the influence of the digestive organs. This plain-alminional doctrine forms the only ground on which a good family medicine can be recommended. Operating according to this principle, DR. SMITTHEN THE STOMAOUS,

STEED NGTHEN THEE STOMAOUS,

Promote the secretions of the LIVER, SKIN, and KIDNEYS, and REGULATE THE BOWELS, thereby adopting the Only NATURAL and consistent method of rendering the LIFE BLOOD PURE, by correcting the vitiated humors of the whole system.

BEWARE OF IMPOSITION.

Sin.—Sometime last January. I was taken with a violent cold, attended with a distressing cough, which in the course of a few days brought on a bleeding of the lungs, with much soreness of the chest, pain in the side and much soreness of the breast. After being confined to my 'led for some days and getting no tetter, Mr. Pardke, formerly Dopphy Sheriff of this county, recommended me to get a bottle of Dr. Buchan's Hungarian Balsam of Life, observing that he bad been similarly afflicted, and by the use of that medicine had been speedily and entirely cured. I immediately got a bottle, and after using it a short time the result was as he predicted—I got entirely well. From the benefit I received from the Balsam, and from the universal good name it bears among my friends who have used it for diseases of the well.
