Sin.—Sometime last January. I was taken with a violent cold, attended with a distressing cough, which in the course of a few days brought on a bleeding of the lungs, with much soreness of the chest, pain in the side and much soreness of the breast. After being confined to my bed for some days and gotting no : etter, Mr. Pardke, formerly Deputy Sheriff of this county, recommended me to get a bottle of Dr. Buchan's Hungarian Balsam of Life, observing that he had been similarly afflicted, and by the use of that medi-cine had been speedily and entirely cured. I immediately got a bottle, and after using it a short time the result was as he predicted I got entirely well. From the benefit I received from the Balsam and from the universal good name it bears among my friends who have used it for diseases of the lungs and chest, I am induced to believe it to be one of the best medicines now in use for those diseases, and as such recommend it to the public.
