OR, TRASK'S MAGNETIC OINTMENT.

1438 is the first attempt to combine the ELECTRIC
or MAGNET C FUID with Powerful Vegetable Extracts in the form of an distinctinition of applied externally for the removal of disease. (The almost untimited success it thes mot with stamps it, at once the GREATEST
DISCOVERY OF THE AGE. It is constantly effecting
cures of the of the utmost importance. The most incrodulous are CONVINCED—the most faithless are compelled
to believe in the power and virtue of this great reintedy.
It is universally admitted to be THE MOST WONDIERFUL COMBINATION KNOWN to the WORLD for the
HMAEDIATE RELIEF of disease and pain.
It never fails while there remains sufficient life to restore
a natural and healthy action to the capillary vessels of the
body, and equalize the circulation of the blood. By this means
a controlling power is gained over the most madighant forms of
DISEASE which cannot be obtained from any other remedy. Such is the power of this combination that it penetrates to every portion of the human frame; every bone and
muscle, voin, nerve and ligament is scarched out and made
sensible of purifying and healing influence. Hence it
copes as readily with internal as external diseases.

Numerous instances are on record where this remedy
has restored health to patients, so near the grave that the
most powerful internal remedies fained to produce any effact. Such has frequently been the case in INFLAMATION of the BOWELS—up patient ever need die with this

DR. BINGHAM'S CERTIFICATE.

In reply to your queries with regard to the results of the Experiments. I have made with rour justly colchrated Magnetic Oinment: I can say with pleasure that I deen it was of the GREATEST DISCOVERIES OF THE AGE. It is now nearly two years since I commoneed using it in my practice, and I have tested it in cases of Inflammation, both local and general, of the most maglignant kind with universal success; even where all internal remedies failed, I have succeeded with this.

I have freated cases of inflamation of the Brain, Inflamatory Rheumatiam, and Child-bed Fevers, with perfect success; successes of Scarlet Fever, Canher Rash, and Ulcerated Throat and Luings with like success.

In the Engelmicknown as the Putrid Erysipelas, by which so many valuable lites were lost, I tested it frequently, and it never failed of effecting a speedy and certain cure.

In cases of furns, Sprains, Bruices, Frozen Limbs, &c. In cases of Auras, Sprains, Bruizes, Frozen Limbs, &c. it acts like a charm.

since their introduction by us as his agents, has far exceeded our most sangaine expectations. It is now about ten years since they were brought pefore the public. During this time hundreds of certificates have been handed us testifying to their efficacy, and stating the very great relief they had derived from the use of them? We have now in our possession many certificates from respectable per-

The liver Fills may be used when purging is simply necessary. As an antibilious purgative they are inferior to none—and in doze of 2 or 3 they give astonishing relief in SICK HEADACH—also in slight derangements of the stomach.

A CARD. THE undersigned would respectfully inform the gentlemen of Eric and vicinity, that he has opend a TAILORING SHOP on the south side of the Public Square, a few doors cast of the Eric Bank, where he will be at all times ready and happy to wait upon those who may favor him with a call in his line of business. As evidence of the surprising effects of Dr. M Lane's Worm Specific, we give the following:

On Saturday, February 7th, 1816, Mr. Jame's Richardson called at the Drug Store of J. Kidd & Co-corner of Wood and Yourth attests, Pittsburzh, Pa, and made the following statement:
