It won't go Down.

At a meeting of the people at Covington, Ky., to respond to Mr. Clay's speech and resolutions; the 3d, 3d and 6th resolutions were adopted; but the one calling upon Congress to declare the objects of the war was voted down, and the following substituted:

"That it is the duty of the Government to prosecute the war with all the vigor in our power, until Mexico tenders an honorable peace."

This looks as if the Whigs of his own Kentucky are not united in favor of his proposition. The request in his last resolution calling upon the people to hold meetings to express their opinions on the war, was evidently a feeler of public sentiment. Whatever the majority of the Whigs may do, in their blind and idolatry to the veteran standard-bearer, we are convinced that the country will repudiate his ill-timed and mischievous recommendations.

SINGULAR DECISION.—The court in Charleston has decided that an Indian, unmixed with negro blood, is a person of color, and an incompetent witness in a court of justice. Every person who is not of pure Castilian whiteness, brunnette, or dark complexioned, must be a person of color, and hence not to be placed in the witness box.

CANAL ACROSS THE PENINSULA OF FLORIDA.—The Apalachicola Advertiser contains a communication setting forth the feasibility of uniting the waters of the Gulf with those of the Atlantic. The writer says a ship canal 17 miles long, connecting the Withlacoochee river on the Gulf side, with the St. Johns, which flows into the Atlantic, will accomplish the object. The expense of such an undertaking is estimated at $500,000. There can be no question as to the advantages of such a work.

EPIDEMIC LAWS.—Dr. Nott, an eminent physician of Mobile, in a recent publication, contends that the yellow fever and other epidemic diseases, are governed by fixed laws. They have, he maintains, but a limited time allotted to them which is usually six to eight weeks. The yellow fever, he says, has ceased in New Orleans without frost, and in the tropics it follows the same law without regard to weather.

AN ELOPEMENT.—The daughter of a well known merchant in Pearl st., New York, recently eloped with a young gentleman, an artist, and well known in the literary circles of New York and Boston. The affair has excited no little sensation among what is styled the "fashionable circles." It is said to have been another exemplification of the truth of the old adage—"love laughs at locksmiths."

A HERO.—Two or three burglars broke into the store of N. S. Bradner, in Plymouth, near Detroit, Michigan, on the night of the 7th ult., and aroused the clerk, a boy of sixteen, named Eli Hendricks. Seizing a pistol and butcher knife, he made at them, one of the burglars sending a ball through his shirt as he advanced. He returned the fire with his pistol, and closed upon them with his knife, driving off the whole gang, after a desperate conflict.

SUPPOSED PIRATE OR PRIVATEER.—Capt. Paine, of the ship Wakona, arrived at New Orleans on the 15th ult., states that on the 14th October, when in sight of the Western Islands, he was in company with the brig Speedwell, off Cohasset, from Bordeaux bound to Baltimore. The next day, 15th October being sixty miles westward of Fayal, was chased by a suspicious looking top-sail schooner, showing Spanish colors, and her deck appeared to be crowded with men. The wind was blowing strong from the northeast at the time. After pursuing the Wakona for upwards of one hour, the schooner hauled her wind to the, Eastward, and gave up the chase.

☞ A merchant examining a hogshead of hardware on comparing it with the invoice, found it all right except a hammer less than the invoice.

"Och, don't be troubled my honey," said the Irish porter—"sure the nager took it out to open the hogshead with."

☞ The schooner D. D. Stanton, after buffeting the waves between this port and St. Joseph, made for Michigan city. She missed the piers and went ashore. Vessel and cargo consi lerably damaged.—*Chicago Dem., Nov.* 23.

THE ARMY.—It it understood that orders have been issued to Gen. Scott to consolidate the remants of the regiments which have been much diminished during the war, and to send home what officers can be spared to recruit their commands.

"In our country," said an Italian, "we have the ever burning Mount Vesuvius." "Have you indeed?" rejoined the American. "But please to remember that in ours we have the ever glorious Falls of Niagara, *which would put it out in five minutes.*"

A FRIGHTENED MEXICAN.—The battle of Atixco was a brilliant affair. In a letter alluding to it, a Mexican speaks of it to his father thus:

"Surely your blessing has preserved me in this conjecture, for the Americans, by their valor and discipline, are invincible, and without exaggeration the attack which they made, appeared to me the day of Judgement."

Mrs. Crawford said she wrote one line in her "Kathleen Mavourneen" for the express purpose of confounding the cockney warblers, who sing it thus. "The orn of the unter is eard on the ill," but Moore has laid the same trap in the "Woodpecker," "A art that is umble might ope for it ere."

A Democratic meeting is called at Lexington, Ky., on Saturday next, to listen to a speech from Robert M. Wickliffe, in reply to the speech of Mr. Clay, and to pass resolutions sustaining the President and the war.

☞ SECRET MALADIES.—Among the maladies to which mankind are subject, none are of more painful or troublesome cast than most of those comprised under this head. They are not merely local affections as from the names we might at first suppose them to be, but are constitutional—affecting the digestive and nervous system—leaving scarcely an organ in the whole frame unimpaired by their sympathetic agency. Nevertheless, Merchant's Extract of Buchu &c. has been eminently successful in effectually curing many and relieving a great number See advertisement.

Pekin Tea Company's Agency.
NO. 5, REED HOUSE.

IT can be no longer doubted that the establishment of the above agency in Erie, has enabled buyers to obtain tea from twenty five to thirty-three and a third per cent less than formerly, and has consequently reduced somewhat the profits of the old dealers—It's no wonder then that they wince, under it, and by raising the cry of 'humbug' endeavor to injure the credit of these Teas, but they can't do it. Spit out your venom and ill-natured whitticisms, gentlemen, they are perfectly harmless, a discerning public know full well the motives prompting you. These teas do and will sell, notwithstanding, because they are *better* and *cheaper* than can be had elsewhere, and because they are *fresh* and put up so they will *keep* fresh any length of time. Every package is warranted *full weight* exclusive of the paper and foil; these are facts and no "*thumbug*," as all who have tried the teas know! and those that have not may. Buyers will please not confound names. The only place in Erie where the Pekin Company's teas can be had, is at No 5, Reed House, of

☞ Scarcely a Packet vessel of any reputation sails from the port of New York, without an abundant supply of the SICK MAN'S NEVER FAILING FRIEND.—

☞ Agencies have been established in all the principal cities of the Union, and applications are constantly reaching us from almost numberless villages in every section of the country. Testimonials of their marvellous effects are pouring in from all quarters—but in such numbers that we have not time to read one-half of them. What stronger or more conclusive evidence than these important facts can the most skeptical desire? Is it possible that the many thousands who have tried CLICKNER'S PILLS can be deceived in their results? If any imposition or quackery existed, would it not long ago have been held up as it should be, to the scorn and derision of a justly offended community.

Remember Dr. C. V. Clickner is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of, until he introduced them in June 1843. Purchasers should, therefore, always ask for Clickner's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

SILENCE
THAT
DREADFUL
COUGH! THE
LUNGS ARE IN DANGER, THE WORK OF THE
DESTROYER HAS BEEN BEGUN,
THE COUGH OF CONSUMPTION HATH IN IT A SOUND OF DEATH.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future your hectic cough and feeble limb, tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs; it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H. Attree, Esq. was given up by Dr. Newell of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Hoit of N. York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Bull's *Ferry*, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 28 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing.—The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. Beals gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie street suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine.—This indeed is the great remedy for Coughs, Colds, Spiting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Price 25 cents and $1 per bottle.

Dr. Sherman's Office is at No 100 Nassau street, N. Y.

Sold by the following duly appointed Agents: O. D. Spafford, Erie; Wm. Judson & Co. Waterford; Ross & Morgan, Cambridge; J. Tracy, Fairview; John M'Clure, Girard; W. H. Townsend, Springfield.

COUGH LOZENCES.—These Lozenges are a safe most sure and effectual remedy for coughs, and colds, tightness of the lungs or chest, &c.

WORM LOZENGES.—These worm Lozenges have been proved in more than 1,400,000 cases to be the infallible; the only certain worm destroying medicine ever discovered. It was reserved for Dr Sherman to invent a medicine to destroy worms that children would take.—Children will take these Lozenges and cry for more.

CAMPHOR LOZENGES, celebrated for giving almost immediate relief in nervous and sick headache, palpitation of the heart, lowness of spirits, &c

DR. SHERMAN'S TOOTH PASTE.—A premium Dentrifice, the best article known for cleaning and whitening the teeth, strengthening she gums, sweetening the breath.
