restoring the constitution repaired, and health restored by the use of Dr. Swayne's Compound Syrup of Wild Cherry. How many sufferers do we daily behold around us, unhumely snatched, in the bloom and prime of life, from the embraces of friends and relatives and friends, afflicted with that fell fiend, Consumption, which wastes the unwary victim to a skeleton, and finally hurries him to the grave! If this be beyond the power of human skill, Dr. Swayne's sufferers would be make the trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves rapidly on the road to health, long before the usual time when consumption would have progressed to a fatal termination. In the second stage of Consumption, when the patient will soon find it impossible to expectorate, and the lungs, overloaded with mucus, refuse to perform their office, the use of this medicine will be found to relieve the oppressed lungs, stopping the cough, and the patient will soon find himself in the enjoyment of perfect health. The following certificate will show that Dr. Swayne is a regular graduate of medicine, who has had years of experience in the Lungs, Chest, &c. The original and only genuine is only prepared by Dr. Swayne N. W. corner of Eighth and Race streets, Philadelphia.

Dr. Swayne's Compound Syrup of Wild Cherry is put up in square bottles, enclosed with a handsome steel plate, bearing the signature of Dr H Swayne, and the name of the principal towns throughout the United States.

STRANGE FACTS.

FOR it is fairly and fully established, that Teeth can be extracted without pain or knowledge to the patient, by inhaling the Chloroform. It is pleasant and agreeable to the taste, in no way injurious to the nervous system and positively does not leave any effect that can be felt, after the first and immediate effect has passed off. The Chloroform has been procured by Elliott & Rose, for the accommodation of those whose fear and nervous debility and irritation, prevents them from getting rid of that most distressing of all pains—the tooth ache; also, for the removal of all dead and carious fangs. Under the influence of this (Chloroform) it can be done without pain or inconvenience to the patient. A number in this place who have tried it can testify to this fact. It is being extensively used in all the eastern cities, by Surgeons and Dentists, and with good effect. You that have need of an operation come and try it, and when tried you will acknowledge it to be all that is here represented. E. & R. also perform all other operations that belong to the Surgeon or Mechanical Dentist.—The latest and best improved teeth inserted on the most approved plan. Also, a new and superior plan of inserting pivot teeth; also, everything that is necessary for the preservation of the teeth in beauty and soundness, and heal the gums, sweeten the breath, &c. Residence and Office on Eighth st., near French. Your patronage is respectfully solicited by ELLIOTT & ROSE.

P. S.—Persons can be waited upon at their residence, if wished by directing to Elliott & Rose.

NOTE.—The balances reported due from John Dunn and David M'Creary, Collectors of Millcreek township for the years 1846 and 1847, are made up of County and State taxes on a portion of the Academy land situated in that township, some of the Tenants in possession resisting the payment of taxes on said land, alledging that the Academy tract is not subject to assessment of taxes by law, and to test that question, a suit is now pending in the Court of Common Pleas of Erie county, consequently the aforesaid Collectors cannot close their Dublicate until that question is determined.

Greatest Medicine of the Age.
STANTON'S EXTERNAL REMEDY.

HUNT'S LINIMENT.—Has received the above title from thousands who have benefitted by its use. Its operation is wonderful.—Never failing to give immediate relief, and permanently curing the diseases for which it is recommended. For the last year I have placed before the public testimony of undoubted character from many persons well known throughout the county of Westchester, where the great reputation of this Medicine was first established. During the past year I have received from all parts of the country a mass of evidence of the great value of this celebrated remedy sufficient to fill volumes, of which I have selected a few certificates. For the following diseases Hunt's Liniment is a certain, safe and speedy cure.

Rheumatism, Spinal affection, Weakness and pains in the back and chest, contractions of the muscles, sore throat, quincy, issues, ulcers, ague in the breast and face, tooth ache, sprains, bruises, salt Rheum, burns scrouds, frosted feet, bunions, corns, and all diseased of the Nerves. As a strengthner of the Nervous System it exceeds all the plasters and medicines in the world. It is only necessary to try it to be convinced that it will do all that the proprietor professes. Its reputation is constantly increasing, and in every instance where it has been used it is always kept as a necessary Family Medicine. Read the evidence from abroad:

More Proofs.

"THE CRY IS STILL, THEY COME." EVERY mail brings tidings of their success, from east to the remotest west—from Canada on the north and Mexico and the West Indies on the south—all are unanimous in their praise. Of a medicine so universally known and so esteemed as WRIGHT'S INDIAN VEGETABLE PILLS, it is hardly necessary to speak in detail. At no period of its history has the reputation of the medicine stood higher, and we may say that no reputation is likely to be more enduring. Adapted to all constitutions, to every form of disease, and to all climates, Wright's Indian Vegetable Pills are above every other medicine, fitted for the use of man under whatever circumstances he may be placed. At sea or on land, at home, or abroad, in summer's heat and winter's cold, with a common regard to the conditions of health, and with Wright's Indian Vegetable Pills at hand, there is no excuse for being sick, unless the constitution be utterly irreclaimable.

[Extract of a Letter from Hernando, Miss.]

To Dr. W. Wright. Your pills have given universal satisfaction, and justly very popular. I can sell from 30 to 40 dozen annually, if I could be supplied. Yours,

WM HENRY JOHNSON, Agent.

[Extract of a Letter from Jersey Shore, Penn.]

"Wright's Indian Vegetable Pills excel every thing of the kind ever offered to the public in this section of the country, notwithstanding the combined efforts of a few unprincipled mercenaries to put them down. S WINCHESTER & SON."

[From Mrs. Martinsville, Va.]

"I have used Wright's Indian Vegetable Pills in my family, and I found them to be the best medicine I have ever used. I wish to become an agent for the sale of them in this place.

JAMES McCLURE, P. M."

[From Greensboro', Ia.]

"Some time since, my agent left with me six dozen Wright's Indian Vegetable Pills to sell.—They were soon all gone, and more wanting. There is much call for them. * * * I believe the pills are very good.

SETH HENSHAW."

[From Amanda, Ohio.]

"Apprehending that I shall be out of your valuable Indian Vegetable Pills before your agent will go through this region to supply me, I beg you to forward me a quantity, in some way or another.

The pills are doing here admirably well in spite of the opposition of some would be doctors who have ever ed all their influence to prevent people from buying them; and if I have a continued supply I shall be able to sell many of them.

Yours, JOHN H FANDERMAN."

[From Sea View Va.]

"I have nearly got through with the pills you left and sent me, and I think I could, in a short time, sell six or eight dozen more. The quicker I get them, the more I shall sell, as the sickly season is raging here considerably, and your pills are liked and approved of generally more than any medicine we have had among us in some time. In fact, *I do not know of a single instance where they have been tried and d approved of*—Some of the physicians
