DR. BINGHAM'S CERTIFICATE.

In reply, to your queries with your justly celebrated Magne, ic Olatmont: I can say with pleasure, that I down it one of the GREATEST DISCOVERIES of THE-AGE. It is now nearly two years since I commenced using it in my practice, and I have tested it in cases of Inflammation, both local and general, of the most maglignant kind with universal success; even where all internal remedies failed, I have succeeded with this.

I have treated cases of Inflamation of the Brein, Inflamation of the Lungs, Inflamation of the Brein, Inflamation of the Lungs, Inflamation of the Brein, Inflamation of the Lungs, Inflamation of the Bowels, Indumnatory Rhomatism, and Child Ird Pevers, with perfect success; also cases of Scarlet Fever, Canker Rish, and Ulcerated I broat and Lungs with like success.

In the Epidemic known as the Putric Erysipelas, by which so mány valuable lives were lost, I testel it frequently, and it never failed of effecting a speedy and certain cure. quently, and it never failed of effecting a speedy and cer-tain cure.

In cases of Burns, Sprains, Bruizes, Frozen Limbs, &c. it acts like a charm.

No Physician or Family will he a single day without this Modelene, after becoming acquainted with it power to cure.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excel-lent medicine. They were afflicted very severe-ly with bad sores, have taken only four bottles; it took them away, for which I feel myself under

deep obligation. Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st. New York, March 1, 1847.

CAUTION. Owing to the great success and immense sale of Dr. Townsend's Saraaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla, Elixirs, Bitters, Sec. &c. — They generally put it up in the same shaped hottles, claiming that theirs is far superior and four times stronger than Dr. Townsend's, &c., hoping thereby to deceive the public. Some of these un, principled men publish counterfeit certificates; others have induced their brothers and otheres in terested persons to allow the use of their names, to which they put Esquire, to give them respectability. One make sa medicine, and puls it with respectable names procured by using Dr. Townsend's Sarsaparilla, publishes them as cured by his stuff. He also publishes the certificate of a person who styles himself an M. D. who mends, &c. These and a great variety of other tricks are performed by these men, to sell their trash,—The public should be on their guard, and look out

for counterfeits.
