CONSUMPTION CURED. Cleanse and Strehgthen. - Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catanth, Coughs, Ashma, Spitting of Blood, Soreness in the Chest, Hectic flush, Night sweats, Difficult or profuse Expec

cough much bad matter, and for the last nine months previous to using year Sarsaparila, had regular night sweats; indeed, my friends and my-self supposed that I would die with the consumption; but I have the happines to inform you that to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 26 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name, in the papers, if you choose.

My little girl, who is three years old; had a very bad cough the whole of last Winter. While using the medicine, I gave her some of it; and it

using the medicine, I gave her some of it; and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I eyer saw. She was also full of little blotches; it took them away and her skin is smooth and fair now; and I am satisfied she recovored her health from S. W. CONANT.

GIRLS, READ THIS-You who have pale complexions, dull cyes, slotches on the face, rough skin, are "out of Spirs," use a bottle or two of the Dr. Townsend's Sarshparilla. It will cleanse your blood, remove the freekles and blotches, and give you anima-tion, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value

to unmarried ladies. TO MOTHERS & MARRIED LADIES. This Ex ract of Sarsaparilla has been express ly prepared in reference to female complaints. -No temule who has reason to suppose she is ap proaching that critical period: "the turn of life," hould neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which fimales are subject at this time of life. This, period may be delayed several

which women are subject.
It braces the whole system, renews permanenty the natural energies—by removing the impuriies of the body-not so far stimulating, the sysem as to produce a subsequent relaxation which is the case of most medicines taken for female veakness and disease.

SCROFULA CURED. This certificate conclusively proves that this Sarsaparilla has perfect control over the most ob-ctinate diseases of the blood. Three persons

cured in one house is unprecedented.
THREE CHILDREN. Dr. Townsend-Dear Sir. I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excel-lent medicine. They were ufflicted very severey with bad sores, have taken only four bottles; took them away, for which I feel myself under deep obligation.

Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st. New York, March 1, 1847.

Owing to the great success and immense sale of Dr. Townsend's Sársaparilla. a number of men the were formerly our Agents, have commenced making Sarsaparilla, Elixirs, Bitters, &c. &c. They generally put it up in the same shaped bot-tles, claiming that theirs is far superior and four times stronger than Dr. Townsend's, &c., hoping, thereby to deceive the public. Some of these un-principled men publish counterfeit certificates; others have induced their brothers and otheres interested persons to allow the use of their name o which they put Esquire, to give them respect ability. One make sa medicine, and puffs it with respectable names procured by using Dr. Townsend's Sarsaparilla, publishes them as cured b his stuff. He also publishes the certificate of nis stult. He also publishes the certificate of a person who styles himself an M. D., who mends, hoes, digs Wells, and doctors horses by turns for a livelihood. They also published certificates signed by ficticious names stating they have used Or. Townsend's Sarsaparilla, and that it injured them &c. These and a great variety of other tricks are performed by these men, to sell their trash.—The public should be on their guard, and look out for counterfeits.

METCALF'S, No. 1, Reed House. Sept. 23, 1847. The Question Settled!

WHILE various speculations have for some time absorbed the public mind in relation to the cause of so much dark weather, it has recently been discovered that it is the effect of such immense piles of Goods (on paper) as have been heralded forth by all the public newspapers of the place, since the return of a few of our merchants from New York, Boston and Philadelphia. Be lieving this to be the case, and knowing that the notice of our Stock would most likely produce total darkness, we have until now, delerred any notice of it, and in doing so we would ask the good citizens of Eric and Vicinity to bear with us. i another digit of the Sun's disc be intruded upon by our piles of New Goods, and console them-selves while carrying off the precious parcels, that as the pile grows less the darkness gradually re-
