A PICTURE OF RUM.

The city editor of the New York Tribune, thus shows? up the revolting features of the liquor groceries, which in all cities breed so much of moral and physical death. as it is also the fruitful mother of so much of the pauperism which has already become a burdensome cvil to the 2,147. The counties above are about one-fifth of the moral and industrious citizen. The liquor groceries un. State. doubtedly do more to inequalize taxation than any other cause. If a man who sold liquor had to support every super that could be traced home to these sinks of rotchedness, there would be less of these resorts to empt the poor.

"But we have not yet completed our description of the Liquor Groceries. As soon as the shutters are closed at ight upon the scenes we have been depicting, another class of operations commences. The cabman, the pri-rate groom, the colored steward, the incipient pickpockb'hoy, drop in, one after another, and soon a little knot is formed round the counter. A pack of greasy ten 711. canls is produced-the sixpences tinkle-the eyes of the host and banker glisten with the shine of his anticipated gains, a game of sixpeny vignt-et-un or penny poker commences, and every heart is absorbed in the one worst, goet Gendish passion of the human soul. Thus all night The Legislature stands, Senate, whig 13, democrat 5; goet upnush passion of the montaneous and then by a House, whig 38, democrat 18. Whig majority on join choice wrig at the "poney" (all at the expense of the benerolent and lord!) unless some member of the pargets unusually boozy or excited with his losses, and eaks up the concern in a grand row. Then enter the 314. her officers-"Walk is gentlemen and take a drink!' ad the offenders are dragged off to the tombs and duly and the offenders are dragged off to ine tomos and and reported against in the mersing by the order-loving offi-rens, while the landlord sweeps off the money with a chuckle and a wilk-sande shis sugar, waters his run the every given. and moistens his tobacco-and after a short prayer,

------wraps she drapery of his couch

About him and lies down to pleasant dreams!" The Liquer Grocery would not be complete, in its demig and demoralizing power, without the presence ad assistance of those wretched female outcasts whose eath is pollution and whose touch loprosy. Accordingr, as soon as night sets in, the groceries in certain quar en of the city begin to be hannted by these wretched be ags, who fortify themselves with alcohol for their nightseenpation. It is difficult to imagine a more alling spectacle than the interior of ano of these dark addingy establishments with a group of gorgeously based women drinking and blopheming round the unter. When you remember what an Angel of puriand roodness women ought to be, and then behold the rené before you, the power of contrast is exhausted-Heaven and Hell are as it were spread out to view.

A POWERFUL MORAL .-- The Journal of Commerce ars that a five dollar bill, of the Fulton Bank, passed | brough their hands, on the back of which was written u follows:

TESTED BY THOUSA DS.

TEISTED BY THOUSA DS. WRIGHT'S INDIAN VEGETABLE PILLS. SCARCELY have ten short years elapsed since an humble at Signapt was made to combine, in a suitable medical preparation a few of the herbs of the Indian. All was dark at the time as to the result. The most that could be estimated was, that the princi-ples adopted as the basis to build upon were sound. So much re-liance was placed upon calomel and the huncet, that the ill success of the new experiment would have tended to confirm that reh-ance, while it shock the purpose of the projector. Now, however, all doubt and difficility is att an end. Every-where this medicine has beer greeted with welcome ; everywhere has its use been attended with the most gratifying success. From small be annings, its sales are now counted by millions? and it is held in the estimation at the precent time than when it was origin by introduced.

Cure of Fever and Ague.

Guro of Fovor and Ague. Rasselt ille Putnam Co. Ia., July 17, 1817, 4 r. Wright-Some time since, your agent left me a supply of ur Indian Vegetable Pills. I have found said pills to be in grean enand talely for the cure of Fever and Ague. Mr. James Boyd ins a son who has been Inili op with Fever and Ague, and had tried various other remedies, all of which proved of no avail.— He determined to try your Indian Vegetable Fills, and by using one box is now sound and well. Mr. T. Spencer had a daughter. Mr. H. Groves a son, and Mr. C. Nichols and three of his family were all down at the same time with Fever and Ague, and had also tried the various other remedies without effect. Your Indian Vegetable Fillssoon restored them all to perfect health. I can Vegetable Pills soon restored them all to perfect health. I can assure you from what I have seen, your Indian Vegetable Pills may be relied on for a perfect cure of Fever and Agne. Xours, respectivily, JACOB DURHAM, P- M.
