No. 1. The following letter is from Mr. Alonzo D. Felter, of Kingston, N. Y. a gentleman of high respectability and influence. KINGSTON, Ulster Co., N. Y., Jan. 24, 1848

KINGYROY, Ulster Co., N. Y., Jan. 24, 1848 To Dr A. H. CHMISHI-About the first of November last I called at your office and purchased one of your Galvanic Belts, and I am imppy to my that it has made a new man of me. For years i have been troubled with RUCUNATION, Acty severe, and a general weak-ness of the whole system, and very mercons, with pain in the head, so severe that I would have to take to my bed three or four times a day. My fitneds are astonished at the per-fect and wonderful cure wrought on me. I mover was better in my life than now, and I know that this is altogether owing to your GALVANCE BELT; for I had had the best physicians, and had thred every thing previous to using it, without effect. Very respectfully, ALONZO D. FELTER.

Very respectivity. ALUNZO D. FRETER. (57) In consequence of the henefits experienced by himself, Mr 1-94,52,8 produced a number of the OALVANIC BELTS and having disposed of them among his fillends, thus writes No. 2. KINGSTON, May 6, 1949. Mr Dayn Doctor.

No. 2. KINGSTON, May 6, 1949. Mr Dr. vn Docton, You ask me to give you an account of the success of your GALVANIC BELTS in this region. I can truly say that they continue to do wonders ; hundreds wear them, and L do not. know of a solitary case of failure in their use. I sold a Belt and the Magnetic Fluid to a lady here some weeks since. She had a complecation of nervous disorders, and was very low. Dr Nelson attended her, but did her no good; and the Docton blew out considerably when she got the belt, and reficeled it; but the lady used the Birth and was very liss Dactor had the Dy spreja for a great while, and could not care himself, but gets this tody's Belt, wishes it kept a getterday he called on me and got one for his wite.
