O. SPAFFORD.

For the Removal and Permanent Cure of all NERVOUS DISEASES.

And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the edge.

Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID, is used with the most perfect and certain success in all GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS AND PALSY, Dyspepsia or Indigestion, RHEUMATISM, Acute and Chronic, GOUT, EPI-LEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEAY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint, BPINAL COMPLAINT, and CURVATURE of the SPINE, MIP COMPLAINT, DISKASSES of the RIDNEYS, DEFICIENCY OF NERV-OUS AND PHYSICAL ENERGY,

and all Nervous Diseases,

which complaints arise from one simple cause, namely, A Derangement of the Nervous System. A Derangement of the Nervous System.

60- In NERVOUS COMPLAINTS, Drugs and Modicines increase the disease, for they weaken the vital energies of the already prostured system; winds under the strengthening, life-giving vitalizing influence of Galvanism, as applied by this beautiful and wondertal discovery, the exhausted patient and weakened sufforcy is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Curatives, consist, in the fact that they arrest and care disease by outourd application, in place of the usual mode of druggingand physicking the patient, till exhausted Nature sinks hopeleastly the dreat inflaction.

They strengthen the whole system, equalize the circulation
of the blood, promote the secretions, and never do the slightest
rajury profer any circumstances. Since their introduction in
the United States, only three years since, more than

60,000 Persons including all ages, classes and conditions, among which were a large number of Jahres, who are peculiarly subject to Nersous templaints, have been

ENTIRELY AND PERMANENTLY OURED, when all hope of relief had been given up, and every thing else been tried in van!

To illustrate the use of the GALVANIC BELT, suppose the case of a person allieted with that bane of civilization, DYSPI-SCA, or any other Chenac or Nervous-Bisorder. In ordinary cases, stimulants are taken which, by their action on the nerves and muscles of the stomech, allied temporary relief, but which lear the patient in a lower vite, and with injured faculties; after the action thus excited has ceased Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the Belt abound the body, using the Magnetic Fluid as directed. In a short period the intensible perspiration will act on the positive clement of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back Syam to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPECSIA are PERMANENTLY CURED A FEW DAYS IS OFFEN AMPLY SUFFICIENT TO ERADICATE FIRE DISEASE OF YEARS

Da. Townstade Dear Sir: Nearly twenty years ago I took a violent cold which settled on my lungs, and alleved severely; indeed, finally it became a constant backing rough, but not so severe as to provent use from attending to my busines. Within the last few years it increased on me gradually. At last I became reduced—I breathed with difficulty, and caused with my Cough much bad matter, and for the last nine months previous to my using your Sarsaparilla, had regular night sweats: indeed, my friends and myself supposed that I would die with the consumption; but I have the happiness to inform yon that to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It releved me gradually, and I am enjoying letter health than I have for 26 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old; had a very had cough the whole of last Winter. While using the medicine figure her some of it; and it soon entirely relieved her, in well as myself, and she is now well and hearty ms any child I ever saw. She has a sloofflid of little blotches; it took them away and her skin is sudouth and fatt now; and I am satisfied she recovered her health frequency or excellent medicine.

now; and I am satisfied she recovered her health from using your excellent medicine. S. W. CONANT. GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, are "out of Spirus," use a bottle or two of the Doctor fownsend's Sarsapardia. It will cleanee your blood, remove the freekles and blotches, and give you animation, sparkling eyes, thus pairins, and beautiful complexion—all of which are of humanse salue to unmarried ladies.

TO MOTHERS & MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching filled editical, period, whe turn of life," chould neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females, are subject at this time of life. This period may be delayed several years by using this medicine. Not is it less valuable for those approaching womanhood, as it is calculated to assist nature, by quickening the biood and invigorating the system. Indeed this neidicine is invaluable for all the diseases to which women are subject. It braces the whole system, renewe/permanently the natural energies—by removing the imploities of the body—not so far stimu-fating the system as to produce a subsequent relaxation which is the case of most medicines taken for tennile weakness and disease.

SCROFULA CURED

This certificate conclusively proves that this Sar-aparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. Toursend—Dear Sir. I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afficied very severely with bad sores, have taken only four bottles: it took them away, for which I feel myself under deep obligation.
