For the Removal and Permanent Cure of all NERVOUS DISEASES,

And of these Complaints which are caused by an impaired, weakened or unhealthy condition of the NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MACALTISM, has been pronounced by distinguished physiciaus, both in througe and the United States, to be the most reluable medicinal dis-

MAGNETIC FLUID,

GENERAL DEBILITY, trengthening the weakened body, giving tone to the various gans, and majorating the entire system. Also in FRTS, CRAMP, PARALYSIS AND PAUSY, Dyspensia or Indigestion,

Liver Complaint, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERV-OUS AND PHYSICAL ENERGY,

A Derangement of the Nervous System. 60 In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the tital energies of the already protracted system; while under the strengthening, life-fitting, vitalizing influence of Galvanian, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to foreier health, strength, elasticity and vigor.

Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest and cure disease by out used application, in place of the usual mode of daugging and physicking the patient, till exhausted Nature sinks hope lessly under the infliction

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nerveus Complaints, have been ENTIRELY AND PERMANENTLY CURED,

ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSFETSIA, or any other Chrynic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles, of the stomach, aftor temporary relief, but which leave the patient in a lower state, and with injured faculties; after the action thus excited has ceared. Now compare this with the effect rerulting from the application of the GALVANIC, EELT Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the lieft around the body, using the Magnetic Fluid as directed. In a short period the invanishle perspiration will act on the positive element of the Belt thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the bystem. Thus the most revere cases of DYSPEPSIA are FERMANENTLY CURED. A FEW DAYS IS OFTEN AMILY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

RHEUMATISM AND DYSPEPSIA. Seven Cases Cured!!! In one Village.

KINGSTON, Ulster Co., N. Y., Jan. 24, 1848
TO Dr. A. H. CHRISTIL.

About the first of November last I called at your office and purchased one of your Galvanic Belts, and I am happy to say that it has made a new man of me. For years I have been troubled with Ringst hartery, very severe, and a general weak sess of the whole system, and very nerious, with pain in the head, so severe that I would have to take to my bed three or four times a day. My friends are assumished at the perfect and wonderful cure wrought on me. I never was better in my life than now, and I know that this is altogether owing to your GALDYANIC BELT, for I had had the best physicians, and had tried every thing previous to using it, without effect.

Very respectfully, ALONZO D. FELTER. [37- In consequence of the benefits experienced by himself, Mr. Franks produced a number of the GALVANIC DELI'S, and having disposed of them among his friends, thus writes:

My Dear Doctor,

No. 2.

My Dear Doctor,

You ask me to give you an account of the success of your GALVANIC BELLS in this region. I can truly say that they continue to do wonders; flundireds wear them, and I do not know of a solitary case of failure in their use. I sold a Belt and the Magnetic Fluid to a laby here some weeks succe. She had a complication of nervous disorders, and was very low. Dr Nelson attended her, but did her no good; and the Doctor blew out considerably when she got the belt, and radiculed it; but the ledy used the Belt and was cased. Now this Doctor had the Dy spepsia for a great while, and could not cure himself, but gets this lady's Belt, wishes it kept a secret, puts, it on himself, and it did him so much good, that yesterday he called on me and got one for his wife.

Miss Vandemar, of this town, lay all winter with the Rheumanism. She got to be perfectly helpless. Every one who saw her said she could not live. She sent for a CALLVANIC BELT—put it on—used the Fluid freely, and in LIGHT DAYS BIE WENT OF THE OFFICE WHEEL TO BE MARKED MEXT WEEK! The Doctor who attended Miss V, hooted at the lielt, but now says there is centainly a remarkable curative power in your Belts.

Mr. John Eman, merchant of this place, was reduced to a mere skeleton, by Dyspepsia and general chronic directe; have for a William of the lielt, but now says there is centainly a remarkable curative power in your Belts.

No. 4.

Mr. John Eman, merchant of this place, was reduced to a mere skeleton, by Dyspepsia and general chronic directe; have for thirty years. He tells me that he could not est any thing without its rising on his stomach; he was very much emacised and looked miserable; but he purchased a Belt from me, and after wearing it 3 or 4 weeks, he drove up to the door and said he had come to hand me for selling him Conni-rir's Brit, as it had nade a well men of him. He says that he now cats and digests perfectly, and that he is as hearty as any of his neighbors. He isbout 60 years of oge.

Mr. Wood, of M

about attending to his business. He says it is the greatest thing on earth.

The wife of Mr. Joseph King, of Kingston, has been complaining of lassitude and general weakness for several years, and also troubled with indigestion. She got the Belt and Iluid, and Mr. Ring told me this day, that his wife was like another wennen, it had done her so much good. I could give you a great many more cases, equally successful, but I suppose these will be sufficient. I may say that I never was engaged in any business that has been so fortunate and satisfactory to all concerned.

Very truly yours, ALONZO D. FELTER.

WRIGHT'S INDIAN VEGETABLE PILLS.

CARCELY have ten short years elapsed since an humble at tempt was made to combine, in a suitable medical preparation a few of the herbs of the Indian. All was dark at the time as to the result. The most that could be estimated was, that the principles adopted as the basis to build upon were sound. So much reliance was placed upon calomel and the lancet, that the ill success of the new experiment would have tended to confirm that, reli-

nnce, while it shook the purposes, the eportetor. Now, however, all doubt and difficulty is at an end. Everywhere this medicine has been greeted with welcome; everywhere has its use been attended with the most gratifying success. From small beginnings, its sales are now counted by millions; and it is held in 'agher estimation at the present time than when it was origin ly introduced.

Rasselville, Puttan Co. S. July 17, 1247.
r. Wright—Some time since, your agent left me a supply of or Indian Vegetable Pills. I have found said pills to be in great emand lately for the cure of Fever and Ague. Mr. James Boyd has a son who has been laid up with Fever and Ague, and had tried various other remedies, all of which proved of no avail.-He determined to try your Indian Vegetable Pills, and by using one box is now sound and well. Mr. T. Spencer had a daughter, Mr. H. Groves a son, and Mr. C. Nichols and three of his family were all down at the same time with Pever and Ague, and had also tried the various other remedies without effect. Your Indian 1 at Vegetable Pilissoon restored them all to perfect health. I can ; assure you from what I have seen, your Indian Vegetable Pals may be relied on for a perfect cure of Pever and Ague.
