Ror the Removal and Permanent Cure of all NERVOUS DISEASES. And of those Complaints which are caused by an impoired, weakened or unhealthy condition of the

NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNATISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal dis-

Dr. CHRISTIE'S GALVANIC BELT MAGNETIC FLUID,

used with the most perfect and certain success in all strengthening the weakened body, giving tone to the various pigans, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS AND PALSY, Dyspepsia or Indigestion, RHEUNATISM, Acute and Chronic, GOUT. EPI-LEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF SERV-OUS AND PHYSICAL ENERGY,

Norvous Diseases,

which complaints arise from one simple cause, namely, A Derangement of the Nervous System. A Derangement of the Nervous System.

By In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostated system; while under the strengthening, lifegiving, vitalizing influence of Galvanson, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to foreuer health, strength, elasticity and vigor.

The great peculiarity and oxcellence of

Dr. Christie's Galvanic Curatives, consists, in the fact that they argest and care threase by out-ward application, in place of the usual mode of drugging and physicking the patient, till chausted Nature sinks hape-lessly usder the infliction.

They attended the whole system, equalize the circulation of the blood, promote the scoretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than 60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been ENTIRELY AND FERMANENTLY CURED,

ENTIRELY AND PERMANENTLY CURED, when all hope of rehefhad been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, Dyspersia, or any other Chronic or Nervous Draoder. In ordinary cases, atimulants are taken, which, by their action on the nerves and muscles of the stomach, nifted temporary relief, but which leave the patient in a lower state, and with injuried faculties; after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspepure sufference on the worse symptoms of an attack, and simply the flee Belt around the body, using the diagnetic Fluid as directed. In a short period the inscendible perspiration will act on the positive clement of the Belt thereby consing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPETSIV are FERMANENTLY CURED A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE, THE DISEASE, OF LEARS.

No. 1.

The following letter is from Mr. Alongo D. Felter, of Kingston, N. 1, a gentleman of high respectability and influence. Kingston, Ulster Co., N. Y., Jan. 24, 1848 Kingston, Ulster Co., N. Y., Jun. 24, 1848
To Dr. A. H. Cipasin —
About the first of November last I called at your office and purchased one of your Galvanic Belts, and I am happy to say that it hes made a new man of me. For years I have been troubled with Russ warren, you y severe, and a general need-wiss of the Tehole system, and very nervous, with pain in the head, so severe that I would have to take to my bed three or four times a day. My friends are astonished at the perfect and wonderful cure wrought on me. I never was better in my life than now, and I know that this is altogether owing to your GALIVANIC BELT, for I had had the best physicians, and had tried every thing previous to using it, without effect.

Very respectfully, ALONZO D. FELTER. fg- in consequence of the benefits experienced by himself, Mr. Faliffs prooffed a number of the GALFANIC BELTS, and having disposed of them coming his brends, thus writes: No. 2.

No. 2.

My Dear Doulon,
You ask me to give you an account of the success of your GALV-ANIC BELT'S mills region. Isomethy as that they continue to do wonders; kundreds wear there, and I do not know of a solitary care of failure in their use. I sold a Bolt and tho Magnetic Fluid to u lady here some weeks since. She had a complication of nearous disonders, and was very low. Dr. Nelson attended her, but did her no good; and the Doctor blew out considerably when she gut the belt, and ridiculed it; but the lady used the Belt-and was cured. Now this Doctor had the Despesia for a great while, and could not cure himself, but gets this lady a Belt, wishes it kept a yesterday ho called on me and got one first washes.

Miss Vandemars, of this town, lay all winter with the Rheumatism. She got to be perfectly helpless. Every one who saw her said she could not live. She sent for a GALVANIC BELT-put it on—used the Fluid freely; and in light David and was shere is certainly a remarkable cure time power in your Belts.

No. 4.

Mr. John Eman, merchant of this place, was reduced to a mere skeleton, by Dyapepsia and general chronic disease; he got a Belt said the Fluid, and is how as healthy a mon as was large of in Kingston. He has spent large sum of money in various nostrums previously, but they all proved useless.

No. 5.

An old gentleman by the name of Newkirk, had the Dyapepsia for thirty years. He tells me that he could not eat any thing, without its rising on his stomach; he was very much emaciated and looked miserable; but he purchesed a Belt from me, and after wearing it 3 or 4 weeks, he drose up to the door and said be had come to thank me for selling him Crustur's Belt, as it had made a well man of him. He says that he now eats and digests perfectly, and that he is an hearty as any of his neighbors. He issubut 60 years of age.

Mr. Wood, of Marbletown, was drawn up with Croup and Rheumatism, so that he could not. His brother got KINGSTON, May 6, 1849.

Mr. Wood, of Marbletown, was drawn up with Croup and Rheumutism, so that he could not more. His brother got s Belt for him, and in one week he was so well that he was about attending to his business. He says it is the greatest thing on earth.

thing on earth.

No 7.

The wife of Mr. Joseph King, of Kingston, has been complaining of lassitude and general weakness for two real years, and also troubled with indigestion. She got the Belt and Fluid, and Mr. King told me this day, that his wife, was like another woman, it had done her so much good. I could give you a great many more cases, equally successful, but I suppose these will be sufficient. I may say that I never was engaged in any business that has been so fortunate and satisfactory to albeoneerned.

Vest truly yours.

Of all the cures that have yet been recorded, there are certainly none equal to the one first mentioned, which plainly show the carability of Consumption, even in some of its wors forms. Messes. Sanford & Park—Gents: This ivto certify, that my wife Naucy Dohoncy has been in a declining state of health for the last two years. Her disease baffled the skill of the best medical aid I could procure—her physicians pronounced her disease "Consumption in the last stage," and said that her recovery was past all human hopes. As a last resort with very little hope, I procured Wistart's Balsam of Wild Cherry. After using a few bottles, I found to my agre able surprise, that her health was unproving rapidly. She is now so far restored a to be able to attend to her regular household duties without suffering any inconvenience. Her rapid improvement and present health warrant me in the belief that she will soon be entirely restored.
