TIBDALS & DEWEY

For the Removal and Permanent Cure of all NERVOUS DISPASES, And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the

NERVOUS SYSTEM. This beautiful and convenient application of the mysterious fowers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIO BELT

MAGNETIC FLUID. is used with the most perfect and certain success in all

GENERAL DEBILITY, Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS AND PALSY, Dyspepsia or Indigestion, RHEUNATISM, Acute and Chronic, GOUT, EPI-LEPSY, LUMBAGO, DEAPAESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERV-QUS AND PHYSICAL ENERGY,

and all Nervous Diseases, which complaints arise from one simple cause, namely, A Derangement of the Nervous System.

(C) in NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostrated system; while under the stringthening, life-giving, vitalizing influence of Galvanism, as applied by this heautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strongth, clasticity and vigor. The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging and physicking the patient till exhausted Nature sinks hope-lessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nerveus Complaints, have been ENTIRELY AND PERMANENTLY GURED. hen all hope of relief had been given up, and every thing

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Neivous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, alord temporary relief, but which leave the pation in a lower state, and with liquited faculties; after the action thus excited has cessed. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A KEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADLECTE THE DISEASE OF YEARS.

A CHAIN OF EVIDENCE.

No. 1.

The following letter is from Mr. Alonzo D. Felter, of Kingston, N. Y. a gentleman of high respectability and influence.

KINGSTON, Ulster Co., N. Y., Jan. 24, 1848

To Dr. A. H. Chaister.—

About the first of November last I called at your office and purchased one of your Galvanic Belts, and I am happy to say that it has made a new man of me. For years I have been toubled with Rin vinxrian, very severe, and a general weakness of the whole system, and very nervous, with pain in the head, so severe that I would have to take to my bed three or four times a day. My friends are astonished at the perfect and wonderful cure wrought on me. I never was better in my life than now, and I know that this is altogether owing to your GALVANIC BELT, for I had had the best physicians, and had tried every thing previous to using it, without offect

in my life than now, and I know that this is altogether owing to your GALVANIC BELT, for I had had the best phy sicians, and had tried every thing previous to using it, without effect.

Very respectfully,

(GP-In consequence of the benefits experienced by himself, Mr. Felter procured a number of the GALVANIC BELT'S, and having disposed of them among his friends, thus writes:

NO. 2.

My Deur Doctor,

You ask me to give you an account of the success of your GALVANIC BELT'S in this region. I can truly say that they continue to do wonders; hundreds wear them, and I do not know of a solitary case of failure in their use. I sold a Belt and the Magnetic Fluid to a lady here some weeks since. She had a complication of nervous disorders, and was very low. Dr. Nelson attended her, but did her no good; and the Doctor blew out considerably when she got the belt, and inheated it; but the lady used the Belt and was cured. New this Doctor had the Dy spepsia for a great while, and could not cure himself, but gets this lady a Belt, wishes it kept a secret, puts it on himself, and it did him so much good, that yesterday he called on me and got one for his wife.

No. 3.

Mis Vandemark, of this town, lay all winter with the Rheumetism. She got to be parfectly helpless. Every one who saw her said she could not the extended Miss V, hooted at the Belt, but now says there is certainly a temarkable curative power in your Belts.

Mr. John Eman, merchant of this place, was reduced to a mere skelcton, by Dyspepsia and general chronic disease; he got a Belt and the Fluid, and its show as healthy a man as we have got in Kingston. He had send of New Kirk, had the Dyspepsia for thirty years. He tells me that he could not eat any thing without its rising on his stomach; he was very much emacled and looked miserable; but the purchased all Belt from me, and after wearing it 3 or 4 weeks, he drove up to the door and said he had come to thank me for selling him Chrustier Belt, are it had made a well man of him. He says that he now eats and digest

thing on earth.

No. 7.

The wife of Mr. Joseph King, of Kingston, has been complaining of lassitude and general weakness for several years, and also troubled with indigestion. She got the Belt and Fluid, and Mr. King told me this day, that his wife was like another woman, it had done her so much good. I dould give you a great many more cases, equally successful, but I suppose these will be sufficient. I may say that I never weas engaged in any business that has been so fortunate and satisfactory to all concerned.

Very truly yours,

To A. H. Christiff, M. D., Ner-York.

Her disease balled the skill of the best medical aid I could procure—her physicians pronounced her disease "Consumption in the last stage," and said that her recovery was past all human hopes. As a last resort with very little hope, I procured Wistar's Balsam of Wild Cherry. After using a few bottles, I found to my agree able surprise, that her health was improvibly rapidly. A WISTAKE.

A WISTAKE.

MOSES' thee most retire after 4 o'clock. Thou shouldst remember that some of the feathered tribe, without the aid of revelation, hath been taught by nature that it is the brightness of the day that obscures their vision and makes the light appear like darkness, smoke and dust. Is not this thy difficulty? When thy vision is clear thou will perceive it is not the Empire Stores the community are rushing to see, but the large quantity of rich Dress Goods, which they are purchasing below the market. Friend Koch, continue thy notice of the Empire Stores without any fear of prosecution from us—If we practiced deception as some do, we should expect the public would recollect us without a weekly notice.
