For the Removal and Permanent Cure of all NERVOUS DISEASES, And of those Complaints which are caused by an impaired, weakaned or unhealthy condition of the

NERVOUS SYSTEM.

This beautiful and convenient upplication of the mysterious powers of GALVANISM and MAGNETISM, has been pro-nounced by distinguished physicians, both in Europe and the United States, to be the most ratiable medicinal discavery of the Age.

Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID, is used with the most perfect and contain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various FITS, CRAMP, PARALYSIS AND PALSY,

Dyspepsia or Indigestion,

RHEUMATISM, Acate and Chronic, GOUT, ERI-LEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION CF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint,

SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERV-OUS AND PHYSICAL ENERGY,

and all Nervous Discases.

which complaints arise from one simple cauve, namely, A Derangement of the Nervous System.

by In KERYOUS COUPLAINTS, Drugs and Medicines increase the discose, for they weaken the stat energies of the already prestructed system; while under the strengthen-ing, lifegiving, vializing influence of Galvansm, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to foreuer health, strength, elasticity and sugor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, Dr. ORTISTIC'S GAIVANIC CUPALIVOS, consists, in the fuct that they arrest and care disease by out-ward application, in place of the usual mode of dungging and physicking the patient, till exhausted Napure sinks hope-lessly under the indicton. They strengther the whole system, equalize the einculation of the blood, promote the sciencing, and needs do the slightest injury under angetteenstances. Since their introduction in the United States, only three years since, more than

## 60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Norsons Complaints, have been ENTIRELY AND FERMANENTLY OURED;

ENTIRELY AND FERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in van! To illustrate the use of the GALVANIC BELT, suppose the case of a person officied with that bene of civilization, DYSFE7SIA, or any other Chornic or Nervous Disorder. In ordinary cases, stimulauts are taken, which, by their action on the nerves and nuscles of the stomach, afford temporary relief, but which leave the patient in a lower fatte, and with hymed faculties; after the oction thus excited has ceused. Now compare this with the effect resulting how the applica-tion of the GALVANIC BELT. Take a Dyspeptie sufferer, even in the worse symptoms of an attack, and simply the the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible per-pitation will act on the positive element of the Belt, thereby causing a Galvanic circu-lation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation thinoughout the system. Thus the most severe cases of DYSPEFIA are FERMANENTLY CURED. A FEW DAYS IS OFTEN AMILA SUFFICIENT TO ERADI-CATE THE DISEASE OF YEARS.
