For the Removal and Permanent Cure of ail NERVOUS DISEASES, and of those Complaints which are caused by an i

NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, har been prenounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discrete of the Age. Dr. CHRISTIE'S GALVANIO BELT

MAGNETIC FLUID, is used with the most perfect and certain success in GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS AND PALSY, Dyspepsia or Indigestion, RHEUMATISM, Acute and Chronic, GOUT, EPI-LEPSY, LUMBAGO, DEAFNESS, NERVOUS TRICHORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST,

Liver Complaint, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERV-OUS AND PHYSICAL ENERGY,

Nervous Diseases. which complaints arise from one simple cause, namely, A Dorangement of the Nervous System. 6C- In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already infestrated system; while under the strengthening, life-giving vitalizing influence of Gilvanium, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sulforer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the elightest injury under any circumstances. Since their introduction in the United States, only three years since, more than 60,000 Persons

including all eges, clusses and conditions, among which were a large number of ladies, who are peculiarly subject to Nerveus Complaints, have been ENTIRELY AND FERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in vaiu!

To illustrate the use of the GALVANIC BIELT, suppose the case of a person afflicted with that bane of civilization, DYsgerStal, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties; after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are FERMANENTLY (UIRD). A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE TRE DISEASE OF YEARS

No. 1.
The following letter is from Mr. Alonzo D. Felter, of Kingston, N. Y., a gentleman of high respectability and influence. Kingston, Ulster Co., N. Y., Jan. 24, 1848 Alout the first of November last I called at your office and purchased one of your Galvanic Belts, and I am happy to say that it has made a new man of me. For years I have been troubled with Rugumarien, very severe, and a general weak. rouncied with HERIMATISM, very servere, and a general treasures of the whole system, and very nervous, with pain in the head, so severe that I would have to take to my bed three or foor times a day. My friends are astonished at the perfect and wonderful cure wrought on me. I nover was better in my life than now, and I know that this is altogether owing to your GALVANIC BELT, for I had had the best physicians, and had tried every thing previous to using it, without effect.

Very respectfully, ALONZO D. FELTER.

(03-In consequence of the benefits experienced by himself,
Mr. Felten procured a number of the GALVANIC BELTS,
and having disposed of them among his friends, thus writes:

Kingston, May 6, 1848.

My Drar Doctor.

You sak me to give you an account of the success of your GALVANIU BELPS in this region. I can truly say that they continue to do wonders; hundreds weer them, and I do not know of a solitary case of fullure in their use. I sold a Belt and the Magnetic Fluid to a lady hore some weeks since. She had a complication of nervous disorders, and was very low. Dr. Nelson attended her, but did her no good; and the Doctor blew out considerably when she got the belt, and ridiculed it; but the tady used the Helt and was cured. Now this Doctor had the Dyspepsis for a great while, and could not cure himself; but gots this tady's Belt, wishes it kept secret, puts it on himself, and it did him so much good, that reterday be called on me and got one for his wife.

Miss Vandemark, of this town, lay all winter with the Rheumatism. She got to be perfectly helpless. Every one who says her said she could not live. She sent for a GALVANIC BELT—put it on—used the Fluid freely, and in Elicit Days and were our sustiness. And is to a Marrison next were? The Doctor who attended Miss V., hooted at the Belt, but now says there is certainly a remarkable curative power in your Bolts.

the Belt, but now says there is certainly a remarkable curative power in your Belts.

Mr. John Eman, morehant of this place, was reduced to a mere skeleton, by Dyspepsia and general chronic disease; he got a Belt and the Fluid, and is now as healthy a man as we have got in Kingston. He has spent large sums of mozey in various nostrums previously, but they all proved useless.

No. 5.

An old gentleman by the name of Newkirk, had the Dyspepsia far thirty years. He tells mo that he could not eat any thing without its rising on his stomach; he was very much conacisated and looked miserable; but he purchased a Belt from me, and after wearing it 3 or 4 weeks, he drove up to the door and sold he had come to thank me for selling him Craustre's Bert, as it had made a well man of him. He says that he now eats and digests perfectly, and that he is as hearty as any of his neighbors. He inhout 60 years of age.

Mr. Wood, of Marbletown, was drawn up with Croup and Rheumatism, so that he could not move. His brother got a Belt for him, and in one week he was so well that he was about attending to his business. He says it is the greatest thing on earth.

thing on earth.

No. 7.

The wife of Mr. Joseph King, of Kingston, has been complaining of lassitude and general weakness for several years, and also troubled with indigestion. She got the Belt and Fluid, and Mr. King told me this day, that his wife was like another woman, it had done her so much good. I could give you a great many more cases, equally successful, but I suppose these will be sufficient. I may say that I never was engaged in any business that has been so foutunate and satisfactory to all concerned.

ALONZO D. FELTER. Very truly yours, ALONZO D. FELTER. To A. H. CHRISTIE, M. D., New-York.

GCNMERCEAL EXORANGE.

French Street, Eris, Pa., April 17, 1849.

The impression is abroad that I have, or am about to abandon
the Pancy Goods and Silk Trade. It is a fact that the tree
mendous inroad that was made upon the afore mentioned branch
of my business last summer, by the robberty, somewhat discouraaged me, and I was for a while in a straight whether or no to
launch into that trade. After pondering on the subject a good
while-fortunate, happy community—I came to the determination
to resume it. Consider for a moment what your situation would
have monopolized the lastiness. To accomplish which end. Empire Block, Keystone Block, or some other high sounding name,
would have been flourished about your ears to draw attention, and
any and every means resorted to obtain notoriety. This would of
course have been all perfectly right. All the the thunder, smoke
and dust that can be evoked will amount to nothing, as this community are too enlightened to be deceived by such nonsense—they
care nothing about mances and locations, but resert to the places
where rich and fashionable goods are kept and sold at trassonable,
prices: Whatever may have been the consequences, in pursuance
of the above determination, it my late visit to the clites of New
York and Philladelphia, I purchased a very large quantity of the
richest and most fashionable Broods are kept and sold at reluding a
great variety of the newest styles of Bress Silks. It is my intention breacher to keep on hand the largest variety of Fancy Goods
in town, and my past transactions I trust are a guaranty that
prices will meet with the favor of my patrons, who are respectfully invited to call at the Commercial Fachange, where I am now
