Lest the mercantile faculty of Eric, should be alarmed, especially wholesale dealers, he hereby assures them that he does not
purpose jobbing to the trade generally, at lower rates than they
have paid in New York, notwithstanding his great facilities for
importing, but trusts that he will be excused for offering a few bargains to the older merchants of adjacent counties who are "satisfied" with Eric prices, and will doubtless promote our city's rapid growth by purchases of loads without number of Tape and
Bobbin, when they become better satisfied all is not humbug.
