I have received in the cure of an obstinate Cancerous Ulcer on my breast.

I was attended for eighteen months by a regular and skiffit physician, assisted by the advice and counsel of one of the most able and experienced surgeons, without the least benefit whatever. All the various methods of treating cancer was resorted to; for five weeks in succession my breast was burned with caustic three time a day, and for six it was daily syringing with a weak solution of intrie a rid, and the cavity or inter ulcer was so large that it held over an onne of the solution. The doctor probed the ulser and examined the bone, and said the disease was advancing rapidly to the tungs, and if it did not get speely relief by medicine or by an operation, the result would be fatal. I was advised to have the breast laid open and the bones examined; but finding no relief from what had been done, and feeling I was rapidly getting worse, I almost despaired of recovery, and considered my case nearly because.

BRANT'S INDIAN PURIFYING EXTRACT

is such a Medicine, in every respect; and there is abundant proof, in great curve effected, that ONE BOTTLE of it contains more purifying, the sing virtue, and medical power, than there is contained in FULL BOTTLES of any Sarauparilla, or any other medicine that has ever been offered for sile. There is undoubted proof in our pamphies, that by the use of this great Indian Purifer, they that were DYING yet LIVE—they that were LAME and CRIPTLED can now WALK—they that were SICK SCRO-FULOUS and otherwise diseased, have been healed and CURED.

Hundreds—Thousands who have used BRANT'S PURIFIER, after having used and tested at a the Naratmentian and other medicines recommended to cure blood dis-

because one bottle of it has more medical, curative matter in it, and, in consequence, curve more disease, in much fees time, than one bottle of any other medicale.

If, then, one bottle of BRANT'S PURIFIER will cure FOUR TIMES
more thesesse than one bottle of Sarsuparilla—"BRANT'S PURIFIER? more threuse than one bottle of Sarsaparilla-BRANT'S PURIVIERY would be as chop at four dollars. BRANT'S PURIVIERY would be as chop at four dollars to the same parillar as one dollar. But BRANT'S PURIVIER to sold for bottle, and say a bottle of it has cured, and is copolir of curio, LARI'S as much disease as one bottle of Sarsaparilla, therefore, Barnary III have a sequence of its less power and less medical effects, should be sold at the more than testaly-free cents per bottle, to be as cheep as the PURIVIER at one dollars.

One Dollar's Worth!

How much CANCER—how much SYPHILIS—how much SCROFU.

A—will one dailar's worth of BRANT'S PURIFIER cure? Read the blowing statement, which is a specimen of its power:— CANCEROUS SCROFULA!

This is the case of a dying man who yet liver. He was cured of a worse rane of SCHOFULA, by only twice bottles of Srant's Parifier, than ever was cured by the use of twelve GALLONS of the best Sursaparilla that was ever made. Sursaparilla has not sufficient medical power to effect the cure of such a revoltingly hopeless case.

Mr. J. B. HABKIN, of Rome, Oneidan Co., N. Y., had Scriptia four years—was confined to his bed the last years—ne was so much diseased and debilitated as to be unable to raise his hand to his head. He had the best medical adelec—had used att. of the best Sursaparillas to no good effect—got worse and worse, and was considered to be in a dying state, and could not live twenty-four hours longer, when he commenced using BRANTS PURIFIEE. His neck was esten nearly off, from ear to ear; a hole was otten through his windpipe, under his chin, so that he breathed through the hole; his ear was so eaten around that it could be lifted up out of its place; it mily holding by a small piece; the use of one arm was destroyed by two uclears; an ulcer under the arm, as large as a man's hand, had nearly extent through his side into his body. Thus he was afficted with twenty and the transfer of the late of the person. For the contract of the person of the person of the person of the contract of the person of the contract of the contract of the contract of the world could not cure him—that his case was

Worse than Hopeless!

Now bear Mr. HASKIN'S statement of cure! He said: "My wife procured one bottle of HRANT'S PULIFYING EXTRACT, of Bissel & Leonard, druggists of Rome. I commenced using that, and began to get better. That bottle enabled me to get off my bod, where I had been confined one year; the second bottle enabled me to get out of the house; the third bottle enabled me to get out of the house; the third bottle enabled me to get out of the thouse; the third bottle enabled me to with two miles, to Rome Centre, where I procured significant more; and when I had finished using them, secenteen out of freenty ulever, had healed up—and three bottles more effected a PERFECT CURE of all the ulevrs, and restored me to good health."

FOURTEEN WITNESSES!

Mr. HASKIN has sworn to the above facts, and the facts are witnessed and certified to by Dr. T. WILLIAMS—Mr. G. R. BROWN, proprietor of the West-Rome fletd—Musers: BISSELL & LEONARD, wholesale and retail druggists—and ELF-VEN other respectable witnesses.

CANCERS CURED. Mr. O. B. KINNEY, merchant, Clinton, Oncido county, N. Y., informed as that a cancer-doctor in said county was effecting wanderful curve of CANCERS through the efficacy of BILANTS FULLIFYING EXTRACT. A concer-doctor in Greene county, N. Y., is also using said Prestylen, Mr. A. B. Settler, druggeigt, at Camphorie, Montgomery county, N. Y. has informed us of an important sure of a CANCER of long standing, which was efficied on an aged lady of that place. If, therefore, this Eveligate curve Cancer, by Hs purifying, healing power, what impure disease of the blood can it not exter I. Seven years' experience and triumph says there are none but what it will cure.

FEVER-SORE CURED.

The Rev. RICHARD DUNNING, Pastor of the Presbyterian church, Adams Bosin, Mouroe county, New York, wrote to us: "I have just received a letter from Mr. CHANNEY DENNING, relative to the cure of his Fever-sore. You may depend on what it states, for he is a Christian man and an elder in the church. Some years since he had to have one of his legs cat of, to save his life, in consequence of a Fever-sore. The other leg being now affected, and about to be amputated, I recommended BHANT'S MEDICINE. It placed all nore, from your recommended on the Manage of the Medicine, and I can now say that, with the blessing of tool, it has detected a cure of my leg." See Famphicus for full particulars.

LIVER-COMPLAINT! Dr. NATHAN HUBBARD, of Stamford, Conn., one of the oldest and most respectable physicians, was afflicted with Liver-Complaint many years, and was perfectly cured by using BRANT'S PURIFYING EXTRACT. We could mame hundreds of other cases, also cured.

This tract has been divided into hundred nere lots, each of which has trom 40 to 70 acres eleared and under cultivation together with a House and Barn, and in most cases an Orchard of fruit. The town of Conneaut, and Harbor, with a thirtying Lake trade, is located two miles west of the Grant, furnishing a ready market for grain and other country produce.—Springfield is four miles, and the thourishing borough of Girard, on the Pittsburgh and Eric Canal, is an miles east of the lands—Marketing, and especially grain, at these places, is also is demand at fair paices. The Ridg: Road, running along the Lake from Buffalo to Uleveland, passes through the middle of the tract, and the Railroad connecting New York city with the great west, is now being located neroes the same. The other 4000 acres are situated on French creek, seventeen miles south of the Lake and city of Eric, three niles west of Union Mills; all which phases afford a good market for the produce of the country. 700 acres are clear and under cultivation, with a number of the lest prazing farms in Erre county. But from the remarkable cures, and the high order and vast amount of testimony lately brought under our personal notice of the extraordinary efficacy of Dr. Rogers' Syrup of Liverwoor, Tar, and Carchalagae, we are compelled to regard the evidence of our senses, and confidently state, that for Conghs and Colds, and that hydra-headed monster, Congario, we think the above preparation a safe, speedy, and certain cure. To all our friends we say, TRY IT; and if it does not help you, nothing clee will."
