Unlike young S. P. Townsend's, it improves with ege, and never changes, but for the better: because it is prepared on scientife principles by a scientife man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's. Sarsaparilla are sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce fermentation and acid, which is injurious to the system.—Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation. Proscription! Proscription!! THE above is at this day by far the most general cry throughout our land. Scarce any one escapes its orium. Even Gen-Faylor, that great and good man, is trequently accused of it. He, however, as often denies, the charge as it is made, and boldly asserts that he "removes for came only".

The Sub-cribers have quite recently got out a NEW STONE on the elevated over principle, which they call the KEYSTONE of the elevated over principle, which they call the KEYSTONE of the elevated over principle, which they call the KEYSTONE of the elevated over procuranted all and every Stove heretofole made (paving so many good qualities others are void of) that those engaged in the manuscrute of a much interior article have taken the labria, and at once race the cry of pro-cription, and expect by this to every a general route cry of pro-cription, and expect by this to every a general route. Such cry, however is a necless wasto of the raw material. The elicit has been is used—community claim the right to select the best Stoventl. Hence the Keystone Stove must supercede and remove all others, including Semiett's Parent. The verdict, however, will be, "Removed for cause only" so we stand in a position smular to General Taylor, and as he is ussified so shall we be.

Washington, lowa, June 9, 1819.

D.R. W. B. Sloan—Dear Sir—I had a lorge which I was analy to use for alrout two years, on account of a very large timer readured by the color. It was sood and painful thad he would not allow a common martingal around his neck. I tried all the limineuis in the country which I thought might be of any service, but they all appeared to aggravate the disorder. I had lost all hope of his recovering, and turned him out to die. Several of my dors, but I told them I thought it of no use, as I had tried various dors, but I told them I thought it of no use, as I had tried various graved to be otherwise declining in lealth. However ipon their recomm endation I applied the Ointment and gave the Powder as directed. He began to improve very soon, and in the course of four avecks was as well as any horse in the neighborhood. I have worked mm since, and there is up to this time no appearance of a return of the timor. I can therefore continently recommend your medicane in preference to any other in existence. Send on pearl of it here, I am sure you can find sale for a large quantity.

Yours sincerely,

W. W. MOFFIT.

A WISCONSI WITNESS. MR. Stoan—Pear Sir: Recently my horses ran away was a log chain attached, which cut and otherwise injured then reclously, so much so that I considered my team runcifor laws ness. D.R. W. B. Slow—Dear Sir—About one year ago Mr. S. K.

Hithard presented us with half a doven boxes of your Oili
ment, and half a lozen packages of the Condition Powders. Me
the time he gave them to us, we imagined them a Vankees seriulation, but after giving them a trial we alucted our or phalon very
much, we have been engaged in the Lavery and Staging busined
a number of years, and we can safe, state to the fublic that we
have never made use of any Ointment superior to yours for earny
galls or tumors, also, we have used it for eye diseases with great
success, we found it for our interest to furnish each our driver
widt a loz of the Ointment, and out of 45 head of horses, we
have not one galled. We had a very fine horse with a had ersek
in his hoel, firm the hair to the boiloin of the foot, we put on a
gripe, then applied your Ointment and grew the erack entiely
out, and a new hoof perfectly sound. The Condition Fonders
we have found fully as good as recommended, and also we can
safely recommend to horse dealers and Farriers, your Farrier
Books, as an Freellest Guide, the remedica are good and hever in
jure.

Yours, most Respect.

CONSCIENTIOUSLY. CONSCIENTIOUSLY.

SLOAN'S OINTMENT.—We distlike to "puff" patent medican, owing to the vast quantity mow in resistence, of which, no doult, half at least, are spurious—not fit for the toleration of the people; but in hen such come under our notice that we as conscientiously recommend we do It with pleasure.

We have not spoken a favorable pord of this Ointment since the proprietor commenced advertising with us, for fear there was some humbug in its efficacy, but wook being convinced, by the numerous stouements of our friends relative to its grewingers, with omost carnersly recommend it to the public as the very switnericine for healing man and least, ever used. All diseases of the feels, obstinate ulcers, old sores, burns, cuts, &c., will find immediate relief by the application of this Ointment. See Slean new advertisement in another column.—III, Reveille, June 2011, ED.
