one bottle of it has more medical, curative matter in it, and, in once, cures more diacter, in much less time, than one bottle of any consequence, erres more directe, in much less time, than one bottle of any other medicine.

If, then, one bottle of BRANTS PURIFIER will cure FOUR TIMES more disease than one bottle of Saragaarilla—"BRANT'S PURIFIER" would be as cheap at four dollars a bottle, as sarseparilla at one dollar, But BRANT'S PURIFIER is sold for only ONE DOLLAR a bottle, and as a bottle of it has cured, and is capable of curing, FOUR TIMES as much disease as one bottle of Saragarilla, therefore, Saragarilla, in consequence of its less power and less medical efficacy, should be sold at no more than teenty-free cents per bottle, to be as cheap as the FURIFIER at one dollar.

One Dollar's Worth! How much GANCER—how much SYPHHIAS—how much SCROFU-LA—will one dollar's worth of HRANT'S PURIFIER cure I. Read the following statement, which is a specimen of its power:—

This is the case of a dying man who yel lives. He was cured of a worse case of SCROFULA, by only tuckle bottles of Brant's Puriher, than ever was cured by the use of treefre GALLONS of the best Screeparthe that was ever made.
