DR. TOWNSEND'S SARSAPARILLA.

A man by the name of *CLARK* has engaged with a young man of the name of *S. P. Townsend*, and has his name to put up a Sarsaparilla, which they call *Dr. Townsend's Sarsaparilla*, denominating it *GENUINE*, Original, &c. This Townsend is no doctor, and never was but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD Dr. Jacob Townsend's Sarsaparilla*, having on it the Old Dr's. likeness, his family coat of arms, and his signature across the coat of arms.

☞ Principal office, 100 Nassau St., New York City.

OLD DR. JACOB TOWNSEND.

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHER* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful.

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when its unestimable virtues would be known and appreciated. This time has come, the means are supplied; this

GRAND AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for throughout the length and breddh of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better: because *it is prepared on scientific principles by a scientific man.* The highest knowledge of Chemistry, with the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's. Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce *fermentation and acid*, which is injurious to the system.—Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to those experienced in its manufacture. Moreover, these *volatile principles*, which fly off in vapor, or as an exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its value.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter in the root than from anything else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, everything capable of becoming acid or of fermentation, (extracted and rejected) then every particle of medicinal virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of Innumerable Diseases.

Hence the reason why we hear commendations of every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and LIVER COMPLAINT; and in RHEUMATISM, SCROFULA, PILES, COSTIVENESS, all CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvelous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds and Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Flour Albus* or *Whites, Falling of the Womb, Obstructed, Surpressed*, or *Painful Menses, Irregularity* of the menstrual periods, and the like; and is as effectual in curing all the forms of *Kidney Diseases*.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Swooning, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflamation, purifies the skin, equalizes the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. Is not this then

The medicine you pre-eminently need?

But can any of these things be said of S. P. Townsend's inferior article? This young man's friend is not to be

COMPARED WITH THE OLD DR'S,

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and the other

NEVER SPOILS,

while the other DOES: *souring; fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding, and damaging other goods! Must not this horrible compound be poisonous to the system!—*What! put acid into a system already diseased with acid!* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs, what mischiefs it produces? Flatulence, heartburn, palpitation of the heart, liver complaint, diarrhea, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts! So of nervous diseases, of impurity of the blood, or deranged circulations, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND"

OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

"Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!* and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dis-similar;* that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease! It requires a person of some experience to cook and serve up even a common decent meat. How much more important is it that the persons who manufacture medicine, designed for

Weak Stomachs and Enfeebled Systems,

should know well the medicinal properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases!

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its

Transcendent Power to Heal.
