"RUTH IS STRONGGIE THAN FICTION." Gennino Townsend Harsaparilla. Old Dr. Townsend is now clout 70 years of age, and has long been known as the AUTHER and DisCOVFEREN of the GEN-UINE ORIGINAL "TOWNSEND SARSAP INILLA." Being poor, he was compelled to limit its manufacture, hy which means it has been kept out of market, and the sales circumseribed to those only who had proved its worth, and known its value. It had reached the cars of many, nevertheless, as those persons who had is a heated of sore discusses, and saved from death, proclaimed its excellence and wonderfal. HEALING POWLR. Knowing, many years ago, that he had, by his skill, science and experience, devised an aritele which would be of inculcuble ad-vontage to manking when the means would be finit-lied to bring it in ouniversal notice, when its enestimable virtues would be known and appreciated. This time has come, the means are sup-plied; this

"TRUTH IS STRONGER THAN FICTION." The attention of the render is called to the following astonishing cure, affected by Sandis' Sarspaparilla. This is to certify that I have a colored woman who has been affleted for the has they eyears with Scroftla, and all the remedies I u-ed had no effect in presting the propress of the complaint, ou the contrary, alse constituting grey worse, and after expending be-tween \$70 and \$50 with physicians, besides using other remedies without success, ill/the discase had eaten away the cartinge of her nose, made its appearance on various parts of her body, and had limitly commenced its ravages in the roof of her mouth. In this dreading is turnion, with the prospect of death starting her It nose, made in appendix and a start of the roof of her mouth. In this drendful situation, with the prospect of death staring her a the face, I stated her case to Dr. Disoway, agent for Simule Ansaparilla, An Newbern, N. C., by whom I was advised to use that article, and to my surprise and that of my neighbors, to whom her case was known, after using four and a half bottles she was
